PRIMARY 5 CHRISTIAN RELIGIOUS STUDIES PRIMARY 5 CHRISTIAN RELIGIOUS STUDIES LESSON NOTES

FIRST TERM

WEEK 1: GOD SUPPLIES OUR NEEDS I

OBJECTIVES

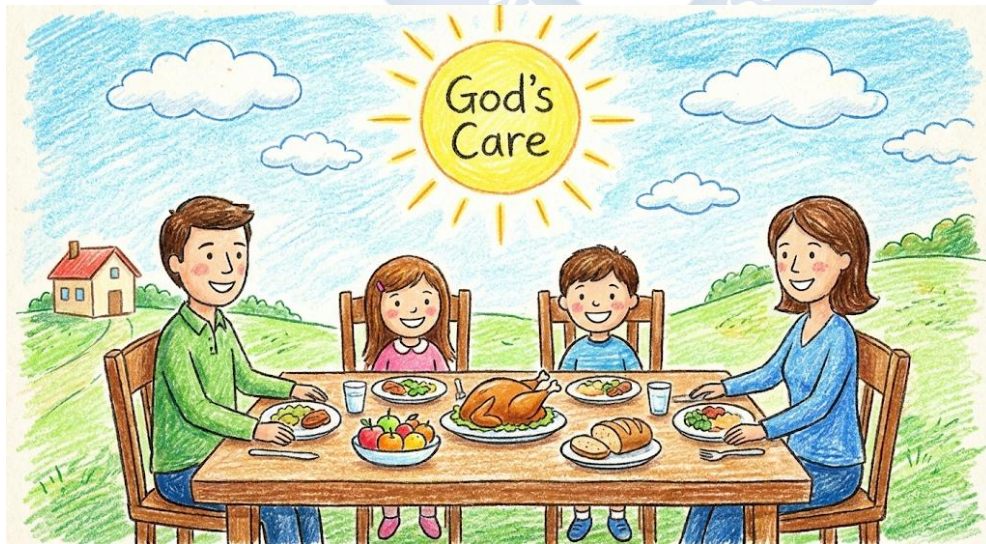

By the end of the lesson, pupils should be able to:

1. Identify God as the Great Provider.
2. Narrate the story of how God provided Manna for the Israelites.
3. Explain the meaning of trusting God for daily needs.
4. State one lesson learned from the rules of gathering Manna.

CONTENT

1. God as Our Provider

A provider is a person who gives us what we need. Just like your father or mother provides food, school fees, and clothes for you at home, God is our Father in heaven and our Great Provider. He knows we need food, water, shelter, and love. Even before we ask Him, He knows what we need. Think about the rain that helps farmers grow crops---that is God providing food for us. Think about the air we breathe---that is God giving us life.

2. The Story of Manna (Exodus 16:1-36)

The Israelites were God's people. They had left Egypt and were traveling through a big, dry desert to reach the Promised Land---a good land God had for them. After some days, all the food they brought from Egypt finished. The desert had no shops, no farms, and no fruit trees. The people became very hungry and started complaining to their leaders, Moses and Aaron. They were so upset they even said it was better to be slaves in Egypt where they had food!

God heard their cries. He told Moses, "I will rain bread from heaven for you." The next morning, when the dew on the ground dried up, the people saw something new on the ground: small, white, flaky things that looked like frost or fine flakes. They were confused and asked, "What is it?" In their language, "What is it?" is "Manna." So that became its name. Moses told them, "This is the bread the Lord has given you to eat."

3. Rules for Gathering Manna

God gave rules to teach the people to trust Him every single day.

- **Rule 1: Gather only enough for one day.** Each person was to gather just what they needed for that day, about one bowl per person. This was to teach them that God would give new food every morning.
- **Rule 2: Do not keep it overnight.** If anyone was greedy or fearful and tried to save some for the next day, the Manna would become smelly, full of worms, and rot by morning. God wanted them to trust Him for fresh provision daily.

- **Rule 3: Gather double on the sixth day.** On Friday, they were to gather enough for two days because Saturday was the Sabbath---a holy day of rest. No Manna would appear on Saturday, but the portion gathered on Friday would stay fresh! This showed God's special care for their day of rest.

4. Trusting God

"Daily bread" means what we need for today. The story teaches us to trust God for our needs one day at a time. We don't need to worry about tomorrow. Just as God provided in a desert where nothing could grow, He can provide for you and your family today. He can use your parents' jobs, a kind neighbour, or unexpected help to supply your needs.

EVALUATION

1. Who is the Great Provider that takes care of us?
2. Why were the Israelites complaining in the desert?
3. Describe what Manna looked like.
4. What happened when someone kept Manna until the next morning?
5. Why did God want them to gather only one day's portion at a time? (To teach them to trust Him daily).
6. If your parent loses their job, who can you still trust to help your family?

ASSIGNMENT

1. **Oral:** Tell the story of the Manna to someone in your house.
2. **Drawing:** Draw a scene of people gathering the white, flaky Manna from the ground.
3. **Written:** List three ways God has provided for your family this week (e.g., food, health, safety).

WEEK 2: GOD SUPPLIES OUR NEEDS II

OBJECTIVES

By the end of the lesson, pupils should be able to:

1. Narrate the story of Elijah and the Widow of Zarephath.
2. Describe the miracle of the flour and oil.
3. Explain the importance of giving and sharing even when we have little.
4. Define faith in the context of God's provision.

