2. Introduce themselves and their family members using simple sentences.
3. Identify common body parts in French.
4. Conjugate the verbs *être* (to be) and *avoir* (to have) in the present tense.

CONTENT

1. Les Nombres (Numbers 1–60)

Numbers are words we use for counting. We need them to tell time, buy things at the market, and say our age. Let's practice counting slowly, just like climbing steps.

- **1-10:** *Un, deux, trois, quatre, cinq, six, sept, huit, neuf, dix.*
- **11-20:** *Onze, douze, treize, quatorze, quinze, seize, dix-sept, dix-huit, dix-neuf, vingt.*
- **Tens:** *Vingt (20), trente (30), quarante (40), cinquante (50), soixante (60).*
- **Making Numbers 21-59:** To make numbers like 21, we say the ten (20) and then the unit (1), joined by "et" for 21, 31, 41, 51. For others, we use a hyphen.
 - *Vingt et un (21), Vingt-deux (22), Trente et un (31), Quarante-cinq (45).*

A simple number line from 1 to 60, with every 10th number (10, 20, 30, 40, 50, 60) circled in a bright colour.

2. Se Présenter (Introduction)

Introducing yourself is the first step to making a new friend.

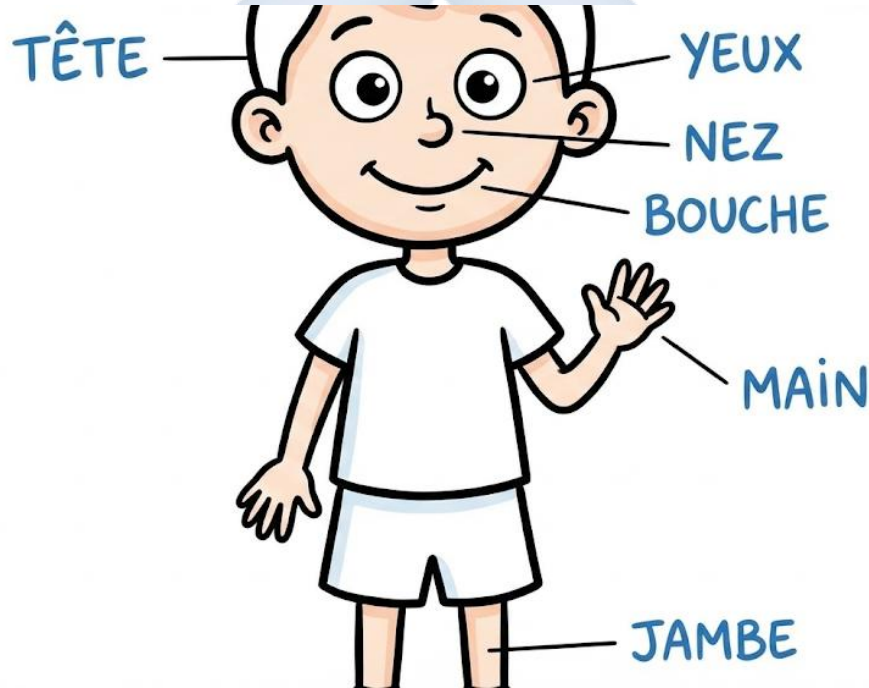

- **Greetings:** We start with a polite greeting.
 - *Bonjour* (Good morning/Hello - used during the day).
 - *Bonsoir* (Good evening - used from late afternoon).
 - *Comment ça va?* (How are you?) Possible answers: *Ça va bien* (I am fine), *Ça va mal* (I am not fine).
- **Talking About Yourself:**
 - *Je m'appelle* _____. (My name is _____.) Think of "appelle" like "I call myself".
 - *J'ai* ____ *ans*. (I am ____ years old.) We use the verb *avoir* (to have) for age. In French, you "have" years.
 - *J'habite à* _____. (I live in _____.) You can say your town, like Lagos, Abuja, or Port Harcourt.

- **La Famille (Family):** Family members are important. We use *mon* (my) for masculine words and *ma* (my) for feminine words.
 - *Mon père* (my father), *Ma mère* (my mother).
 - *Mon frère* (my brother), *Ma sœur* (my sister).
 - *Mon grand-père* (my grandfather), *Ma grand-mère* (my grandmother).

- *Je suis* (I am)
- *Tu es* (You are - talking to one friend)
- *Il est / Elle est* (He is / She is)
- **Avoir (To have):** This verb shows possession (I have a book) or states age (I have ten years).
 - *J'ai* (I have)
 - *Tu as* (You have)
 - *Il a / Elle a* (He has / She has)

The past participle is a special form of the verb.
