PRIMARY 6 CHRISTIAN RELIGIOUS STUDIES LESSON NOTES

FIRST TERM

WEEK 1: PAUL'S EARLY LIFE I

OBJECTIVES By the end of the lesson, pupils should be able to:

1. Mention Paul's name before he became a Christian.
2. Identify Paul's birthplace and his nationality.
3. Describe Paul's religious background and the tribe he came from.
4. Name the teacher who taught Paul in Jerusalem.

CONTENT

1. Saul's Birth and Background

Before he became the great Apostle Paul who wrote many books in the Bible, his name was Saul.

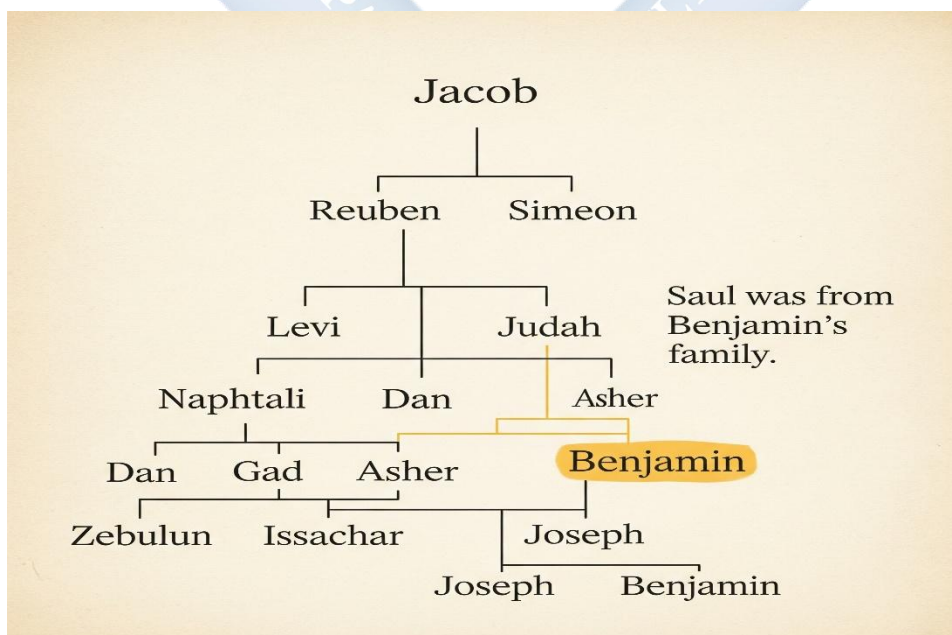

Think of it like a child having a birth name and then maybe getting a nickname later.

- **Birthplace:** Saul was born in a famous city called Tarsus. This was not in Israel; it was in a region called Cilicia (say: sih-LISH-ia). Tarsus was a busy, important city for learning and business, much like Lagos or Abuja is important in Nigeria

today.

- **Heritage and Tribe:** Even though he was born in Tarsus, Saul's family were Jews (Israelites). They were God's chosen people. Specifically, he was from the Tribe of Benjamin. Benjamin was one of the 12 sons of Jacob (Israel). King Saul, the first king of Israel, was also from this tribe. So, Saul came from a very important family line.

- **Citizenship:** This is interesting! Saul had two "identity cards": a. He was a Jew by religion and family. b. He was also a Roman citizen by birth. Being born in Tarsus gave

him this right. A Roman citizen had special privileges, like being protected from being beaten without a trial. It was a very big deal, like having an international passport today. This citizenship later helped Paul in his travels.

2. Education and Religious Training

Saul was a very brilliant and educated boy. His parents sent him to the best school.

- **His Teacher:** When he was older, he went to Jerusalem, the holy city of the Jews, to study. He became a student of the most famous and respected teacher at that time, named Gamaliel. It was like going to the best university and learning from the top professor.
- **Pharisee:** Saul grew up to belong to a strict religious group called the Pharisees. The Pharisees were known for obeying every single law in the Old Testament very carefully. They wanted to please God by following all the rules.
- **Zeal and Languages:** Saul was not just educated; he was zealous (which means he had a very strong passion). He loved the Jewish traditions deeply and wanted to protect them. He knew how to speak Hebrew (the language of the Jews and their scriptures) and Greek (a common language in many places, like how English is used in Nigeria today). This helped him talk to many different people.

EVALUATION

1. What name did Apostle Paul use before he followed Jesus?
2. In which city was Saul born?
3. Saul was a Jew from which of the twelve tribes of Israel?
4. Who was Saul's famous teacher in Jerusalem?
5. What was the name of the strict religious group that Saul belonged to?

ASSIGNMENT

1. **(Oral Task):** Tell your partner three facts about Saul's early life (his name, birthplace, and tribe).
2. **(Drawing/Practical Task):** Draw the Nigerian flag in your notebook and underneath, write one sentence about your own nationality (e.g., "I am a Nigerian citizen.").

3. **(Short Written Task):** Read Acts 22:3. Write down one sentence Saul said about his education in Jerusalem.

WEEK 2: PAUL'S EARLY LIFE II (THE PERSECUTOR)

OBJECTIVES By the end of the lesson, pupils should be able to:

1. Define persecution.
2. Describe Saul's role in the death of Stephen.
3. Explain how Saul treated the early Christians.
4. Mention the city Saul was traveling to in order to arrest Christians.

CONTENT

1. Saul the Persecutor

- **Persecution:** This means to treat people very badly, hurt them, or punish them because of what they believe. For example, if someone is bullied for being a Christian in school, that is a form of persecution. Saul persecuted Christians.
- **Saul's Mistaken Belief:** Saul loved God and the Jewish law. He saw the followers of Jesus (who were called "The Way") as enemies. He thought they were telling lies about God by saying Jesus was the Messiah. He believed he was doing God a service by stopping them. He was sincere, but he was sincerely wrong.

2. The Stoning of Stephen

Stephen was a faithful disciple who was full of the Holy Spirit. He preached boldly about Jesus.

- Some Jewish leaders became very angry with Stephen. They dragged him out of the city to stone him (throw stones at him until he died). Stephen became the first Christian martyr (someone who is killed for their faith).
- **Saul's Role:** A young man named Saul was there, watching. The people who were throwing stones laid their coats at Saul's feet to keep them clean. This shows he was in charge. The Bible says Saul consented to Stephen's death—he agreed with it and approved of it.

3. Attacking the Church

After Stephen's death, Saul became even more violent against Christians.

- He went from house to house in Jerusalem. He dragged out men and women who believed in Jesus.
- He threw them into prison.
- He was so angry that the Bible says he was "breathing out threats and murder" against the disciples. This means all he thought and talked about was how to hurt Christians.
- He went to the High Priest (the top religious leader) and got official letters. These letters gave him permission to go to the city of Damascus to find any Christians there, arrest them, and bring them back to Jerusalem in chains.

EVALUATION

1. What does the word "persecution" mean?
2. Who was the first Christian martyr?
3. What was Saul doing while Stephen was being stoned?
4. Why did Saul get letters from the High Priest?
5. Where did Saul plan to go to find and arrest Christians?

ASSIGNMENT

1. **(Short Written Task):** Read Acts 8:3. Write one sentence that describes what Saul did to the church.
2. **(Oral/Reasoning Task):** Discuss with a family member: Why did Saul think he was doing the right thing by hurting Christians?
3. **(Practical Task):** Write a one-line prayer for Christians in the world who are being persecuted for their faith today.

WEEK 3: PAUL'S CONVERSION I (THE DAMASCUS ROAD)

OBJECTIVES By the end of the lesson, pupils should be able to:

1. Narrate the story of Saul's experience on the road to Damascus.
2. Mention what Saul saw and heard on the road.
3. State the question Jesus asked Saul.
4. Describe Saul's condition after the encounter.

CONTENT

1. The Journey to Damascus

Saul, with some friends, was traveling to Damascus. He was excited to arrest Christians there. He thought he was on a mission for God. But God had a different plan. As they came near the city, something shocking happened.

- Suddenly, a bright light from heaven flashed around Saul. It was brighter than the midday sun! Imagine the brightest light you've ever seen, but even brighter.

2. The Voice of Jesus

- The light was so powerful that Saul fell to the ground.
- Then he heard a voice saying: "Saul, Saul, why are you persecuting Me?"
- Saul was trembling and confused. He asked, "Who are You, Lord?"
- The voice replied, "I am Jesus, whom you are persecuting." Saul realized a terrifying truth: by hurting Christians, he was actually hurting Jesus Himself.

3. The Effect on Saul

- When Saul stood up and opened his eyes, he could see nothing. He was completely blind.
- His friends had to lead him by the hand into the city of Damascus. The proud, powerful Saul now needed help to walk.
- For three days, he was blind. He was in such shock that he did not eat or drink anything. He was praying and thinking about what had happened.
- **Lesson:** This event shows that no one is too strong or too stubborn for God. God can stop anyone in their tracks to get their attention.

EVALUATION

1. Where was Saul going when Jesus appeared to him?
2. What was the first question Jesus asked Saul?
3. Who did the voice from heaven say He was?
4. What happened to Saul's eyesight after the bright light?
5. How long did Saul stay blind and without food?

ASSIGNMENT

1. **(Drawing/Practical Task):** Draw a simple picture of the scene on the road to Damascus. Include Saul on the ground and rays of light from the sky.
2. **(Short Written Task):** Read Acts 9:4-5. Write down the exact conversation between Saul and Jesus as you read it.
3. **(Oral/Reflective Task):** If you heard Jesus speak to you today, what is one thing you would like to ask or tell Him? Share your thought with a friend.

WEEK 4: PAUL'S CONVERSION II (BAPTISM AND NEW MISSION)

OBJECTIVES By the end of the lesson, pupils should be able to:

1. Identify Ananias and his role in Paul's conversion.
2. Describe how Saul received his sight back.
3. Explain the change in Saul's life after his conversion.
4. State Saul's new name.

CONTENT

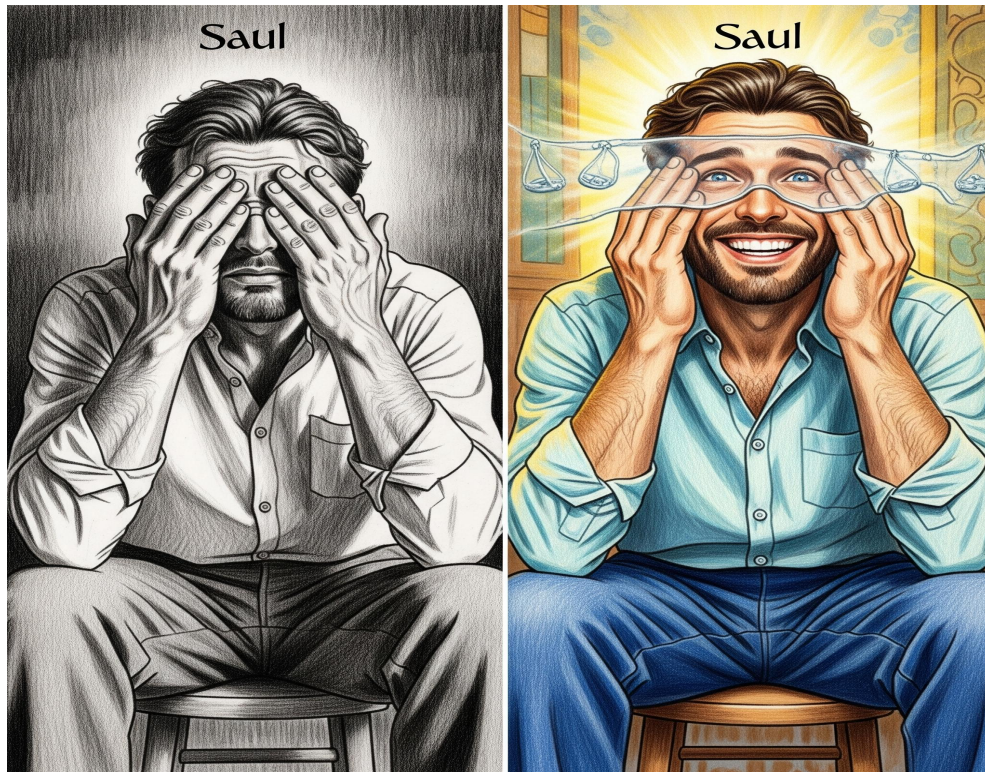

1. The Vision of Ananias

In Damascus, there was a faithful believer named Ananias.

- The Lord Jesus spoke to Ananias in a vision (like a dream while he was awake). Jesus told him to go to a specific street called "Straight Street" and look for a man named Saul from Tarsus.
- Ananias was afraid! He said, "Lord, I have heard about this man! He has done terrible things to your followers in Jerusalem!"
- But God told Ananias, "Go, for he is a chosen vessel of Mine to bear My name before Gentiles, kings, and the children of Israel." This means God had a special plan for Saul to preach to non-Jews, kings, and Jews.

2. Saul Receives Sight and Baptism

- Ananias obeyed God. He went to the house, placed his hands on blind Saul, and said, "Brother Saul, the Lord Jesus... has sent me that you may receive your sight and be filled with the Holy Spirit."
- Immediately, something like scales fell from Saul's eyes. It was as if something crusty was covering his eyes, and it peeled off, like the skin of an orange.

- Saul could see again! He got up, and Ananias baptized him in water. Baptism was a sign that his old life was washed away, and he was now a new person following Jesus.