CONTENT

1. The Story of Elijah and the Widow (1 Kings 17:8-16)

There was no rain for a long time, so there was a terrible famine---no food in the whole land. God told His prophet Elijah to go to a town called Zarephath. God said a widow there would give him food. A widow is a woman whose husband has died. In those days, this often meant she was very poor.

2. The Widow's Situation

When Elijah arrived at the town gate, he saw a woman gathering sticks. He was thirsty and hungry from his journey. He asked her, "Please bring me a little water and a piece of bread." The woman stopped and said sadly, "I swear, I have no bread. All I have is a handful of flour in a jar and a little oil in a jug. I am gathering these sticks to go home, make a last meal for my son and myself, eat it, and then we will die because there is nothing left." She had given up all hope.

3. The Miracle of Provision

Elijah told her, "Don't be afraid." He gave her a strange instruction: "Go home and do as you said. But first, make a small cake of bread for me, and then make something for yourself and your son." This was a test. Would she share her very last food with a stranger? Then Elijah gave God's promise: "The jar of flour will not be used up, and the jug of oil will not run dry until the day the Lord sends rain on the land." The woman chose to have faith. Faith means believing that God will do what He says, even when it seems impossible. She obeyed Elijah. She made food for him first. And a miracle happened! Every time she went back to her jar and jug, there was still flour and oil inside. They never finished! She, her son, and Elijah ate from it for many days.

4. Lesson on Faith and Sharing

God multiplied the little she had because she was willing to share it first. When we give to others, especially when we don't have much, God sees our faith and can bless us. It is like having a small cup of garri – if you share it with a friend, God can make sure there is always enough for you too.

EVALUATION

1. Why was there no food in the land?
2. What did the widow think was going to happen after her last meal?
3. What did Elijah ask the widow to do first with her last flour and oil?
4. What was God's promise to her?
5. What is faith? (Believing God's promise).
6. Can you think of a small thing you have (like a biscuit) that you can share with someone?
What might happen when you share?

ASSIGNMENT

1. **Oral:** Explain to a classmate what "faith" means using the widow's story.
2. **Drawing:** Draw the jar of flour and jug of oil that never finished.
3. **Written:** Write one sentence about a time you shared something and how it made you feel.

WEEK 3: GOD SUPPLIES OUR NEEDS III

OBJECTIVES

By the end of the lesson, pupils should be able to:

1. Narrate the story of Jesus feeding the 5,000.
2. Identify what the young boy offered to Jesus.
3. Explain that God can multiply small resources.
4. Recite Philippians 4:19.

CONTENT

1. Jesus Feeds the 5,000 (John 6:1-15)

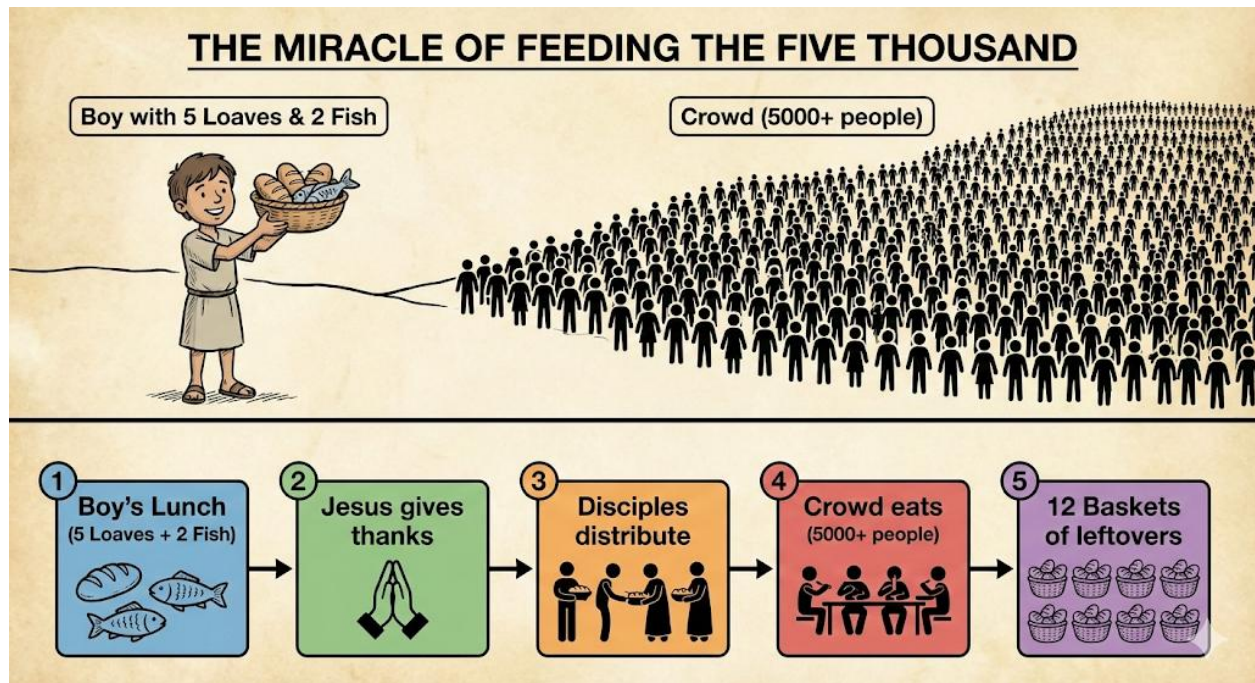

A huge crowd of people---more than 5000 men, plus women and children---followed Jesus to listen to His teachings. They were in a remote place. It became late, and everyone was hungry. Jesus asked His disciple Philip, "Where can we buy bread for all these people to eat?" He said this to test Philip's faith. Philip answered that even eight months' salary would not be enough to buy just a little bread for each person!