3. Transformation (Complete Change)

- Saul ate food and regained his strength.
- Immediately, he started doing the opposite of what he planned. Instead of arresting Christians, he went to the Jewish synagogues in Damascus and preached that Jesus is the Son of God.
- Everyone who heard him was amazed. They asked, "Isn't this the man who came here to arrest believers? Now he is preaching about Jesus!"
- **New Name:** He began to be called Paul, which is a Roman name, perhaps because his mission was now to all people, including the Romans. This shows God's power to change anyone, from a persecutor to a preacher.

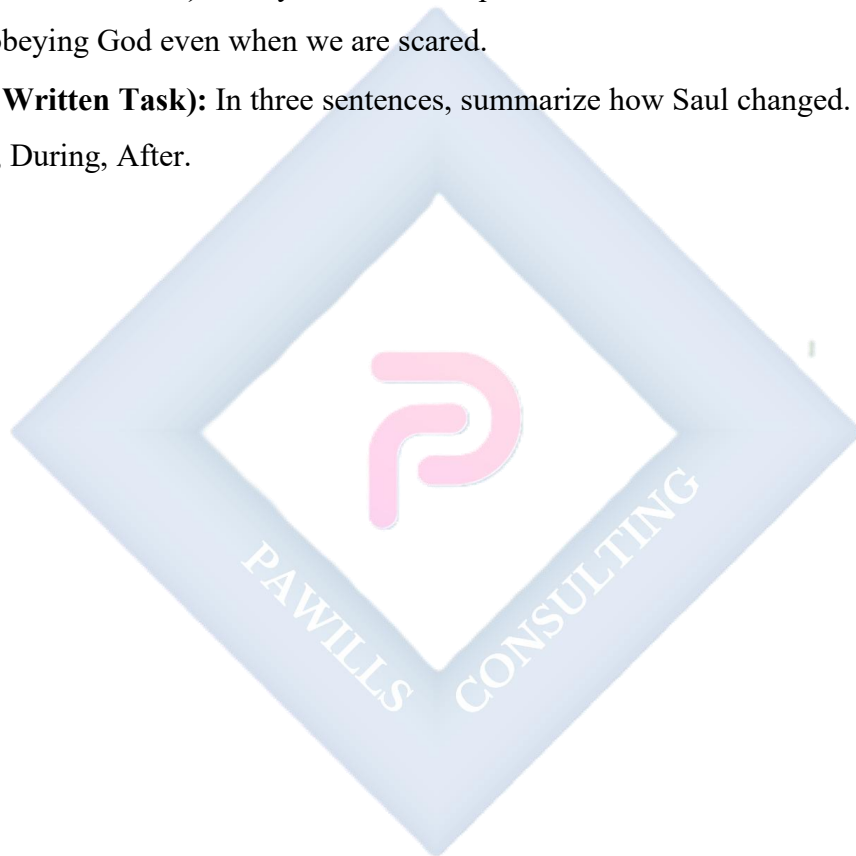

EVALUATION

1. What was the name of the disciple God sent to help Saul?
2. Why was Ananias afraid to go to Saul at first?

3. What happened to Saul's eyes when Ananias prayed for him?
4. What was the first thing Saul did after he was baptized and could see?
5. What new name is Saul known by after his conversion?

ASSIGNMENT

1. **(Short Written Task):** Write down the name of the street in Damascus where Saul was staying (Acts 9:11).
2. **(Oral/Practical Task):** Tell your teacher or parent one lesson we can learn from Ananias about obeying God even when we are scared.
3. **(Short Written Task):** In three sentences, summarize how Saul changed. Use the words: Before, During, After.

WEEK 5 & 6: MIDTERM EXAMINATION AND BREAK

WEEK 7: PAUL'S MISSIONARY JOURNEYS - FIRST JOURNEY I

OBJECTIVES By the end of the lesson, pupils should be able to:

1. Identify who accompanied Paul on his first missionary journey.
2. Mention the place from where they were sent out.
3. Narrate the encounter with Elymas the sorcerer.
4. Explain why Paul turned to the Gentiles.

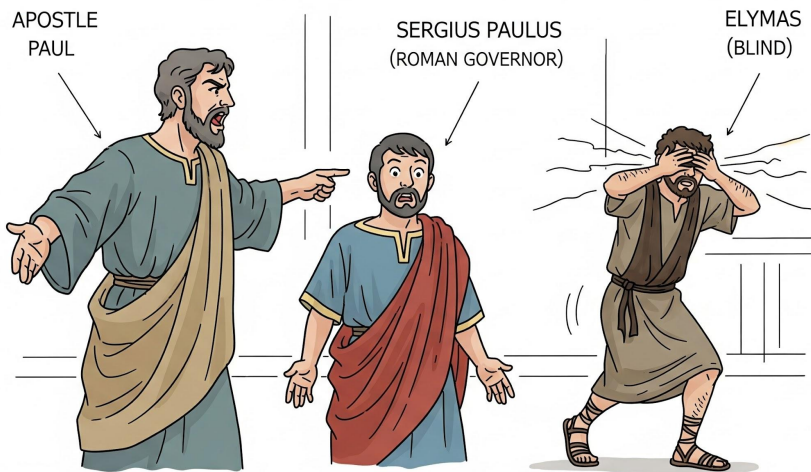

CONTENT

1. Sending Out from Antioch

- The church in Antioch was praying. The Holy Spirit spoke and said, "Now separate to Me Barnabas and Saul for the work to which I have called them."
- The church obeyed. They prayed, fasted, placed their hands on Barnabas and Saul to bless them, and sent them off. They took a young helper named John Mark with them. This was the first missionary journey.

2. Journey to Cyprus: Confronting a Sorcerer

- They sailed to the island of Cyprus.
- There, they met the island's governor, a smart man named Sergius Paulus. He wanted to hear God's word.
- But a sorcerer (a false prophet/magician) named Elymas (also called Bar-Jesus) tried to trick the governor and stop him from believing Paul's message.
- Paul, filled with the Holy Spirit, looked straight at Elymas and said he was an enemy of God. Paul said, "You will be blind for a time." Immediately, mist and darkness fell on Elymas, and he had to be led around by the hand.

- When the governor saw this miracle of God's power, he believed in Jesus.

3. Preaching in Pisidian Antioch

- Paul and his team traveled to another city named Antioch in Pisidia.
- Paul preached in the Jewish synagogue. Many people, both Jews and Gentiles (non-Jews), believed.
- But some Jewish leaders became jealous of the crowds following Paul. They started to argue against him and insult him.
- Paul and Barnabas said boldly, "Since you reject the word of God... we now turn to the Gentiles." This was a major decision. It showed that the good news of Jesus was for everyone in the world, not just the Jews.

EVALUATION

1. Who was Paul's main partner on this first journey?
2. From which city did the church send Paul and Barnabas?
3. What was the name of the sorcerer who opposed Paul in Cyprus?
4. What happened to this sorcerer as a result of his opposition?
5. Why did Paul say he would turn to preach to the Gentiles?

ASSIGNMENT

1. **(Drawing/Practical Task):** Draw a simple sailing boat and label it "To Cyprus".
2. **(Short Written Task):** Read Acts 13:2. Write down exactly what the Holy Spirit said to the church in Antioch.
3. **(Oral Task):** Explain to a classmate what the word "Gentile" means.

WEEK 8: PAUL'S MISSIONARY JOURNEYS - FIRST JOURNEY II

OBJECTIVES By the end of the lesson, pupils should be able to:

1. Describe the miracle at Lystra.
2. Explain how the people of Lystra reacted to the miracle.
3. Narrate how Paul was treated by the angry Jews at Lystra.
4. Mention two things Paul and Barnabas did before returning to Antioch.

CONTENT

1. Miracle at Lystra

Paul and Barnabas came to a city called Lystra.

- They met a man who had been crippled from birth. He had never walked in his entire life.
- Paul saw that the man had faith to be healed. Paul looked at him and said in a loud voice, "Stand up straight on your feet!"
- Immediately, the man jumped up and began to walk! It was an instant and amazing miracle.

Lesson Notes

2. Mistaken for Gods!

- When the crowd saw this miracle, they were astonished. They started shouting in their local language, "The gods have come down to us in human form!"
- They thought Barnabas was Zeus (the chief Greek god) and Paul was Hermes (the messenger god, because Paul was doing most of the talking).
- The priest of Zeus even brought bulls and flowers to the city gates to offer a sacrifice to Paul and Barnabas.
- When Paul and Barnabas realized this, they were horrified. They tore their clothes (a sign of great distress) and ran into the crowd, shouting, "We are humans, just like you! We are here to tell you to turn from these useless idols to the living God!"

3. Stoning and Return Journey

- Soon, some angry Jews from other cities came and persuaded the crowd to turn against Paul. The same people who wanted to worship him now wanted to kill him.
- They stoned Paul—threw heavy stones at him—and dragged his body out of the city, thinking he was dead.
- But as the other believers stood around him, Paul got up! He was not dead. He went back into the city. This showed God's protection and Paul's courage.
- Before going home, Paul and Barnabas did two important things:
 - a. They appointed elders (spiritual leaders) in every new church they had started.
 - b. They encouraged the believers to remain strong in their faith, saying, "We must go through many hardships to enter the kingdom of God."
- Finally, they returned to Antioch and told the church all the wonderful and difficult things God had done through them.

EVALUATION

1. What was the condition of the man Paul healed in Lystra?
2. Why did the people of Lystra call Paul "Hermes"?
3. How did Paul and Barnabas react when the people tried to worship them?
4. What did the angry Jews do to Paul in Lystra?
5. After being stoned, did Paul go back into the city or run away?

ASSIGNMENT

1. **(Reasoning Task):** Why is it wrong to worship a human being or an idol? Discuss one reason.
2. **(Short Written Task):** What is one job of an elder in the church? (Hint: They are like shepherds who care for the people).
3. **(Practical Task):** On a line, list these three cities in the order Paul visited them: Iconium, Lystra, Derbe.

WEEK 9: GOALS SETTING I

OBJECTIVES By the end of the lesson, pupils should be able to:

1. Define a goal.
2. Mention two Biblical characters who set goals.
3. List three types of goals (e.g., academic, spiritual).
4. Explain the meaning of SMART goals.

CONTENT

1. What is a Goal?

A goal is something you want to achieve or do in the future. It is like a target you aim for.

- **Example:** If you are playing football, the goalpost is your target. Without it, players would just run around without purpose. Life without goals is like that.
- **Another Example:** Your goal could be to save up to buy a new school bag.

2. Biblical Examples of Goal Setters

- **Nehemiah:** His goal was to rebuild the broken walls of Jerusalem. He made a plan, prayed to God, asked the king for help, and led the people to work until the wall was finished (Nehemiah 2, 4, 6).
- **Apostle Paul:** His goal was to preach the gospel where Christ was not known (Romans 15:20). He traveled to many new places to tell people about Jesus.

3. Types of Goals We Can Set

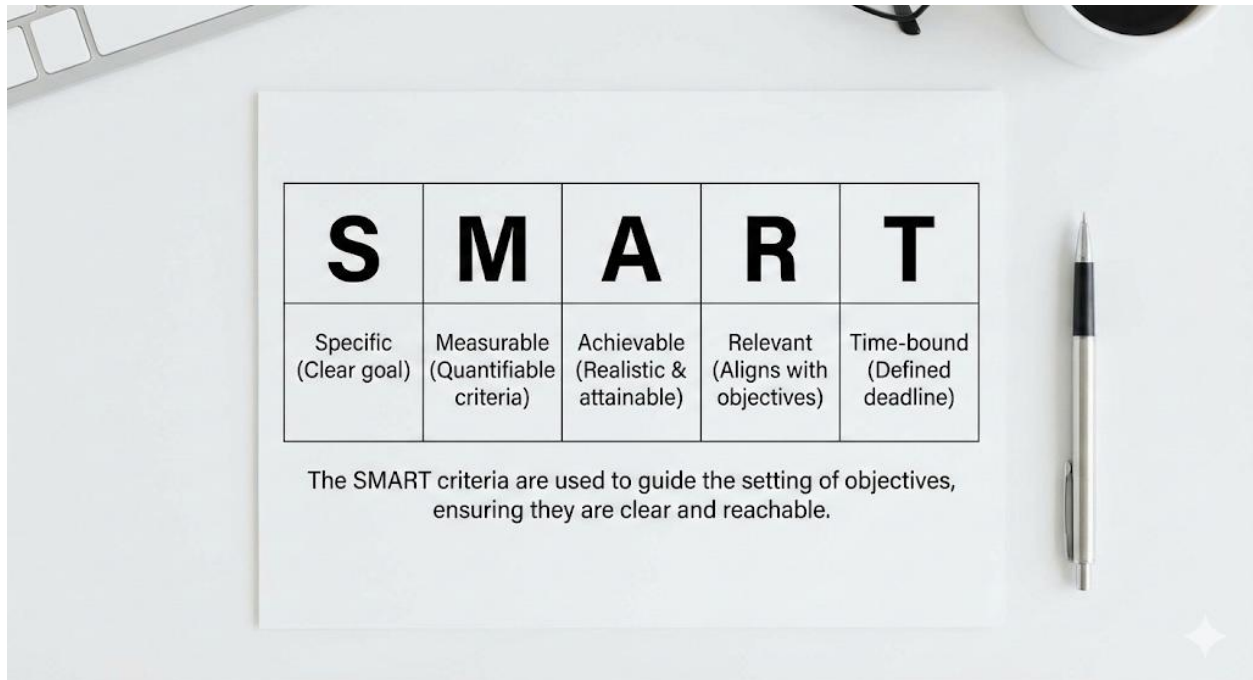

We can set goals in different areas of our lives:

- **Spiritual Goals:** Goals that help us grow closer to God. o **Example:** "I will pray every morning before I start my day."
- **Academic Goals:** Goals for our learning and school work. o **Example:** "I will improve my reading by finishing one storybook every two weeks."