2. The Boy's Offering

Another disciple, Andrew, found a young boy in the crowd who had brought his own lunch: five small barley loaves (like small rolls of bread) and two small smoked fish. It was just enough for one boy. Andrew brought him to Jesus but said, "How far will this go among so many?"

3. Multiplication of Resources

Jesus told the people to sit down on the grass. He took the boy's lunch, looked up to heaven, gave thanks to God for it, and broke the bread. Then He started handing the pieces to His disciples, who distributed them to the people. A miracle happened! The bread and fish kept coming from Jesus' hands. Everyone ate as much as they wanted until they were full! After everyone finished, Jesus told the disciples to gather the leftovers so nothing would be wasted. They filled twelve big baskets with leftover pieces! What started as one lunch fed thousands, with plenty left over.

4. God Uses What We Offer

Jesus used the small, willing gift of a boy. This teaches us that no gift to God is too small. When we offer what we have – our time (to help at home), our money (offering in church), or our talents (singing) – God can multiply it to bless many people. He can make your small act of kindness very big.

5. Memory Verse

"And my God will meet all your needs according to the riches of his glory in Christ Jesus." - Philippians 4:19 (NIV). This means God has unlimited resources in heaven to take care of everything you need.

EVALUATION

1. How many loaves and fish did the boy have?
2. What did Jesus do before breaking the bread? (He gave thanks).
3. How many baskets of leftovers were collected?
4. Why do you think the boy was willing to give his food to Jesus?
5. What does this story tell us about our small gifts or offerings to God?

6. Recite Philippians 4:19 from memory.

ASSIGNMENT

1. **Oral:** Recite Philippians 4:19 to three different people at home.
2. **Drawing:** Draw twelve baskets and fill one of them with pieces of bread and fish.
3. **Written:** Write down one "small" thing you can offer to help someone in your class this week (e.g., share a pencil, help clean up).

WEEK 4: GOD SUPPLIES OUR NEEDS IV

OBJECTIVES

By the end of the lesson, pupils should be able to:

1. Explain how God cares for nature (birds and lilies).
2. Identify reasons why we should not worry.
3. Define contentment and gratitude.
4. Discuss the dangers of greed.

CONTENT

1. God Provides for Nature (Matthew 6:26-30)

Jesus taught His followers not to spend their time worrying about basic needs like food and clothing. He used two examples from nature that we can see every day:

- **The Birds:** Look at the birds outside---like the sparrows or pigeons. They don't plant farms, they don't harvest crops, and they don't store food in barns or refrigerators. Yet, God our Heavenly Father feeds them every single day. Are you not much more valuable than birds?

- **The Lilies (Wild Flowers):** Look at the beautiful flowers in the field or by the roadside. They don't work hard to make their own clothes. They don't sew or spin thread. But God clothes them with amazing colours and patterns that are more beautiful than the expensive robes of a famous king like Solomon. If God takes such good care of flowers that are here today and thrown into the fire tomorrow, won't He take much better care of you?

2. We are Valuable to God

Worrying means thinking too much about problems and feeling afraid about the future. Jesus says worrying cannot add a single hour to your life. In fact, it can make you sick. God knows you need food, water, clothes, and shelter. Since you are His precious child, He promises to take care of you.

3. Contentment and Gratitude

- **Contentment:** This means being happy and satisfied with what you have right now. It is like having a plate of food and being thankful for it, instead of complaining that your friend's plate looks bigger.

- **Gratitude:** This means saying "Thank you" to God and to people. Instead of worrying, we should pray and tell God what we need, and thank Him for what He has already given us (like family, health, life).

4. Avoiding Greed

Greed is the opposite of contentment. It is always wanting more and more for yourself, even if you have to cheat or take from others. Greed makes people selfish and unhappy. Jesus said, "Life does not consist in the abundance of possessions." True life is about loving God and others. Seek God's kingdom first---try to please Him and do what is right---and all the other things you need will be given to you.

EVALUATION

1. According to Jesus, who feeds the birds?
2. How does God take care of the flowers in the field?
3. Are people more or less valuable to God than birds and flowers?
4. What is the difference between *contentment* and *greed*?
5. What is one thing you can do instead of worrying? (Pray and thank God).

6. What does "Seek first God's kingdom" mean in your own words? (Put God first).

ASSIGNMENT

1. **Oral/ Practical:** Go outside for 5 minutes. Observe a bird or a flower. Tell your teacher or parent one interesting thing you noticed about how God cares for it.
2. **Drawing:** Draw a picture of yourself thanking God for three things.
3. **Written:** Complete this sentence: "Today, I am content and grateful for my _____, my _____, and my _____."

WEEK 5 & 6: MIDTERM EXAMINATION AND BREAK

WEEK 7: GOD WANTS US TO WORK I

OBJECTIVES

By the end of the lesson, pupils should be able to:

1. Identify that God Himself worked during creation.
2. Narrate the work given to Adam and Eve in the Garden.
3. Explain why work is honorable.
4. Define diligence.