- **Personal/Social Goals:** Goals about our behaviour, skills, or helping others. o **Example:** "I will learn to sweep the room properly to help my parents," or "I will make one new friend this term."

4. What Makes a Good Goal? SMART Goals!

A good goal should be SMART. This is an easy way to remember:

- **S - Specific:** Clear and exact. Not "I will be good," but "I will speak the truth always."
- **M - Measurable:** You can track it. Not "I will read more," but "I will read 5 Bible verses daily."
- **A - Achievable:** It is possible for you. Not "I will jump over the school building," but "I will learn to jump rope 20 times without stopping."
- **R - Relevant:** It matters to you and your life. A goal to "learn to bake a cake" is relevant if you want to help at home.
- **T - Time-bound:** It has a finish time. Not "I will do it someday," but "I will do it before the end of this term."

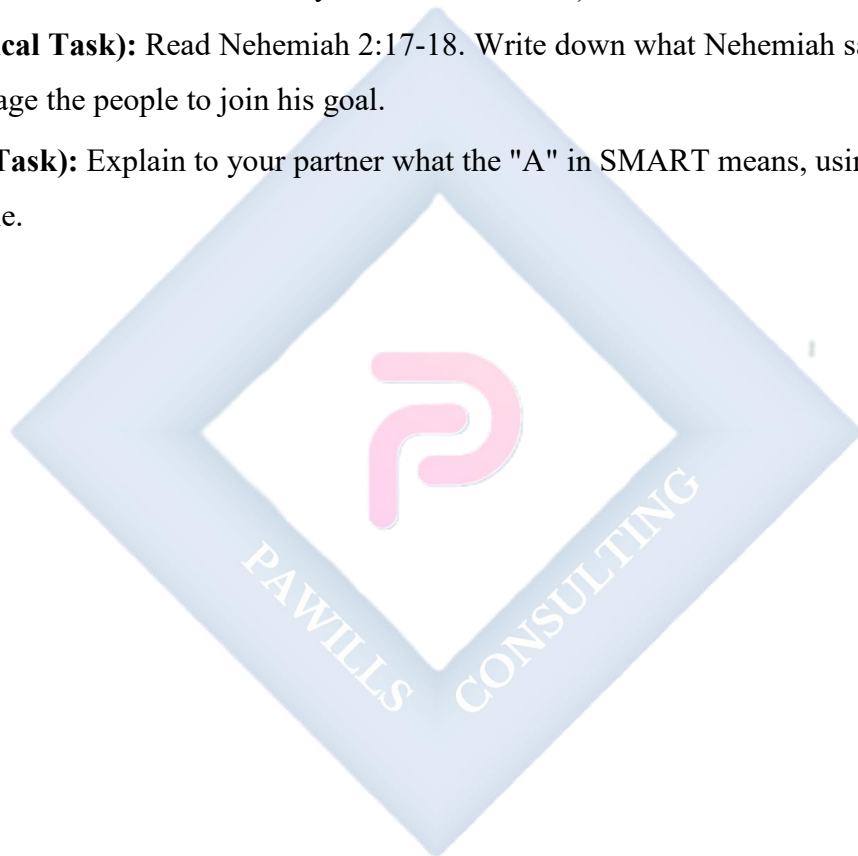

EVALUATION

1. What is a goal?

2. What big goal did Nehemiah set for himself?
3. Give one example of an academic goal.
4. In SMART goals, what does the letter T stand for?
5. Why is it better to have a "Specific" goal than a vague one?

ASSIGNMENT

1. **(Short Written Task):** Write down one specific academic goal for yourself this term (e.g., "I want to score 85% in my Mathematics test.").
2. **(Practical Task):** Read Nehemiah 2:17-18. Write down what Nehemiah said to encourage the people to join his goal.
3. **(Oral Task):** Explain to your partner what the "A" in SMART means, using your own example.

WEEK 10: GOALS SETTING II

OBJECTIVES By the end of the lesson, pupils should be able to:

1. Identify steps to set spiritual and academic goals.
2. Explain the importance of writing down goals.
3. State the Bible verse that supports seeking God's guidance.
4. Mention two values needed to achieve goals (commitment, perseverance).

CONTENT

1. How to Set Specific Goals

Let's turn a vague wish into a clear, SMART goal.

- **Spiritual Goal:**
 - o **Vague:** "I want to know the Bible."
 - o **SMART:** "I will read one story from my Bible storybook every Saturday and Sunday morning before breakfast until the end of the term."
- **Academic Goal (Preparing for Secondary School):** o **Vague:** "I want to be good at Maths." o **SMART:** "I will practice and memorize all my multiplication tables from 6 to 12 by practicing for 15 minutes every day for the next four weeks."

2. The Power of Writing Goals Down

- The Bible tells us in Habakkuk 2:2: "Write the vision and make it plain on tablets, that he may run who reads it."
- **Why write it?** a. It helps you remember your goal. b. It makes the goal clear in your mind. c. You can look at it often to remind yourself, just like looking at a map on a journey.

3. Seek God's Guidance First

We should not set goals alone. We should ask God for wisdom.

- Proverbs 3:5-6 says: "Trust in the Lord with all your heart, and lean not on your own understanding; in all your ways acknowledge Him, and He shall direct your paths."

- This means: Tell God about your plans, ask Him if they are good, and trust Him to guide your steps.

4. Keys to Achieving Goals: Commitment and Perseverance

- **Commitment:** This means deciding to stick to your plan. Even when you feel lazy and don't want to read, you do it because you are committed. It's like promising yourself and keeping that promise.
- **Perseverance:** This means not giving up when it gets hard. Nehemiah faced enemies who mocked him and tried to fight him, but he persevered until the wall was built. If you fail a test, perseverance means studying harder for the next one instead of quitting.
- **Review:** Check your goals regularly. Ask: "Am I doing it? Do I need to ask for help? Should I adjust my plan?"

EVALUATION

1. Why is it helpful to write down your goals?
2. Complete this verse: "Trust in the Lord with all your heart, and lean not on..."
3. What does perseverance mean?
4. Give an example of a specific spiritual goal for a primary 6 pupil.
5. According to Proverbs 3:6, who will direct our paths if we acknowledge Him?

ASSIGNMENT

1. **(Short Written Task):** Write down three specific goals you want to achieve before you finish Primary 6 (one spiritual, one academic, one personal).
2. **(Practical Task):** Copy the Bible verse Habakkuk 2:2 neatly into your notebook.
3. **(Oral/Prayer Task):** Say a short prayer, asking God to give you the strength and commitment to achieve one of your goals.

WEEK 11: REVISION

1. Recall the story of Paul's conversion.
2. Retell the events of Paul's first missionary journey.

PRIMARY 6 CHRISTIAN RELIGIOUS STUDIES LESSON NOTES

SECOND TERM

WEEK 1: PAUL'S MISSIONARY JOURNEYS - SECOND JOURNEY I

OBJECTIVES By the end of the lesson, pupils should be able to:

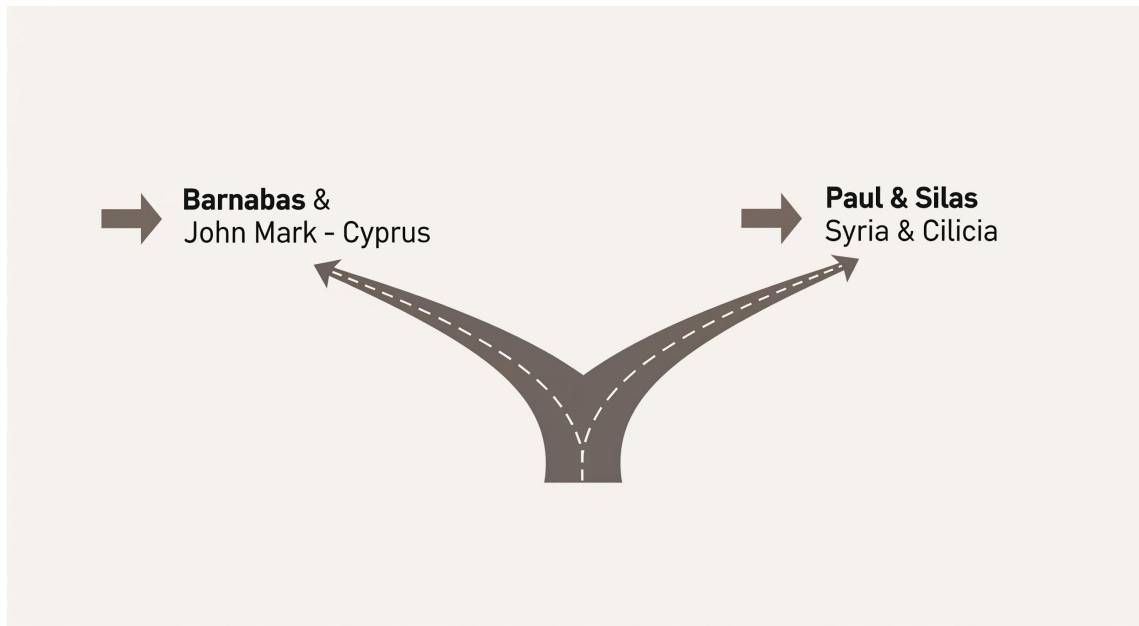

1. Explain why Paul and Barnabas separated.
2. Identify Paul's new partner for the second missionary journey.
3. Narrate the vision of the man from Macedonia.
4. State the importance of following God's guidance.

CONTENT

1. Separation of Paul and Barnabas

After the first journey, Paul suggested to Barnabas that they should go back and visit all the new believers in the cities they had preached in.

- **The Disagreement:** Barnabas wanted to bring his cousin, John Mark, along again. But Paul strongly disagreed. He remembered that John Mark had left them and gone back home during the first journey (Acts 13:13). Paul felt John Mark was not ready for the difficult work ahead.
- **The Result:** Their argument became so sharp that they decided to work separately. This teaches us that even good people can disagree. o Barnabas (whose name means "Son of Encouragement") took John Mark and sailed to Cyprus, his home country, to encourage him. o Paul chose a new partner, Silas, and traveled over land through Syria and Cilicia, strengthening the new churches there.

2. Timothy Joins the Team

- Paul and Silas came to Lystra, the same city where Paul had been stoned and left for dead. There, they met a young man named Timothy.
- Timothy was well-spoken of by the local believers. His mother, Eunice, was a Jewish Christian, and his grandmother, Lois, had also taught him the scriptures from childhood (2 Timothy 1:5). His father was Greek.
- Paul saw great potential in Timothy. He invited him to join their missionary team. Timothy became like a spiritual son to Paul.

3. The Vision of the Man from Macedonia

- Paul, Silas, and Timothy felt led to preach in the regions of Asia and Bithynia, but something amazing happened. The Holy Spirit did not allow them to go. God closed those doors.
- They went to the coastal city of Troas, wondering where God wanted them to go next.
- **The Vision:** That night, Paul had a clear vision. He saw a man from Macedonia (a region in Europe) standing and begging him, "Come over to Macedonia and help us."

- Paul immediately understood this was God's new direction. For the first time, the gospel was going to cross from Asia into Europe.

4. Following God's Guidance

- Paul's team shows us how to follow God: a. They tried to go where they thought was good. b. They listened when God said "No" or "Stop." c. They waited for God's new direction. d. They obeyed immediately when God said "Go."
- This is like when your parents tell you not to go to a certain place (God's "No"), and then later show you a better, safer path to take (God's "Go").

EVALUATION

1. What was the main reason Paul did not want to take John Mark on the second journey?
2. Who did Paul choose as his new travelling partner after separating from Barnabas?
3. In which city did Paul meet and invite young Timothy to join his team?
4. Describe what Paul saw and heard in his vision at Troas.
5. What important lesson do we learn from how Paul's team responded when the Holy Spirit stopped them from going to Asia?

ASSIGNMENT

1. **(Short Written Task):** Read Acts 16:9-10. Write one sentence about what Paul and his team did immediately after he saw the vision.
2. **(Oral/Reasoning Task):** Discuss with a classmate: Is it always wrong to have a disagreement like Paul and Barnabas did? What can we learn from how they handled it?
3. **(Drawing/Practical Task):** Draw a simple map. Label "Troas" on one side (Asia) and "Macedonia" on the other side (Europe). Draw an arrow from Troas to Macedonia to show the new direction.

WEEK 2: PAUL'S MISSIONARY JOURNEYS - SECOND JOURNEY II

OBJECTIVES By the end of the lesson, pupils should be able to:

1. Identify the first convert in Europe (Lydia).
2. Narrate the story of the slave girl with the spirit of divination.
3. Describe the events that led to the jailer's conversion.
4. Mention two cities Paul visited in Greece.

CONTENT

1. Lydia's Conversion in Philippi

Paul's team sailed to Philippi, a major city in Macedonia (Europe).