CONTENT

1. Work in God's Plan

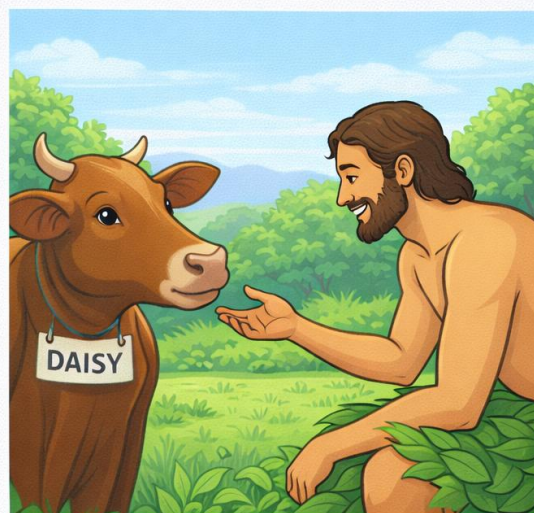

Work is not a punishment. It is a good and important part of God's plan for people. From the very beginning, God worked.

- **God Worked:** In Genesis chapter 1, we read that for six days, God did the work of creating the universe. He spoke light into darkness, separated seas from land, created plants, animals, and finally, people. After six days of creative work, God rested on the seventh day. This shows us a pattern: **Work is good, and rest after work is also good.**

Adam in the Garden

Work

Naming

2. Adam and Eve's Work (Genesis 2:15)

After God created Adam, He placed him in the beautiful Garden of Eden. God did not tell Adam to just sleep, play, or do nothing all day. He gave him a job, a responsibility: "to work it and take care of it." This means Adam was to tend the garden---plant, water, weed, and keep it beautiful. Adam was also given the task of naming all the animals. This was important work!

3. Work is Honorable

Honest work is something to be proud of. Whether it is a farmer growing yams, a teacher teaching, a mechanic fixing a car, or you sweeping your classroom, work makes us useful. It helps us take care of ourselves (buy food) and help others (provide services). Work gives us dignity and purpose.

4. Diligence and Responsibility

- **Diligence:** This means working hard, carefully, and not giving up until the job is done well. A diligent pupil does their homework neatly and on time. A diligent child cleans their room properly.

- **Laziness** is doing nothing when you should be working. The Bible says laziness is not good. God wants us to be responsible children at home (doing chores), at school (doing classwork), and everywhere.

EVALUATION

1. What did God do for six days in the beginning?
2. What was Adam's job in the Garden of Eden?
3. Is work a curse or a good part of God's plan?
4. What does it mean to be diligent in your school work?
5. Name one job you see people do in your community that helps everyone.
6. Why is it important to finish the work you start?

ASSIGNMENT

1. **Oral:** Tell your parent one thing you learned about why God wants us to work.

2. **Drawing:** Draw a picture of someone doing a job you respect (e.g., a doctor, a trader, a cleaner).
3. **Written:** List two ways you can be more diligent at home this week (e.g., making my bed every morning, washing plates after eating).

WEEK 8: GOD WANTS US TO WORK II

OBJECTIVES

By the end of the lesson, pupils should be able to:

1. Narrate the Parable of the Talents.
2. Identify the rewards for hard work in the parable.
3. Identify the consequences of laziness in the parable.
4. Explain the meaning of being a "faithful steward."

CONTENT

1. The Parable of the Talents (Matthew 25:14-30)

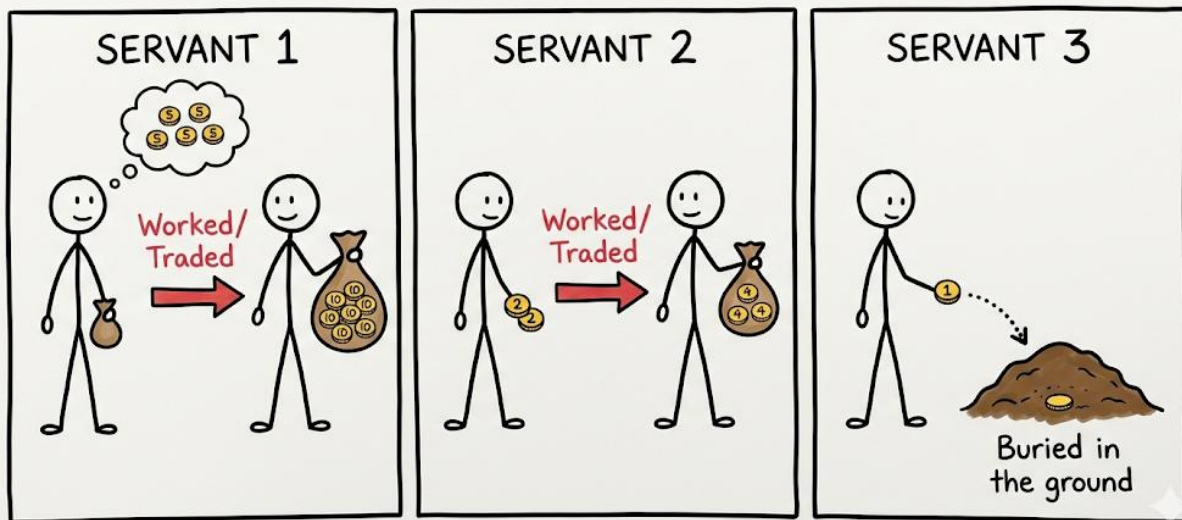

A parable is a simple story with a deep meaning. Jesus told this story to teach us about using what God gives us. A very rich man (a master) was going on a long journey. Before leaving, he called his three servants and gave them some money, called "talents," to look after. One talent was a *very large* amount of money---like millions of Naira today!

- He gave **5 talents** to his first servant.
- He gave **2 talents** to his second servant.
- He gave **1 talent** to his third servant. He gave each one an amount that matched their ability---what he knew they could handle. He expected them to do something useful with the money while he was away.