- On the Sabbath day, they went outside the city gate to the riverside, where people gathered to pray.
- Paul spoke to the women there. One was named Lydia. She was a seller of purple cloth. Purple dye was very expensive, so Lydia was a successful businesswoman.
- As Paul preached, the Lord opened Lydia's heart to listen and believe. She and all the members of her household were baptized. She then generously invited Paul and his team to stay in her home. Lydia became the first Christian convert in

Europe.

2. The Slave Girl and Imprisonment

- A slave girl who had a spirit of divination (a demon that let her tell fortunes) followed Paul and Silas for many days. She kept shouting, "These men are servants of the Most High God, who proclaim to us the way of salvation."
- Although her words were true, Paul knew the spirit inside her was evil. He became troubled. Finally, he turned and commanded the spirit "In the name of Jesus Christ, come out of her." And it left immediately.
- The girl's owners were furious. They made a lot of money from her fortune-telling. Now their "business" was ruined. They dragged Paul and Silas to the city authorities, accused them of causing trouble, and had them severely beaten and thrown into prison.

3. The Midnight Miracle and the Jailer's Conversion

- Around midnight, despite their painful wounds and being in stocks, Paul and Silas were praying and singing hymns to God. The other prisoners were listening.
- Suddenly, a violent earthquake shook the prison! All the doors flew open, and everyone's chains came loose.
- The jailer woke up, saw the open doors, and thought all the prisoners had escaped. He was about to kill himself because the punishment for losing prisoners was death.
- But Paul shouted, "Don't harm yourself! We are all here!"
- The jailer, trembling, brought them out and asked the most important question: "Sirs, what must I do to be saved?"
- They replied, "Believe in the Lord Jesus, and you will be saved—you and your household." That very night, the jailer and his whole family believed, were baptized, and

showed kindness to Paul and Silas by washing their wounds.

4. Preaching in Other Greek Cities

After being released from prison, Paul continued to:

- **Thessalonica:** Preached in the synagogue; some believed but others started a riot.
- **Berea:** The people were more noble; they listened eagerly and examined the Scriptures daily to see if Paul's teaching was true.
- **Athens:** Preached at the Areopagus about the "Unknown God."
- **Corinth:** Stayed there for 18 months, working as a tentmaker and teaching.

EVALUATION

1. Who was the first person to believe in Jesus in Europe, and what was her job?
2. Why did Paul command the spirit to come out of the slave girl, even though she was telling the truth about them?
3. What were Paul and Silas doing in prison just before the earthquake?
4. What was the jailer's urgent question after the earthquake?
5. Name one other city in Greece where Paul preached after leaving Philippi.

ASSIGNMENT

1. **(Short Written Task):** Write out Acts 16:31 from your Bible ("Believe in the Lord Jesus...") neatly in your notebook.
2. **(Oral/Reasoning Task):** Explain to a friend why the slave girl's owners were so angry, even though Paul had done a good thing by healing her.
3. **(Drawing/Practical Task):** Draw a simple picture showing the moment in prison: broken chains on the floor, an open door, and Paul stopping the jailer.

WEEK 3: PAUL'S MISSIONARY JOURNEYS - THIRD JOURNEY

OBJECTIVES By the end of the lesson, pupils should be able to:

1. Describe Paul's ministry in Ephesus.
2. Narrate the miracle of raising Eutychus from the dead.
3. Explain why there was a riot in Ephesus.
4. Summarize Paul's farewell message to the Ephesian elders.

CONTENT

1. Powerful Ministry in Ephesus

Paul spent about three years in Ephesus, one of his longest stays in any city.

- God did extraordinary miracles through Paul. Even pieces of cloth (handkerchiefs or aprons) that had touched his skin were taken to sick people, and their illnesses left them.
- Many who had practiced sorcery (witchcraft and magic) became believers. To show they had truly changed, they gathered their expensive magic scrolls and burned them publicly in front of everyone. This was a powerful sign of repentance.

2. The Riot in Ephesus

- The city of Ephesus was famous for the temple of the goddess Artemis (or Diana), a huge idol made of silver and stone.
- A silversmith named Demetrius made a lot of money selling small silver models of this temple. Paul's preaching was very successful, turning many people away from idol worship.
- Demetrius called a meeting of all the craftsmen. He said, "Our business is in danger! This Paul is telling people that gods made by human hands are no gods at all!" He stirred up the whole city into a confused uproar. For two hours, the crowd shouted, "Great is Artemis of the Ephesians!"
- This shows that when the gospel succeeds, it can upset those who profit from sin or false beliefs.

3. Raising Eutychus from the Dead

- On his way back to Jerusalem, Paul stopped at Troas. On the first day of the week (Sunday), the believers gathered to break bread and listen to Paul preach.
- Paul talked until midnight. A young man named Eutychus, sitting in a window, fell into a deep sleep. He fell down from the third floor and was picked up dead.
- Paul went down, threw his arms around him, and said, "Don't be alarmed; he's alive!" Eutychus came back to life, and Paul went back upstairs, broke bread, ate, and continued talking until daylight! This miracle showed God's life-giving power through Paul.

4. A Tearful Farewell to the Ephesian Elders

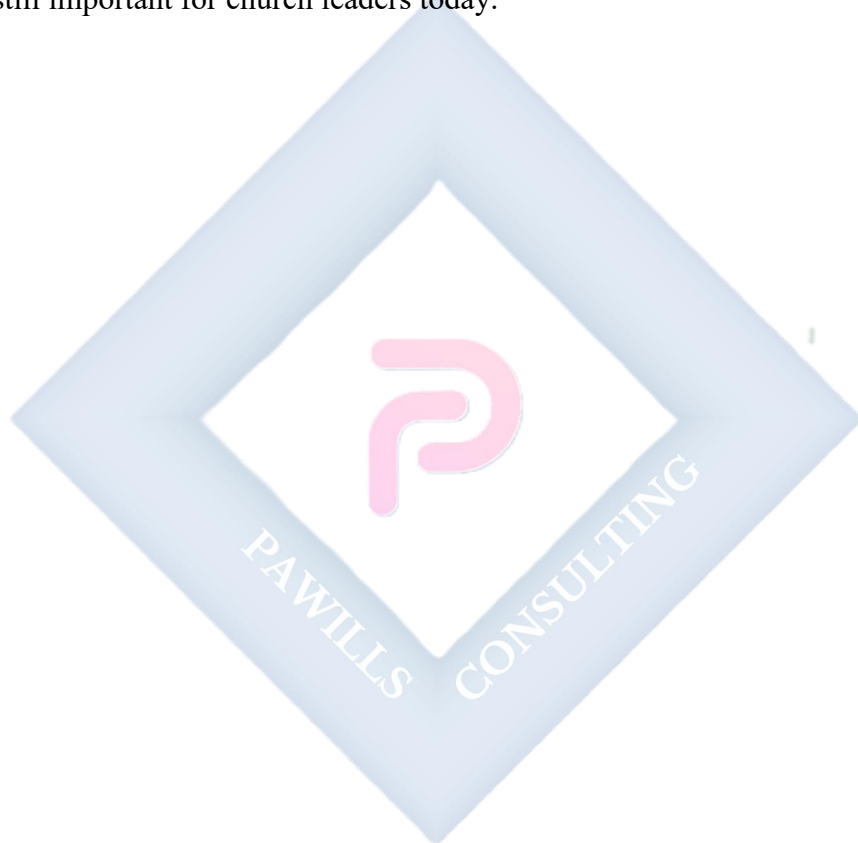

- Paul called the leaders (elders) of the Ephesian church to meet him at Miletus. He gave them a heartfelt farewell speech.
- He told them he was going to Jerusalem, not knowing what would happen to him, except that the Holy Spirit warned him of prison and hardships.
- His main advice was: "Keep watch over yourselves and all the flock... Be shepherds of the church of God." He warned them about false teachers.
- When he finished, they all wept, hugged him, and kissed him. They were sad because he said they would never see his face again. Then they accompanied him to the ship.

EVALUATION

1. How long did Paul stay and teach in the city of Ephesus?
2. What did the former sorcerers do with their magic books, and why was this significant?
3. Who was Demetrius, and why did he start a riot against Paul?
4. What happened to Eutychus during Paul's long sermon, and how was the situation resolved?
5. Why did the Ephesian elders cry when Paul said goodbye?

ASSIGNMENT

1. **(Short Written Task):** Read Acts 19:11-12. In your own words, describe the special miracles God did through Paul in Ephesus.
2. **(Oral/Practical Task):** With a partner, discuss one reason why it might be difficult to destroy something valuable (like the magic scrolls) when you decide to follow Jesus completely.
3. **(Short Written Task):** Write one sentence of advice Paul gave to the Ephesian elders that is still important for church leaders today.

WEEK 4: PAUL'S JOURNEY TO ROME AND IMPRISONMENT

OBJECTIVES By the end of the lesson, pupils should be able to:

1. Explain why Paul was arrested in Jerusalem.
2. Narrate the story of the shipwreck on the way to Rome.
3. Describe the miracle on the island of Malta.
4. State what Paul did while under house arrest in Rome.

CONTENT

1. Arrest and Trials in Jerusalem

- When Paul returned to Jerusalem, some Jews from Asia saw him in the temple. They falsely accused him of bringing Gentiles (non-Jews) into the temple's inner court, which was forbidden. A violent mob dragged him out and tried to kill him.
- Roman soldiers rescued him and placed him under protective custody. Paul used his rights as a Roman citizen to get a fair trial. He defended himself before the Jewish Council, Governor Felix, and King Agrippa.
- When he saw he wouldn't get a fair trial in Jerusalem, Paul used his most powerful right as a citizen: he appealed to Caesar (the Emperor in Rome). This meant his case would be transferred to the highest court in the empire.

2. The Terrifying Shipwreck

- Paul was put on a ship with other prisoners, bound for Rome.
- During the voyage, a dangerous season for sailing arrived. Paul warned the crew, "Men, I can see that our voyage will be disastrous." But they did not listen.
- A hurricane-force wind called the "Northeaster" (Euroclydon) struck the ship. They were driven along for 14 days in the storm, losing all hope of being saved.
- But an angel of God appeared to Paul and told him, "Do not be afraid, Paul. You must stand trial before Caesar; and God has graciously given you the lives of all who sail with you."

- Just as the angel said, the ship eventually ran aground on a sandbar and broke apart near an island. All 276 people on board swam or floated to shore safely. God protected Paul and everyone with him.

3. Miracle on the Island of Malta

- The island was called Malta. The local people showed them unusual kindness and lit a fire because it was cold and rainy.
- As Paul gathered a bundle of sticks for the fire, a viper (a poisonous snake), driven out by the heat, bit him on the hand.
- The islanders saw this and thought, "This man must be a murderer. Justice has caught up with him!" They expected him to swell up or drop dead.
- But Paul simply shook the snake off into the fire and suffered no ill effects. After waiting a long time, the people were amazed and changed their minds, saying he was a god.

Paul by a campfire. A snake is falling from his hand back into the flames. Islanders are watching with surprised faces.

4. Fruitful Imprisonment in Rome

- When Paul finally arrived in Rome, he was allowed to rent his own house but was guarded by a soldier at all times. This was called house arrest.

- For two full years, he welcomed everyone who came to see him. He boldly preached the Kingdom of God and taught about the Lord Jesus Christ to all visitors—Jews, Gentiles, soldiers, and anyone else.
- Even in chains, Paul was productive. He wrote several letters which are now books of the New Testament, like Ephesians, Philippians, Colossians, and Philemon. These are called the "Prison Epistles."

EVALUATION

1. What was the false accusation that led to Paul's arrest in Jerusalem?
2. What important legal right did Paul use to get his trial moved to Rome?
3. What promise did God give Paul during the terrible storm at sea?
4. What did the people of Malta think when the snake bit Paul, and what proved them wrong?
5. How did Paul spend his time during his two years of house arrest in Rome?

ASSIGNMENT

1. **(Drawing/Practical Task):** Draw a simple scene showing the miracle on Malta: a campfire, a snake, and Paul unharmed.
2. **(Short Written Task):** Name two books of the Bible that Paul wrote while he was a prisoner in Rome.
3. **(Oral/Reasoning Task):** Explain to a classmate: How can Paul's time in Rome encourage someone who is sick at home or unable to move around freely?

WEEK 5 & 6: MIDTERM EXAMINATION AND BREAK

WEEK 7: DECISION MAKING I

OBJECTIVES By the end of the lesson, pupils should be able to:

1. Define decision-making.
2. Give two Biblical examples of good decisions.
3. Explain the decision Ruth made.
4. Identify two factors that affect how we make decisions.

CONTENT

1. What is Decision Making?

- Decision-making is the act of choosing between two or more possible options. We make decisions every day, from small ones like "What will I wear?" to big ones like "How will I treat my friend who hurt me?"
- Some decisions have small consequences, while others can change the direction of our lives. Learning to make good decisions is a very important skill.