2. The Servants' Actions

- **The Servant with 5 Talents:** This servant was diligent. He went to work immediately. He used the money in a good business---maybe he bought goods and sold them for a profit. He worked hard and made another 5 talents! So he had 10 talents in total.
- **The Servant with 2 Talents:** This servant was also diligent. He didn't say, "My master only gave me 2, so I'll do nothing." He also worked hard, traded, and gained 2 more talents. He had 4 talents in total.
- **The Servant with 1 Talent:** This servant was lazy and fearful. He was afraid of making a mistake and losing the money. Instead of using it, he dug a hole in the ground and hid his master's money there. He did absolutely nothing with it.

The Parable of the Talents

3. Rewards and Consequences

After a long time, the master returned and asked for an account.

- **Reward for Hard Work:** The first two servants showed their master the profit they had made. The master was very pleased! He said to each of them, **"Well done, good and faithful servant! You have been faithful with a few things; I will put you in charge of many things. Come and share your master's happiness!"** Their reward was more responsibility, more trust, and great joy.

- **Consequence for Laziness:** The third servant came with his one, dirty talent. He made excuses: "Master, I was afraid, so I hid your money. Here it is." The master was very angry. He called him **"wicked and lazy!"** He took the one talent from him and gave it to the servant who had 10. Then the lazy servant was thrown out into the darkness, where he was very sad and regretful.

4. Excellence in All We Do

In this story, "talents" mean more than just money. They represent all the gifts and abilities God has given us. Your "talents" could be:

- Your mind (to learn and solve problems)
- Your skills (singing, drawing, playing football, helping others)
- Your time

- Your possessions (like your toys or books) God expects us to use these gifts, not hide them. When we use them well---to help others, to learn, to do good---God is pleased and will give us more opportunities. Hiding our abilities out of fear or laziness makes God sad and causes us to miss out on blessings.

EVALUATION

1. How many servants did the master give talents to?
2. What did the servants with 5 and 2 talents do with their money?
3. Why did the servant with 1 talent hide his money in the ground?
4. What did the master say to the hardworking servants?
5. What happened to the talent that was taken from the lazy servant?
6. If God has given you the ability to learn, how can you use it faithfully at school?

ASSIGNMENT

1. **Oral:** Explain the main lesson of the Parable of the Talents to a family member.
2. **Drawing:** Draw the lazy servant hiding his one talent in a hole in the ground.
3. **Written:** List two "talents" or abilities God has given you (e.g., I am good at encouraging my friends, I can sweep well). Write one way you will use each one this week.

WEEK 9: GOD WANTS US TO WORK III

OBJECTIVES

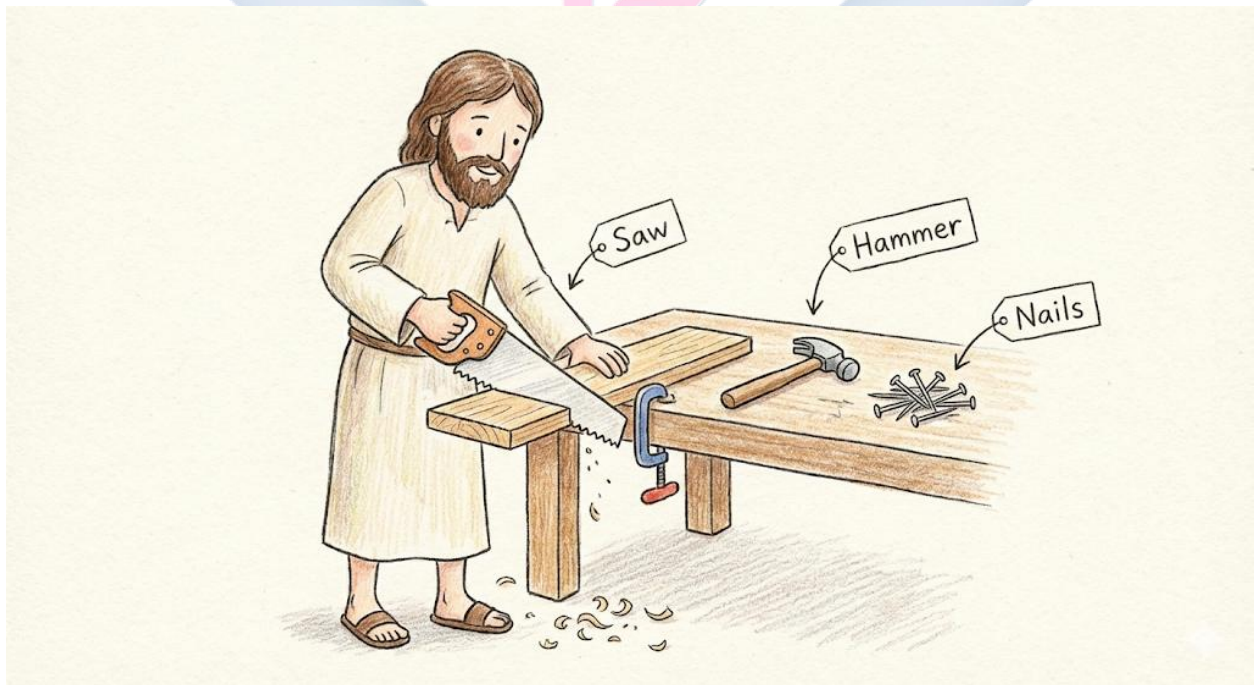

By the end of the lesson, pupils should be able to:

1. Identify the earthly occupation of Jesus.
2. Identify the occupation of Apostle Paul.
3. Explain the importance of earning an honest living.
4. Memorize 2 Thessalonians 3:10.

CONTENT

1. The Example of Jesus

Before Jesus began His three-year ministry of preaching, teaching, and healing, He had a normal job. For many years, in His town of Nazareth, Jesus was known as a **Carpenter** (Mark 6:3). A carpenter is someone who works with wood. Jesus likely learned this trade from His earthly father, Joseph. He would have made tables, chairs, doors, and ploughs for farming. This shows us that Jesus respected **manual labour** – work done with our hands. He was not ashamed of a hardworking, honest job.

2. The Example of Paul (Acts 18:1-3)

Apostle Paul was a great preacher who traveled all over telling people about Jesus. But he also had a skill and a job. He was a **Tentmaker**. Tents were like houses made of cloth or animal skins, used by travelers and soldiers. Paul knew how to cut, sew, and repair these tents. Why did he work? So that he would not be a financial burden to the new believers he was teaching. He said he worked night and day with his own hands to pay for his own needs.

3. Earning an Honest Living

An **honest living** means getting money or things you need by working hard in a good way, not by cheating, stealing, or begging. God wants us to use our hands to do good work (Ephesians 4:28). This brings **dignity**---a feeling of respect for yourself and from others. When you work for something, you value it more and can share it proudly.

4. No Work, No Food

The Bible gives a very clear rule about laziness. In 2 Thessalonians 3:10-12, Apostle Paul wrote a strict command: "**The one who is unwilling to work shall not eat.**" This means if a person is able to work but chooses to be lazy and do nothing, they should not expect others to feed them. Everyone who is able must contribute something to their family and community. This teaches responsibility.

EVALUATION

1. What was Jesus' job before He started His preaching ministry?
2. What was Apostle Paul's skill and job?
3. Give one reason why Paul worked as a tentmaker even though he was a preacher.
4. What does the Bible say about people who are able but refuse to work?
5. Is it better to earn money through a job or through begging? Why?
6. Name one tool a carpenter uses and one tool a tentmaker might use.

ASSIGNMENT

1. **Oral:** Recite 2 Thessalonians 3:10 from memory to your teacher or parent.
2. **Drawing:** Choose one: Draw a simple tool a carpenter uses (hammer) OR draw a simple tent.

3. **Written:** Write two reasons why stealing is a wrong way to get things instead of working.

WEEK 10: GOD WANTS US TO WORK IV

OBJECTIVES

By the end of the lesson, pupils should be able to:

1. List different types of valid occupations.
2. Explain the phrase "Working unto the Lord."
3. Discuss the dignity of labor.
4. Identify the balance between work, rest, and worship.

CONTENT

1. Different Types of Work

There are many different good jobs that people do. Each one is important and helps our community function. Think of it like a body---every part is needed!

- **Teachers** help us learn.
- **Farmers** grow our food.
- **Doctors & Nurses** keep us healthy.
- **Drivers** transport people and goods.
- **Tailors & Cobblers** make and repair our clothes/shoes.
- **Cleaners & Sanitation Workers** keep our environment tidy. **All honest work is valuable and necessary.** We should respect the farmer who grows our yam as much as the governor who leads our state.

2. Working Unto the Lord (Colossians 3:23-24)

The Bible says: "**Whatever you do, work at it with all your heart, as working for the Lord, not for human masters.**" This is a powerful rule for work.

- It means even when your teacher or parent is not watching, you should do your best because **God is always watching.**

- It means do your homework neatly, clean your room properly, run errands quickly, not just to avoid punishment, but to please God. This attitude turns every task into an act of worship.

3. Dignity of Labor

Dignity of labor means that all honest jobs deserve respect. No job is "too small" or shameful if it is done honestly and well. A street sweeper who keeps our roads clean does a more honourable job than a rich person who got money through fraud. We should never look down on someone because of their job. Instead, we should say "thank you" to them.

4. Balancing Work, Rest, and Worship

God's plan includes a balance:

- **Work:** We should work diligently for six days of the week.

- **Rest & Worship:** God commands a day of rest. For Christians, this is **Sunday**, the Lord's Day. It is a day to stop our usual work, go to church to worship God, spend time with family, and rest our bodies and minds. This rest is holy and necessary for our health.

- **Idleness** (doing nothing at all when you should be working or learning) is bad. But **Rest** after hard work is God's gift.

EVALUATION

1. Name three different occupations and explain how each one helps the community.
2. Who are we *truly* working for when we do our chores or schoolwork?
3. What does "dignity of labor" mean?
4. Why should we not look down on a cleaner or a farmer?
5. Is it healthy to work seven days a week without any rest? Why?
6. What day is set aside for Christians to rest and worship God?

ASSIGNMENT

1. **Oral/Practical:** Interview a parent or neighbour. Ask them: "What is your job, and how does it help others?" Report one thing you learned.
2. **Drawing:** Draw a picture of what you want to be when you grow up and how you will help people in that job.
3. **Written:** In your own words, write what "Work with all your heart, as working for the Lord" means to a Primary 5 pupil.

PRIMARY 5 CHRISTIAN RELIGIOUS STUDIES LESSON NOTES

SECOND TERM

WEEK 1: GOD SAVES US FROM DANGER I

OBJECTIVES By the end of the lesson, pupils should be able to:

1. Define God as our Protector.
2. Narrate the story of Daniel in the lions' den.
3. Explain why Daniel was thrown into the lions' den.
4. Describe how God delivered Daniel from danger.