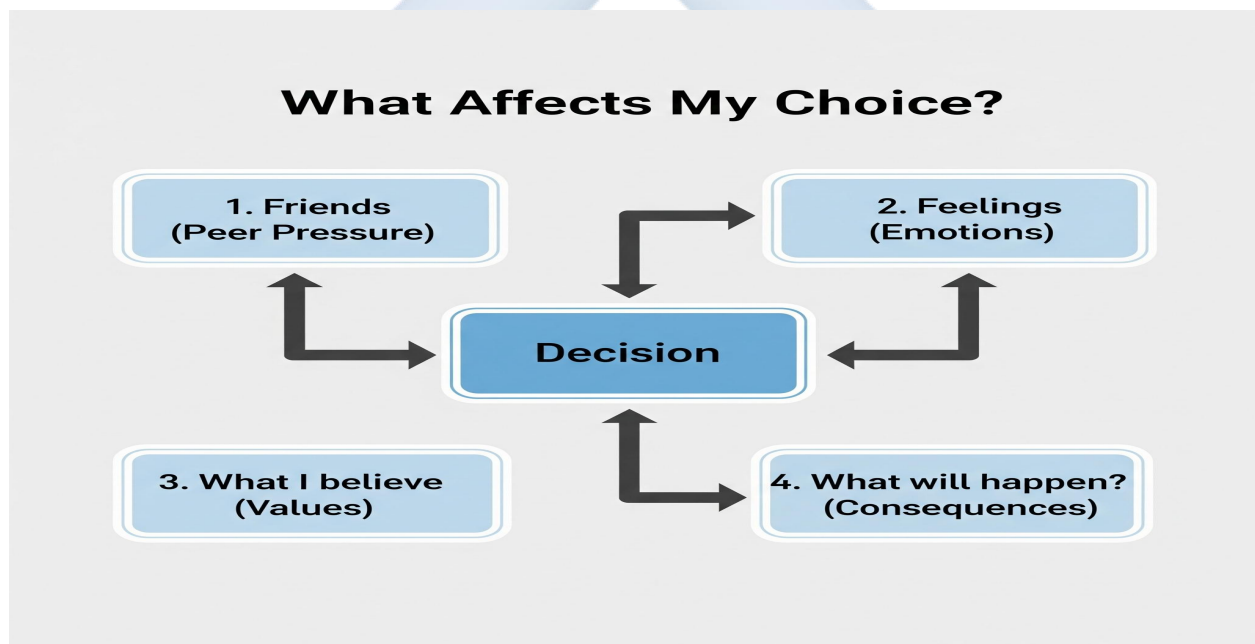

2. Biblical Examples of Good Decisions

- **Joshua's Decision (Joshua 24:15):** After leading the Israelites into the Promised Land, Joshua challenged the people to choose whom they would serve—the foreign gods or the Lord. He declared his own choice: "But as for me and my household, we will serve the Lord." This was a public, courageous decision to follow God.
- **Daniel's Decision (Daniel 1:8):** As a young captive in Babylon, Daniel was offered the king's rich food and wine. He "resolved not to defile himself." He decided to obey God's dietary laws instead. He proposed a test (eating vegetables and water) and God blessed him with better health than the others. This was a decision to obey God in a difficult situation.
- **Ruth's Decision (Ruth 1:16-17):** After her husband died, Ruth's mother-in-law, Naomi, told her to go back to her own family in Moab. Ruth made a beautiful, loyal decision. She said to Naomi: "Where you go I will go, and where you stay I will stay. Your people will be my people and your God my God." She chose family loyalty and faith in the true God over returning to her old life.

3. Factors That Affect Our Decisions

Many things can push us to choose one way or another:

- **Peer Pressure:** Doing something because your friends are doing it, even if you know it's wrong. Example: Your friends are teasing another pupil; do you join in?
- **Emotions:** Making a choice when you are very angry, very excited, or very sad. Strong feelings can cloud our judgment. Example: Saying a hurtful word in anger.
- **Values and Beliefs:** What you believe is right and wrong, often taught by your family, faith, and conscience. Example: Choosing not to cheat because you believe honesty is important.
- **Consequences:** Thinking about what might happen after you make a choice. Example: Choosing to play instead of doing homework might lead to punishment or poor grades.

EVALUATION

1. What does the term "decision-making" mean?
2. What was Joshua's famous declaration about who his family would serve?
3. What specific thing did Daniel decide not to do in Babylon, and why?
4. What two important promises did Ruth make to Naomi in her decision?
5. Give one example of how "peer pressure" can influence a pupil's decision at school.

ASSIGNMENT

1. **(Short Written Task):** Read Ruth 1:16-17. Copy Ruth's promise to Naomi into your notebook.
2. **(Oral/Practical Task):** Tell a family member about a time you had to make a difficult choice (e.g., telling the truth, sharing your snack). What did you decide and why?
3. **(Short Written Task):** What is one lesson you can learn from Daniel about making a good decision when you are under pressure to fit in?

WEEK 8: DECISION MAKING II

OBJECTIVES By the end of the lesson, pupils should be able to:

1. List four steps in making a good decision.
2. Explain the importance of prayer in decision-making.
3. Quote Proverbs 15:22 regarding counsel.
4. State the danger of hasty decisions.

CONTENT

1. Steps for Making Good Decisions

To avoid mistakes, follow these steps like a guide or recipe:

1. **Identify the Problem:** What exactly do I need to decide? Be clear. Example: "I need to decide how to use my free time this Saturday."
2. **Gather Information:** Get the facts. Example: "Do I have any homework? What chores need to be done? What are my options for fun?"
3. **Think of Your Options:** List the different choices you could make. Example: Option A: Play football all day. Option B: Finish homework and chores first, then play.
4. **Consider the Consequences:** What will likely happen for each option? Think about the results for yourself and others. Example: Option A might lead to unfinished work and trouble. Option B leads to peace of mind and free time later.
5. **Seek Wise Counsel:** Talk to people you trust—parents, teachers, a pastor. Proverbs 15:22 says, "Plans fail for lack of counsel, but with many advisers they succeed."
6. **Pray for Guidance:** Ask God for wisdom. James 1:5 says God gives wisdom generously to those who ask. Ask for peace about the right choice.
7. **Make Your Decision and Act:** Choose the best option and follow through with it.

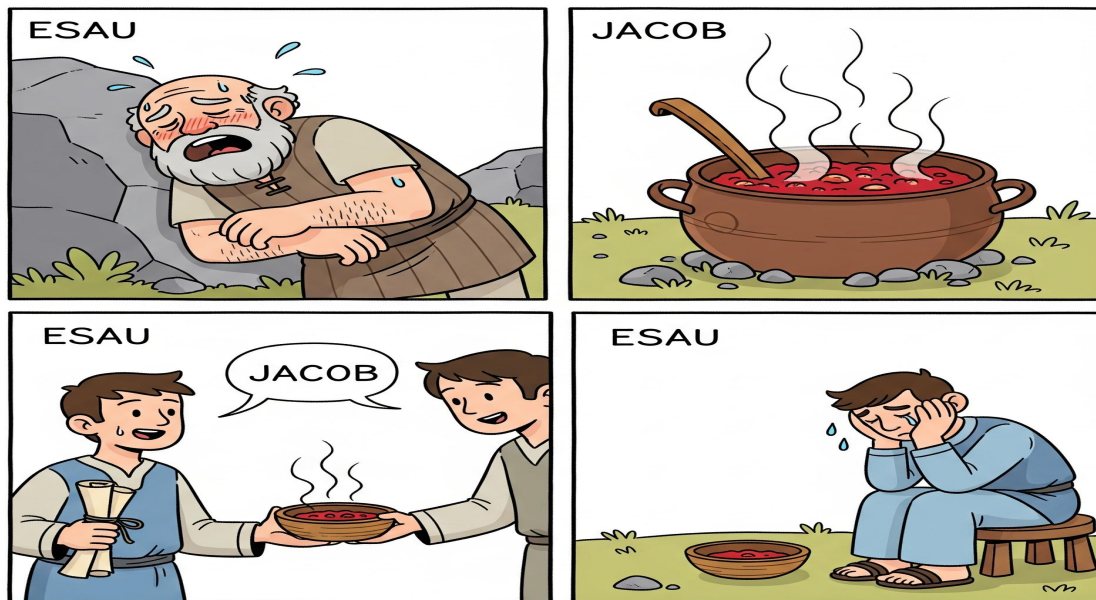

2. The Role of Prayer and the Holy Spirit

- As Christians, we are not alone. We have the Holy Spirit as our Helper and Guide.
- Before making an important decision, pause to pray. Ask God to help you see clearly.

- Sometimes, God gives a sense of peace in your heart about the right choice. If you feel confused, restless, or a "check" in your spirit, it might be a sign to wait or rethink.

3. The Danger of Hasty Decisions

- The Bible warns against rushing into decisions. Proverbs 21:5 says, "The plans of the diligent lead to profit as surely as haste leads to poverty."
- **Example of Esau (Genesis 25:29-34):** Esau came home very hungry from hunting. His brother Jacob was cooking stew. Esau made a hasty, foolish decision. He sold his precious birthright (his special rights as the firstborn son) to Jacob for just a bowl of stew. Later, he regretted it deeply, but it was too late. He let his immediate hunger (emotion) control him.

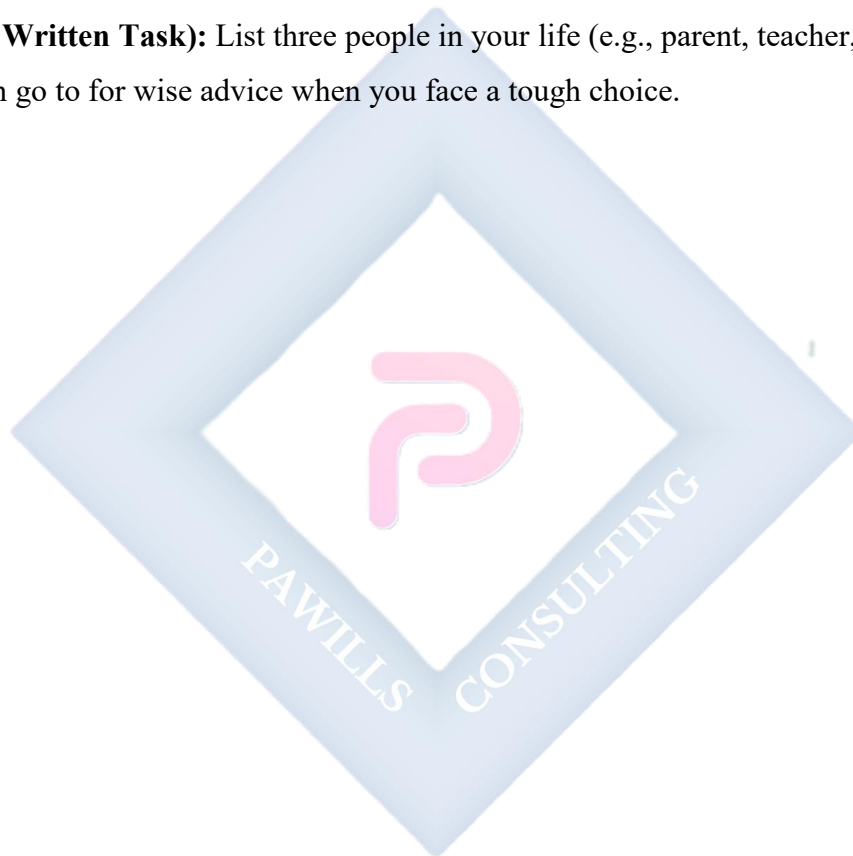

EVALUATION

1. What is the first step you should take when you need to make a decision?
2. Complete this Bible verse: "Plans fail for lack of counsel, but with many _____ they succeed." (Proverbs 15:22)
3. Why is it important to pray before making an important choice?
4. Who in the Bible made a hasty decision to sell his birthright, and what did he sell it for?

5. What might it mean if you feel a sense of "peace" in your heart after praying about a decision?

ASSIGNMENT

1. **(Practical Task):** Think of a real decision you need to make soon (e.g., choosing an after-school activity, how to settle a quarrel with a friend). Write it down and apply the first three decision-making steps to it.
2. **(Memory Task):** Memorize Proverbs 3:5-6 ("Trust in the Lord with all your heart...").
3. **(Short Written Task):** List three people in your life (e.g., parent, teacher, senior sibling) you can go to for wise advice when you face a tough choice.

WEEK 9: CHOOSING A CAREER I

OBJECTIVES By the end of the lesson, pupils should be able to:

1. Define the term "Career."
2. Identify Biblical characters and their careers.
3. Explain that God has a purpose for everyone.
4. List three examples of modern careers.

CONTENT

1. Understanding Career and God's Purpose

- A **Career** is a job or profession that a person does for a significant part of their life. It usually requires learning, skill, and training. It is more than just a way to earn money; it is a way to use your talents to contribute to the world.
- **God Has a Plan:** The Bible tells us that God knows the plans He has for us (Jeremiah 29:11). You are not an accident. God created you with unique talents, interests, and abilities. Romans 12:6-8 says we all have different gifts—some to teach, some to serve, some to encourage, etc. Your future career is a way to use those gifts for God's glory.

2. Biblical Examples of Careers

People in the Bible had different jobs. They served God through their work:

BIBLE CHARACTER AND THEIR CAREER/WORK

	JOSEPH		GOVERNOR / ADMINISTRATOR
	DANIEL		GOVERNMENT OFFICIAL
			CUPBEARER / CITY BUILDER
	NEHEMIAH		
	LUKE		DOCTOR
	PAUL		TENTMAKER & PREACHER
	DAVID		SHEPHERD & KING
	PRISCILLA & AQUILA		TENTMAKERS

- **Joseph:** He was an administrator. He managed Egypt's food supply during a famine, saving many lives.
- **Daniel:** He was a high-ranking government official in Babylon, known for his wisdom and integrity.
- **Nehemiah:** He was the king's cupbearer (a trusted security officer) who later used his leadership skills to rebuild Jerusalem's walls.
- **Luke:** He was a medical doctor (Colossians 4:14). He used his skills to care for people and also wrote the Gospel of Luke.
- **Paul:** He was a preacher and apostle, but he also worked as a tentmaker to support himself and not be a burden to new churches.