CONTENT

God as Our Protector

God is our heavenly Father who watches over us.

Danger refers to situations that can cause harm, pain, or loss. We serve a God who is All-Powerful (Omnipotent). When we say God is our protector, it means He shields us from harm and keeps us safe, even when situations look very scary. Just like a shepherd uses his rod and staff to protect his sheep from wild animals, God protects His children who trust in Him. For example, when you are walking home and feel scared, you can remember God is with you just like a loving parent watching over a child.

The Conspiracy Against Daniel

Daniel was a man who loved and obeyed God. He lived as a captive in Babylon under King Darius. Daniel was very wise, honest, and excellent in his work, so the King planned to put him in charge of the whole kingdom. This made the other high officials (princes and governors) very jealous. They tried to find a fault or mistake in Daniel's work, but they could not because he was faithful. Since they could not find any corruption, they decided to attack his faith. They knew Daniel prayed to God every day. They tricked King Darius into signing a strict law that said for thirty days, no one should pray to any god or man except the King himself. Anyone who disobeyed would be thrown into a den of hungry lions. The King signed the law without thinking about Daniel.

The Trap:

1. Jealous Officials --> Plan against Daniel
2. They create a law --> "Pray only to the King."
3. Punishment --> Lions' Den

Daniel's Faith and Prayer

Daniel knew about the new law as soon as it was signed. He understood the danger—the lions' den was a death sentence. But Daniel did not hide or stop praying. He went to his house, opened his windows toward Jerusalem (the holy city), knelt down, and prayed to God three times that day, giving thanks just as he always did. His trust in God was stronger than his fear of the king's law.

Daniel in the Lions' Den

The jealous officials saw Daniel praying and immediately reported him to King Darius. The King was very upset because he liked Daniel, but the law could not be changed. Reluctantly, he gave the order. Daniel was thrown into the lions' den. The King said to Daniel, "May your God, whom you serve continually, rescue you!" A large stone was rolled over the mouth of the den to seal it. The King was so worried he could not eat or sleep all night. But inside the den, a miracle happened. God sent an angel to shut the mouths of the lions. The hungry lions became as calm as kittens around Daniel and did not hurt him at all.

God's Deliverance

At dawn, the King rushed to the den and called out, "Daniel, servant of the living God, has your God been able to rescue you?" Daniel replied, "O King, live forever! My God sent His angel and shut the lions' mouths. They have not hurt me." Daniel was lifted out without a single scratch or bite. This shows us that when we are faithful and pray, God can rescue us from any danger. The

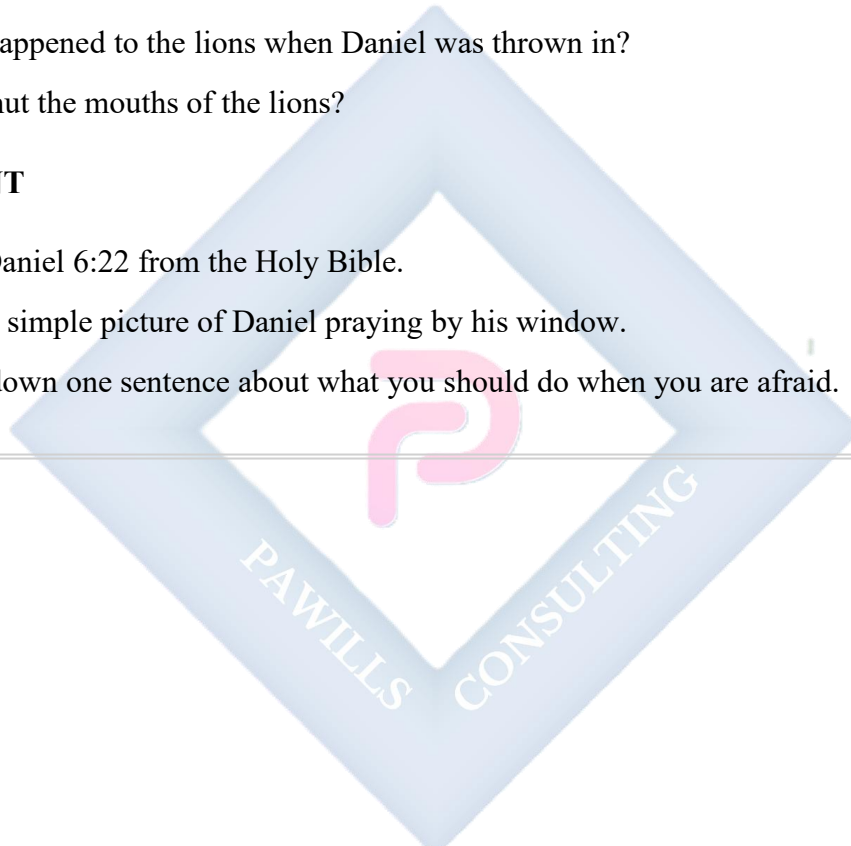

King then punished the jealous officials and made a new decree that everyone should respect the God of Daniel.

2. What was the name of the King in the story of Daniel?

WEEK 2: GOD SAVES US FROM DANGER II

OBJECTIVES

By the end of the lesson, pupils should be able to:

1. List the names of the three Hebrew boys.
2. Describe the command given by King Nebuchadnezzar.
3. Explain why the boys refused to obey the King.
4. Narrate the outcome of their faith in the fiery furnace.