3. Serving God in Any Career

You do not have to become a pastor or missionary to serve God. You can serve Him in any good and honest profession.

- A Christian doctor serves God by healing the sick with compassion.
- A Christian teacher serves God by shaping young minds with truth and love.
- A Christian trader serves God by being honest in business.
- A Christian engineer serves God by building safe and useful things for society.

EVALUATION

1. What is a career?
2. According to Jeremiah 29:11, who has good plans for your future?
3. What was the profession (job) of Luke, the writer of the Gospel?
4. What skill did Paul have that he used to support himself while preaching?
5. True or False: Only pastors and evangelists can truly serve God.

ASSIGNMENT

1. **(Drawing/Practical Task):** Draw the tools or symbols for two different careers (e.g., a stethoscope for a doctor, a scale of justice for a lawyer, a book for a teacher).

2. **(Short Written Task):** Read Romans 12:6-8. List two of the gifts mentioned in those verses.
3. **(Oral/Reflective Task):** Talk to your parent or guardian: "What do you think I am good at? What kind of work do you see me doing when I grow up?" Write down their answer.

WEEK 10: CHOOSING A CAREER II

OBJECTIVES By the end of the lesson, pupils should be able to:

1. List four factors to consider when choosing a career.
2. Explain the importance of education in career preparation.
3. Quote Colossians 3:23 regarding work.
4. Differentiate between secular work and church ministry.

CONTENT

1. Factors to Consider When Choosing a Career

As you begin to think about your future, here are some important things to consider:

- **Your Interests:** What do you enjoy doing? Do you love drawing, solving maths problems, taking care of animals, or helping people? Your career should involve something you like.
- **Your Abilities and Talents:** What are you naturally good at? Are you good at speaking, organizing things, fixing items, or understanding how things work? God often calls us to work we are gifted for.
- **The Needs of Society:** What problems need solving in your community or country? We need faithful doctors, honest engineers, creative farmers, and good leaders. Choose a career that helps others.
- **God's Guidance:** This is the most important factor. Pray and ask God to direct your path (Proverbs 3:5-6). Your career should fit with God's purpose for your life.

2. The Importance of Education and Preparation

- Your education is the foundation for your future career. The subjects you study in Primary 6 and secondary school open doors to different paths.
- **Transition to Secondary School:** This is your first major step in career preparation. Doing well in JSCE and SSCE is crucial.
- Different careers need different subjects:
 - o **Science-based careers (Doctor, Engineer, Pilot):** Need Mathematics, English, Physics, Chemistry, Biology.
 - o **Arts-based careers**

(Lawyer, Journalist, Artist): Need English, Literature, Government, History. o
Commercial careers (Accountant, Banker, Business Owner): Need Mathematics, English, Economics, Accounting.

CAREER GROUP COMPARISON

 S.T.E.M. CAREERS	EXAMPLE JOBS Software Developer, Civil Engineer, Data Scientist	IMPORTANT SUBJECTS Mathematics, Physics, Computer Science
 HEALTHCARE CAREERS	EXAMPLE JOBS Nurse Practitioner, Pharmacist, Physical Therapist	IMPORTANT SUBJECTS Biology, Chemistry, Health Sciences
 BUSINESS & FINANCE CAREERS	EXAMPLE JOBS Marketing Manager, Accountant, Financial Analyst	IMPORTANT SUBJECTS Economics, Business Studies, Statistics

3. Working with Excellence for God

- Whatever career you choose, the Bible instructs us: "Whatever you do, work at it with all your heart, as working for the Lord, not for human masters" (Colossians 3:23).
- This means whether you are a surgeon performing an operation or a cleaner sweeping a floor, do your best. Your work is an act of worship when done with integrity and excellence.

4. Secular Work vs. Church Ministry

- **Church Ministry:** These are careers directly focused on church work, like Pastors, Evangelists, Missionaries, Christian Education Directors.

- **Secular Work:** These are all other honest professions in the world, like Teachers, Nurses, Farmers, Engineers, Tailors, Programmers.
- Both are valuable to God! We need Christians filled with the Holy Spirit in every field to be salt and light, showing God's love and principles in hospitals, schools, courts, and markets.

EVALUATION

1. Mention two personal factors you should think about when considering a future career.
2. Why is your performance in primary and secondary school so important for your future career?
3. What does Colossians 3:23 say about how we should do our work?

5. Which group of school subjects would be most important for someone who wants to be a pilot?

ASSIGNMENT

PRIMARY 6 CHRISTIAN RELIGIOUS STUDIES LESSON NOTES

THIRD TERM

WEEK 1: THE VALUE OF HARD WORK I

OBJECTIVES By the end of the lesson, pupils should be able to:

1. Define hard work.
2. Narrate how God introduced work in the Garden of Eden.
3. Quote or explain 2 Thessalonians 3:10 ("If anyone will not work, neither shall he eat").
4. Describe the lessons we can learn from the ant (Proverbs 6:6).

CONTENT

1. What is Hard Work?

- Hard work means putting in your full effort, energy, and time to complete a task well. It is the opposite of laziness. It means not giving up easily, even when the job is difficult or tiring.
- **Example:** Studying for your exams instead of just watching television is hard work. Helping your parents to fetch water or sweep the compound is hard work.

2. God's Original Design for Work

Work is not a punishment or a curse. It is a blessing and a responsibility given to us by God from the very beginning.

- **In the Garden of Eden (Genesis 2:15):** After creating the beautiful garden, God placed the first man, Adam, inside it. The Bible says God put him there "to work it and take care of it." Adam's job was to tend the plants, look after the animals, and keep the garden beautiful. This was before sin entered the world, showing that work is part of God's good plan for human beings.
- **God as a Worker:** God Himself worked for six days to create the universe and everything in it (Genesis 1). On the seventh day, He rested. So, working hard is a way we are like our Creator.

3. A Clear Bible Rule About Work

The Apostle Paul gave a very strong instruction to believers who were being lazy and depending on others for food.

- 2 Thessalonians 3:10 says, "For even when we were with you, we gave you this rule: 'The one who is unwilling to work shall not eat.'"
- **What does this mean?** It teaches personal responsibility. If a person is able to work but chooses to be idle and lazy, they should not expect others to feed them. Everyone who can, should contribute.

4. Learning from the Ant (Proverbs 6:6-8)

The Bible tells lazy people to go and learn from the tiny ant.

- **Lessons from the Ant:** a. **Self-Discipline:** The ant has "no commander, no overseer or ruler." No one stands over it to force it to work. It works on its own because it knows what needs to be done. We should be self-motivated to do our homework and chores. b. **Planning Ahead:** The ant "stores its provisions in summer and gathers its food at harvest." It works hard when food is plentiful (summer/harvest) to prepare for the time when there will be no food (winter). This teaches us to plan and prepare for the future. c. **Diligence:** It works hard without being lazy. [

- **Consequences of Laziness (Proverbs 10:4):** The Bible warns that "Lazy hands make for poverty, but diligent hands bring wealth." Laziness can lead to: o Poverty (not having enough). o Hunger. o Lack of respect from others. o Missing out on opportunities.

EVALUATION

1. What was the first job God gave to a human being, and where was it?
2. Complete this Bible rule: "If anyone will not work, neither shall he ____."
3. According to Proverbs, which insect should a lazy person study to become wise?
4. What is one thing the ant does that shows it plans for the future?
5. True or False: God created work as a punishment for sin.

ASSIGNMENT

1. **(Short Written Task):** Read Proverbs 6:6-8. In your notebook, list the three wise actions of the ant mentioned in these verses.
2. **(Practical/Observation Task):** Spend 5 minutes observing ants outside your home or school. Write one sentence about what they are doing (e.g., "They are carrying food," "They are working together in a line").
3. **(Oral/Practical Task):** Tell your teacher or parent three specific chores you do at home to help your family (e.g., washing plates, sweeping the room, fetching water).

WEEK 2: THE VALUE OF HARD WORK II

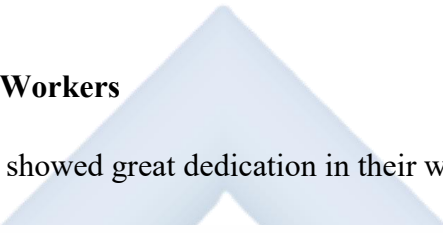

OBJECTIVES By the end of the lesson, pupils should be able to:

1. Identify three hardworking characters in the Bible.
2. Explain the meaning of "Working as unto the Lord" (Colossians 3:23).
3. Mention two rewards of hard work.
4. Explain why rest is important after work.

CONTENT

1. Biblical Examples of Hard Workers

The Bible is full of people who showed great dedication in their work.

Bible Character	Their Work	Key Lesson
Jacob	Shepherd for 14 years	Perseverance
Ruth	Gleaning in fields	Providing for family
Nehemiah	Rebuilding a wall	Leadership & teamwork
Paul	Tentmaker & Preacher	Not being a burden

- **Jacob (Genesis 29-31):** He agreed to work for his uncle Laban for 7 years to marry Rachel. He was tricked and had to work another 7 years. He worked as a shepherd,

enduring hot days and cold nights. This shows perseverance—not giving up even when things are unfair or difficult.

- **Ruth (Ruth 2):** After her husband died, she worked hard to provide for herself and her mother-in-law, Naomi. She went to the fields to glean (gather leftover grain) from morning till evening. Her hard work was noticed by Boaz, the field owner, who blessed and protected her.
- **Nehemiah (Nehemiah 4; 6):** He led the people to rebuild Jerusalem's broken wall in just 52 days! They worked with a tool in one hand and a weapon in the other, facing opposition. This shows hard work combined with courage and leadership.
- **Paul (Acts 18:3):** He was a powerful preacher, but he also worked with his hands as a tentmaker (making tents from animal skins). He did this so he wouldn't be a financial burden to the new churches. This teaches us independence and humility.

2. The Highest Motivation for Work: Colossians 3:23

- The Bible says: "Whatever you do, work at it with all your heart, as working for the Lord, not for human masters."
- **What does this mean for you?** It means: o When you are sweeping the classroom, do it well because you are doing it for Jesus. o When you are solving a math problem, do your best because you are serving God with your mind. o Your real "boss" or "supervisor" is God. This should make us do every job, big or small, with excellence and a good attitude.

3. Rewards of Hard Work

When we work hard with the right heart, good things follow:

- **Provisions:** Hard work leads to having your needs met (food, clothing, shelter).
- **Promotion and Recognition:** Like Joseph in Egypt, good work is often noticed and rewarded with more responsibility.
- **Personal Satisfaction:** There is a good feeling that comes from finishing a difficult task well.
- **God's Blessing:** God honors diligence. Proverbs 22:29 says, "Do you see someone skilled in their work? They will serve before kings."

4. The Importance of Rest

God Himself worked and then rested (Genesis 2:2). Hard work must be balanced with proper rest.

- **Why we need rest:** a. Our bodies and minds need to recover and get strength for a new day. b. It prevents burnout (becoming too tired, sick, or frustrated). c. It allows time for worship, family, and prayer.
- A good rhythm is: Work diligently → Rest properly → Worship God.

EVALUATION

1. What ordinary job did Apostle Paul do to support himself while preaching?
2. How did Boaz react when he saw Ruth working hard in his field?
3. According to Colossians 3:23, who are we really working for when we do our chores or schoolwork?
4. What is one good feeling or result that comes from working hard?
5. Why did God rest on the seventh day, and what does that teach us?

ASSIGNMENT

1. **(Short Written Task):** Read Ruth 2:5-12. Write down one thing Boaz said to Ruth that showed he admired her hard work.
2. **(Practical/Art Task):** Write out Colossians 3:23 in your best handwriting and decorate the border of the page with drawings of different types of work (e.g., books, brooms, tools).
3. **(Oral/Reasoning Task):** Explain to a classmate why it is not good to work all the time without any rest or play. Give one reason.

WEEK 3: MODERATION IN CHRISTIAN LIFE I

OBJECTIVES By the end of the lesson, pupils should be able to:

1. Define moderation.
2. Identify "Self-control" (Temperance) as a fruit of the Spirit.
3. Explain how to practice moderation in eating and drinking.
4. Mention the danger of lack of moderation.

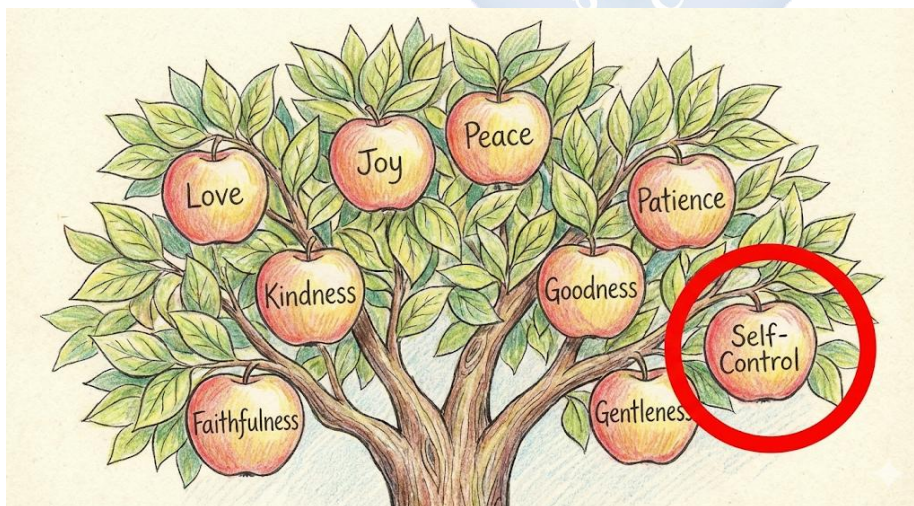

CONTENT

1. What is Moderation?

- Moderation means balance. It is avoiding extremes—not doing too much or too little of something. It is about having control over your choices and desires.
- **Bible Command:** Philippians 4:5 says, "Let your gentleness (or moderation) be evident to all." This means our balanced, self-controlled life should be visible to others.

2. The Source of Self-Control: The Holy Spirit

- True moderation comes from God's power in us. Self-control (also called temperance) is listed as a Fruit of the Holy Spirit in Galatians 5:22-23.
- This means when we have the Holy Spirit in our lives, He helps us to say "NO" to our wrong desires and "YES" to what is right and healthy.

3. Practicing Moderation in Eating and Drinking

- **God's Gift:** Food and drink are good gifts from God for our health and enjoyment.
- **The Danger of Excess:**
 - **Gluttony** is the sin of eating too much, simply for pleasure, without self-control. It can make us unhealthy and lazy.
 - **Drunkenness** is the sin of drinking alcohol to excess. The Bible strongly warns against it (Proverbs 23:20-21). It clouds our judgment and leads to foolish actions.
- **A Christian's Attitude:** We should "eat to live," not "live to eat." Our main purpose is to serve God, not to satisfy every craving. We should eat healthy food in the right amounts to keep our bodies strong for God's service.

4. Moderation in Entertainment and Play

- Playing games, watching TV, and using phones are not bad in themselves. They become a problem when they control us.
- **Lack of Moderation Looks Like:**
 - Playing video games for hours and forgetting to do homework, pray, or help at home.
 - Watching cartoons all afternoon when you have a test to study for.
- **Addiction:** This is when you cannot stop doing something even when you know you should. It means you have lost self-control.

EVALUATION

1. In simple terms, what does "moderation" mean?
2. Which fruit of the Holy Spirit gives us the power to say "no" to doing too much of something?
3. What is the name for the sin of overeating?
4. Complete this verse: "Let your _____ be evident to all." (Philippians 4:5).
5. If a pupil spends 6 hours daily on social media and fails his exams, what has he lacked?

ASSIGNMENT

1. **(Practical Task):** List three activities you enjoy (e.g., eating snacks, playing football, sleeping). Next to each, write one way you can practice moderation (e.g., "I will eat only one packet of chips per day").

2. **(Short Written Task):** Read Galatians 5:22-23. Write down all nine fruits of the Spirit from the verse.
3. **(Oral/Advice Task):** What kind and helpful advice would you give to a friend who eats sugary sweets every hour? (Hint: Talk about health and moderation).

WEEK 4: MODERATION IN CHRISTIAN LIFE II

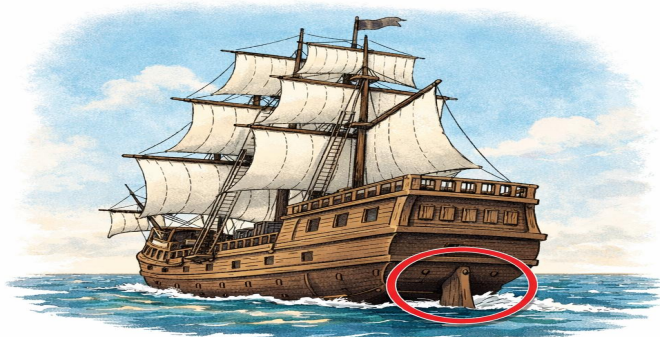

OBJECTIVES By the end of the lesson, pupils should be able to:

1. Explain moderation in speech (controlling the tongue).
2. Discuss moderation in the use of technology/social media.
3. Describe the athlete's example of self-discipline (1 Corinthians 9).
4. State the importance of setting boundaries.

CONTENT

1. Moderation in Speech: Taming the Tongue

- The book of James says the tongue is a small part of the body, but it is very powerful—like a small rudder that turns a huge ship or a tiny spark that sets a great forest on fire (James 3:4-5).
- **Moderation in speech means:**
 - o Thinking before you speak.
 - o Not talking too much or gossiping.
 - o Not using hurtful, angry, or dirty words (Ephesians 4:29).
 - o Knowing when to be quiet and listen (James 1:19).

**My tongue is like a rudder.
Small, but it controls
my whole life's direction.**

2. Moderation with Technology (Phones, TV, Internet)

- Technology is a useful tool for learning, communication, and godly entertainment.

- However, it can easily become a master that wastes our time and leads us away from God.
- **How to Practice Moderation:** a. **Set Time Limits:** "I will use my phone for only 1 hour after homework." b. **Choose Good Content:** Avoid videos, games, or chats that are violent, immoral, or foolish. c. **Prioritize:** God, family, schoolwork, and chores must come before screen time. d. **Have Tech-Free Time:** Designate times (like during meals or family devotions) where no one uses phones.

3. The Athlete's Discipline: 1 Corinthians 9:24-27

- Apostle Paul uses the picture of an athlete in a race.
- To win a prize, an athlete must train hard. They follow a strict diet, get enough sleep, and practice for hours. They say "no" to junk food and late nights so they can be at their best.
- Paul says, "I discipline my body and bring it under control." As Christians, we are in a spiritual race. We must exercise self-discipline in our habits, thoughts, and actions to win the eternal prize God has for us.

4. The Importance of Setting Boundaries

- Moderation requires setting personal rules or boundaries for yourself.
- **Examples of boundaries:** o "I will save half of my pocket money and spend half." o "I will finish all my homework before I go out to play." o "I will speak kindly, even when I am angry."
- Boundaries are not to punish you; they are to protect you and help you live a wise, balanced life that pleases God.

EVALUATION

1. According to James, what two small things does he compare the tongue to?
2. Why does an athlete in training avoid eating junk food and staying up late?
3. Give one practical rule a pupil can set to practice moderation with a smartphone.
4. What does Ephesians 4:29 tell us should not come out of our mouths?
5. What is one benefit of setting a simple boundary for yourself, like a spending limit?

ASSIGNMENT

1. **(Practical Challenge):** Try a "Technology Fast." Choose a 3-hour period this weekend (e.g., Saturday afternoon) where you do not watch TV or use a phone/tablet. Write down two other activities you did instead (e.g., read a book, draw, help cook, talk to family).
2. **(Short Written Task):** Read James 1:19. Write down what it says we should be quick to do, slow to do, and slow to become.
3. **(Drawing Task):** Draw a picture of an athlete (a runner) breaking the finish line tape with a big smile. Write the word "DISCIPLINE" at the top of your drawing.

WEEK 5 & 6: MIDTERM EXAMINATION AND BREAK

WEEK 7: TEMPTATION AND CORRUPTION I

OBJECTIVES By the end of the lesson, pupils should be able to:

1. Define temptation.
2. List the three sources of temptation.
3. Narrate the story of Jesus' temptation in the wilderness.
4. State whether being tempted is a sin.

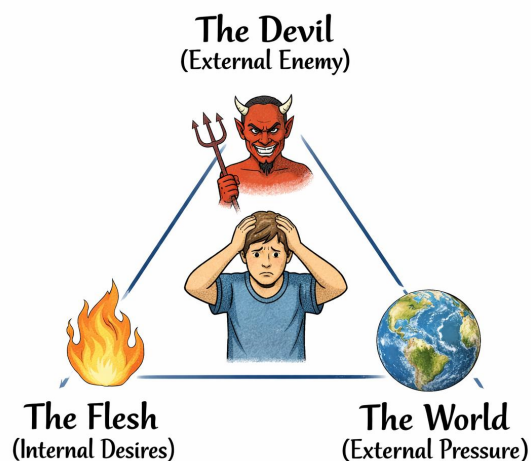

CONTENT

1. What is Temptation?

- Temptation is a strong urge, desire, or pressure to do something that you know is wrong or against God's will.
- **CRUCIAL TRUTH:** Being tempted is NOT a sin. Even Jesus was tempted. Sin only happens when we yield to (give in to) the temptation and actually do the wrong thing or think the wrong thought. Hebrews 4:15 says Jesus was "tempted in every way, just as we are—yet he did not sin."

2. The Three Sources of Temptation

The Bible shows us where temptations come from:

- **The Devil (Satan):** He is called "the tempter" (Matthew 4:3). He whispers lies to our minds, like "No one will see you," or "It's not that bad."
- **The World:** This is the pressure from the society and culture around us. It includes bad influences from friends (peer pressure), ungodly music, movies, and social media that make sin look normal and fun (1 John 2:15-16).
- **The Flesh:** This is our own sinful nature—the selfish desires inside us, like greed (wanting what isn't ours), pride (wanting to show off), anger, and lust.

3. Jesus' Victory Over Temptation (Matthew 4:1-11)

After fasting 40 days, Jesus was hungry. The devil came to tempt Him three times, but Jesus used Scripture (the Word of God) to defeat him every time.

1. **Temptation of Physical Desire:** "Turn these stones into bread." Jesus said: "Man shall not live on bread alone, but on every word that comes from the mouth of God."
2. **Temptation of Pride/Testing God:** "Jump from the temple; angels will save you." Jesus said: "Do not put the Lord your God to the test."
3. **Temptation of Power/Greed:** "Bow to me, and I'll give you all the kingdoms." Jesus said: "Away from me, Satan! For it is written: 'Worship the Lord your God and serve him only.'" The devil then left Him.

4. Common Temptations for Primary School Pupils

- To cheat in an exam or copy homework.
- To lie to a parent or teacher to avoid punishment.
- To steal a classmate's pencil, money, or snack.
- To disobey or talk back to parents or teachers.
- To bully or join in teasing another pupil.

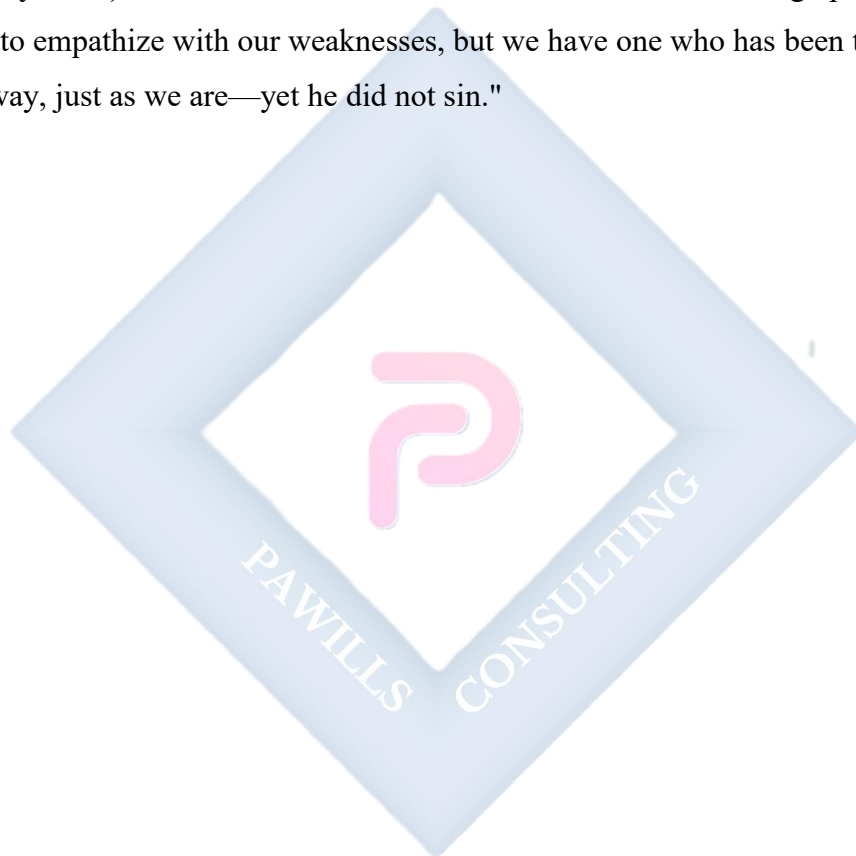

EVALUATION

1. Is it a sin to feel tempted to do something wrong? Why or why not?
2. Who is called "the tempter" in the Bible?
3. Name the three main sources of temptation.

4. What weapon did Jesus use three times to defeat the devil's temptations?
5. Give one example of a temptation a pupil might face on the playground.

ASSIGNMENT

1. **(Short Written Task):** Read Matthew 4:4. Write down the exact Bible verse Jesus used to answer the first temptation about bread.
2. **(Practical Task):** List two specific temptations you sometimes face at school or at home.
3. **(Memory Task):** Memorize Hebrews 4:15: "For we do not have a high priest who is unable to empathize with our weaknesses, but we have one who has been tempted in every way, just as we are—yet he did not sin."

WEEK 8: TEMPTATION AND CORRUPTION II

OBJECTIVES By the end of the lesson, pupils should be able to:

1. Narrate the story of Joseph and Potiphar's wife.
2. List three weapons to resist temptation.
3. Explain the promise in 1 Corinthians 10:13.
4. Discuss the importance of fleeing from temptation.

CONTENT

1. Joseph Flees from Temptation (Genesis 39)

Joseph was a handsome young man serving in the house of Potiphar, an Egyptian official.

- **The Repeated Temptation:** Potiphar's wife tried again and again to convince Joseph to sin with her (commit adultery). She spoke to him "day after day."
- **Joseph's Response:** He refused. He said, "How then could I do such a wicked thing and sin against God?" He recognized that sin is primarily against God.
- **The Final Encounter:** One day, she caught him by his cloak. Joseph did not stand and argue. He "ran out of the house" immediately, leaving his cloak behind.
- **The Lesson:** Sometimes, the wisest and strongest way to fight temptation is to **FLEE**—to run away physically from the person or situation. You cannot overcome some temptations by staying near them.

2. Practical Weapons to Resist Temptation

God gives us tools to stand strong:

- **Prayer:** Jesus taught us to pray, "Lead us not into temptation, but deliver us from the evil one" (Matthew 6:13). When you feel tempted, pray immediately!
- **God's Word (The Bible):** Memorize scriptures about purity, honesty, and courage. Like Jesus, use it to answer the devil's lies. Psalm 119:11 says, "I have hidden your word in my heart that I might not sin against you."
- **Godly Friends:** Choose friends who love God and will encourage you to do right, not pressure you to do wrong (Proverbs 13:20).
- **Fleeing:** Like Joseph, know when to just run away from a bad situation or a bad influence (2 Timothy 2:22).

3. God's Faithful Promise (1 Corinthians 10:13)

This is one of the most comforting verses about temptation:

- "No temptation has overtaken you except what is common to mankind. And God is faithful; he will not let you be tempted beyond what you can bear. But when you are tempted, he will also provide a way out so that you can endure it."
- **What it means:** a. Your temptation is not unique; others face it too. b. God is faithful—He will not abandon you. c. He will never allow a temptation that is too strong for you to handle with His help. d. He always provides a "way of escape"—a chance to say no, to leave, to call for help.

EVALUATION

1. Who tried to tempt Joseph to sin in Potiphar's house?
2. What did Joseph do when Potiphar's wife grabbed his clothing?
3. What are two "weapons" a Christian can use when facing temptation?
4. According to 1 Corinthians 10:13, what does God promise to provide every time we are tempted?
5. Why did Joseph say sinning would be wrong? (Who would he be sinning against?)

ASSIGNMENT

1. **(Drawing Task):** Draw a simple picture showing Joseph running out of a door, leaving a piece of cloth behind.
2. **(Short Written Task):** Write out the full verse of 1 Corinthians 10:13 in your notebook.
3. **(Practical/Prayer Task):** Write a short, honest prayer to God, asking Him to help you recognize the "way out" the next time you face a specific temptation.

WEEK 9: CORRUPTION I

OBJECTIVES By the end of the lesson, pupils should be able to:

1. Define corruption.
2. List three forms of corruption (bribery, theft, exam malpractice).
3. Narrate the story of Gehazi's greed.
4. Describe the consequences of corruption.

CONTENT

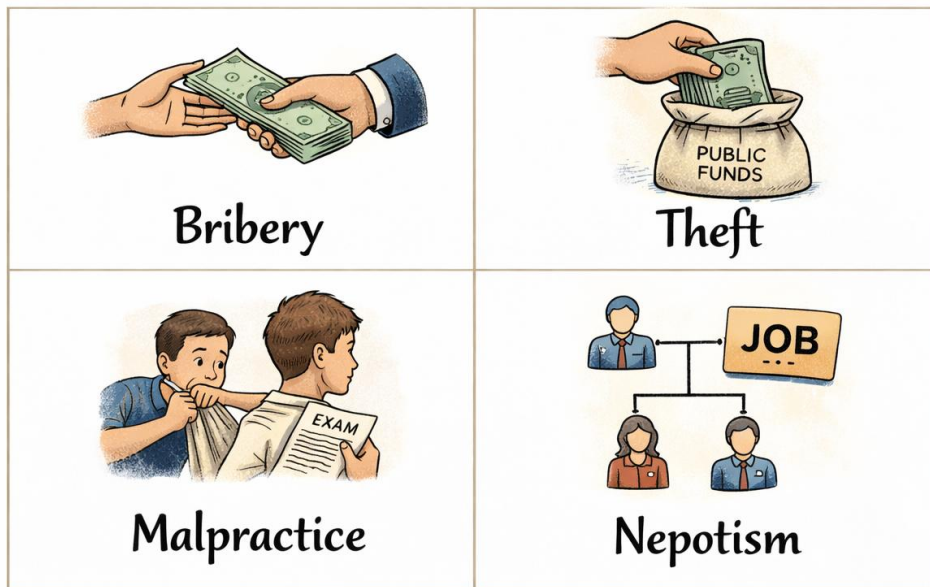

1. What is Corruption?

- Corruption is dishonest, selfish, and fraudulent behavior by those in a position of power or trust. It is using your power, position, or opportunity for your own personal gain, instead of for the good of others.
- It is like a rotten apple in a basket; it eventually spoils all the apples around it. Corruption spoils families, schools, communities, and nations.

2. Common Forms of Corruption

- **Bribery:** Giving or receiving money, gifts, or favors to influence someone to do something wrong or unfair. Example: Paying a policeman to avoid a fine for breaking the law. (Exodus 23:8 forbids taking bribes).
- **Theft/Embezzlement:** Stealing money or property that belongs to the public or to an organization. Example: A government officer stealing money meant for building a school.
- **Examination Malpractice:** Any form of cheating during an exam to get a grade you didn't earn. This is corruption in academics.
- **Nepotism/Favoritism:** Giving jobs or advantages to your family and friends, even when others are more qualified.

Forms of Corruption

3. The Story of Gehazi: A Biblical Example (2 Kings 5)

- **The Background:** The prophet Elisha healed Naaman, a Syrian commander, of leprosy. Elisha refused to accept any payment, showing that God's grace is free.
- **The Corruption:** Elisha's servant, Gehazi, saw this and was greedy. He ran after Naaman and lied, saying Elisha now wanted some money and clothing for some "visitors."
- **The Consequence:** Gehazi took the gifts and hid them. When Elisha asked where he had been, Gehazi told another lie. Elisha, with God's knowledge, exposed him. He said, "Naaman's leprosy will cling to you and your descendants forever." Immediately, Gehazi was covered in leprosy. His greed and corruption destroyed his life.

4. The Terrible Consequences of Corruption

- **For the Individual:** Loss of trust, a guilty conscience, God's judgment (like Gehazi), shame, and sometimes imprisonment.

- **For Society/Country:**
 - **Poverty:** Money for roads, hospitals, and schools is stolen.
 - **Injustice:** The poor cannot get fair treatment because they can't pay bribes.
 - **Suffering:** Bad roads cause accidents, poor hospitals can't treat the sick.
 - **Underdevelopment:** The country remains poor and unstable.

EVALUATION

1. What is the simple definition of corruption?
2. What is the name for giving money to a police officer to let you go free when you've broken a rule?
3. What did Gehazi lie about to get money and clothes from Naaman?
4. What was the immediate and terrible punishment Gehazi received for his corruption?
5. How does corruption affect the building of good roads and schools in a country?

ASSIGNMENT

1. **(Short Written Task):** Read 2 Kings 5:20-27. In 3-4 sentences, summarize what Gehazi did and what happened to him.
2. **(Practical Task):** List three ways a Primary 6 pupil can stand against corruption:
 - In school (e.g., refuse to cheat).
 - At home (e.g., be honest about change from the market).
 - In the community (e.g., speak up if you see someone being treated unfairly).
3. **(Drawing Task):** Draw a bag of money with a big red "X" over it. Write the word "NO" next to it.

WEEK 10: CORRUPTION II (INTEGRITY)

OBJECTIVES By the end of the lesson, pupils should be able to:

1. Define integrity.
2. Narrate the story of Daniel's integrity.
3. Explain the metaphor of being "Salt and Light."
4. Discuss the rewards of integrity.

CONTENT

1. What is Integrity?

- Integrity is the quality of being honest and having strong moral principles. It means doing the right thing all the time, even when no one is watching you.
- It is the opposite of corruption. A person with integrity is "whole" or "complete"—their actions match their words, and their private life matches their public life.

2. Daniel: A Man of Unshakeable Integrity (Daniel 6)

Daniel was a top governor in the Persian Empire. Other officials were jealous and tried to find fault with him.

- **The Bible's Testimony:** "They could find no corruption in him, because he was trustworthy and neither corrupt nor negligent" (Daniel 6:4).
- **The Trap:** Knowing Daniel prayed to God three times a day, they tricked the king into making a law that anyone praying to any god but the king would be thrown into the lions' den.
- **Daniel's Response:** He did not change his habit. He went home, opened his windows toward Jerusalem, and prayed as usual. He chose to obey God rather than men.
- **God's Protection:** Because of his integrity, God sent an angel to shut the mouths of the lions. Daniel was unharmed, and his faith led the king to honor the true God.

3. Christians as Salt and Light (Matthew 5:13-16)

- **You are the Salt of the earth:** Salt preserves food from rotting. Christians with integrity preserve society from total moral decay. We bring goodness, honesty, and healing.
- **You are the Light of the world:** Light drives away darkness and shows the way. Our integrity shines in a corrupt world. When we refuse to cheat, lie, or take bribes, people see our good deeds and glorify God.

My Integrity Preserves (Salt) and Shines (Light).

4. Preparing to Stand with Integrity in Secondary School

As you leave primary school, you will face new pressures:

- Pressure to join bad groups (cults).
- Pressure to cheat in bigger exams.
- Pressure to bully others or hide wrongdoing.
- **Remember:** Your good name and character (Proverbs 22:1) are more valuable than trying to fit in by doing wrong. Be a Daniel. Be a Joseph.

5. The Rewards of Integrity

- **God's Favor and Protection:** Like Daniel in the lions' den.
- **Trust and Respect:** People know they can depend on you.
- **A Clear Conscience:** Peace in your heart because you have done right.
- **Lasting Legacy:** You leave a good name for yourself and your family.

EVALUATION

1. What does it mean to have integrity?
2. Why were the other officials unable to find any fault or corruption in Daniel?
3. What two things did Jesus say His followers are in the world? (Hint: Matthew 5:13-14)
4. What is one reward or good result that comes from living a life of integrity?
5. If a shopkeeper gives you too much change by mistake, what would a person of integrity do?

ASSIGNMENT

1. **(Short Written Task):** Read Daniel 6:3-4. Write down the phrase that describes why Daniel's enemies could not accuse him.
2. **(Practical/Reflection Task):** Write a short "Pledge of Integrity" for yourself as you prepare for secondary school. (E.g., "I pledge to be honest in my exams, to choose good friends, and to do what is right even when it's hard.").
3. **(Oral/Listing Task):** List three benefits of being known as a truthful and reliable person at school, at home, and in the future.

WEEK 11: COMPREHENSIVE REVIEW AND CHRISTIAN LIVING

OBJECTIVES By the end of the lesson, pupils should be able to:

1. Summarize the key lessons from Paul's life and journeys.
2. Recall the importance of hard work and moderation.
3. Reaffirm their commitment to living a life of integrity.
4. Ask questions and clarify doubts before the final exams.

CONTENT

This is a revision week to prepare you for your exams and for life after Primary 6.

- **Review of Paul's Life (From Terms 1 & 2):** Remember how God transformed Saul the persecutor into Paul the preacher. His missionary journeys teach us courage, perseverance, and faithfulness even in storms, prison, and opposition. Like Paul, we can be used by God if we are willing.
- **Review of Hard Work (Term 3):** Work is God's design. Remember the ant—be self-motivated and plan ahead. Follow the rule: "No work, no eat." Do everything "as for the Lord" (Colossians 3:23). Balance hard work with proper rest.
- **Review of Moderation (Term 3):** A Christian life is a balanced life. Practice self-control, a fruit of the Spirit. Be moderate in eating, speaking, using technology, and spending. Be like a disciplined athlete training for a heavenly prize.
- **Review of Temptation & Integrity (Term 3):** Everyone faces temptation. It is not a sin to be tempted; sin is yielding to it. Use prayer, God's Word, and godly friends to resist. Sometimes, FLEE like Joseph. Stand against corruption. Choose integrity like Daniel. Be Salt and Light in a dark world.
- **Preparing for the Next Chapter (Secondary School):** You will face new challenges and choices. Take the lessons of faith, hard work, self-control, and integrity with you. Your relationship with God is the most important thing. Keep praying, reading your Bible, and choosing good friends.
- **Class Activity: Q&A and Sharing.** Pupils can ask questions about any topic from the year. Volunteers can share one lesson that changed them this year.

EVALUATION

(Teacher will select questions from all three terms to test understanding.)

Sample Questions:

1. What was the name of Saul's teacher in Jerusalem, and what did it show about his early life?
2. Why did Paul and Silas start singing in the Philippian prison, and what happened next?
3. What does the "S" in SMART goals stand for, and why is it important?
4. If you see your friends planning to cheat in an exam, what are two things you could do based on our lessons?
5. How does the story of Gehazi warn us about the danger of greed and corruption?

ASSIGNMENT

1. **(Practical Task):** Review all your C.R.S. notes from First, Second, and Third Terms to prepare thoroughly for your final examination.
2. **(Reflective Written Task):** Write a short paragraph (5-6 sentences) titled "One Important Lesson I Learned in C.R.S. This Year." Explain what the lesson was and how it has affected you.
3. **(Forward-Looking Task):** Write down one spiritual goal you have for yourself as you begin secondary school (e.g., "I will join a Christian fellowship," "I will read one Bible chapter every day," "I will pray for my new classmates").