CONTENT

The Three Hebrew Boys

Their Hebrew names were Hananiah, Mishael, and Azariah, but in Babylon they were called Shadrach, Meshach, and Abednego. They were young Israelite men taken from their home to serve in the king's palace. They were known for their wisdom, courage, and strict obedience to God's laws, even in a foreign land.

The Golden Image

King Nebuchadnezzar made a huge statue (an idol) of gold, about 27 meters tall. He commanded all his officials from every province to come to its dedication. A herald made an announcement: "When you hear the sound of the music, you must fall down and worship the golden image. Anyone who refuses will be thrown into a blazing furnace immediately."

Standing Firm in Faith

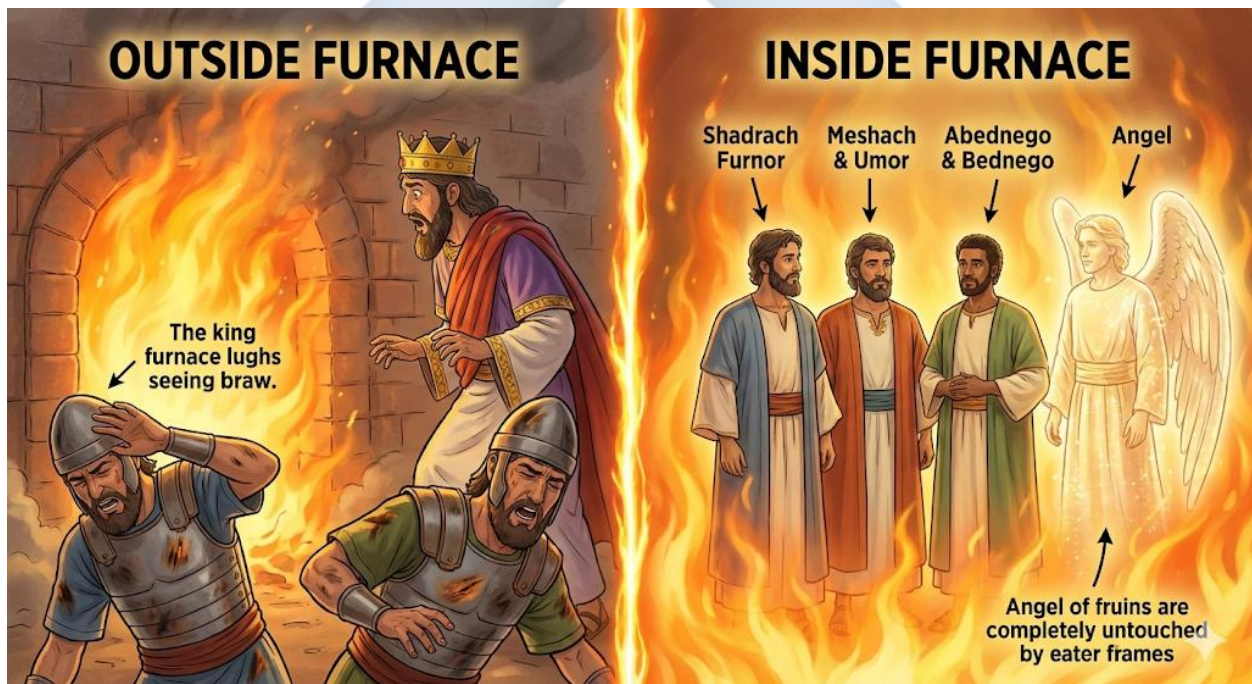

When the music played, everyone in the crowd bowed down to worship the idol—except Shadrach, Meshach, and Abednego. They remained standing tall. This was because God's commandment says, "You shall have no other gods before me" and "You shall not bow down to any idol." Some Babylonian astrologers saw them and reported them to the King. The furious King gave them one more chance, but they bravely said: "Our God whom we serve is able to deliver us from the burning fiery furnace... But even if He does not, we want you to know, O King, that we will not serve your gods." This means their faith was not based on God *always* saving them, but on their commitment to obey Him no matter what.

The Fiery Furnace

The King was enraged. He ordered the furnace heated seven times hotter than usual. It was so hot that the flames killed the strong soldiers who threw the three boys in. The boys, tied up in their robes, fell into the blazing fire.

God's Presence in Trials

Then, the King jumped up in shock. He asked his advisors, "Didn't we throw three men into the fire?" They agreed. The King exclaimed, "Look! I see four men walking around in the fire, unbound and unharmed, and the fourth looks like a son of the gods!" God did not take them *out* of the fire; He came *into* the fire with them. He protected them so perfectly that when they came out, their hair was not singed, their robes were not burned, and they didn't even smell like smoke! The King praised the God of Israel and promoted the three boys.

EVALUATION

1. What were the names of the three Hebrew boys?
2. What did King Nebuchadnezzar want everyone to worship?
3. Why did the three boys refuse to bow down?
4. How many times hotter was the furnace heated?

5. How many people did the King see inside the fire?
6. What happened to the soldiers who threw the boys in?

ASSIGNMENT

1. Write out the names of the three Hebrew boys correctly in your notebook.
 2. Who was the fourth person in the fire?
 3. What should we do when people ask us to do something that God hates?

WEEK 3: GOD SAVES US FROM DANGER III

OBJECTIVES By the end of the lesson, pupils should be able to:

1. Identify Moses as the leader of the Israelites.
2. Describe the dangerous situation at the Red Sea.
3. Explain how God used Moses to save the people.
4. Recite Psalm 46:1.

CONTENT

The Escape from Egypt

The Israelites were slaves in Egypt for 430 years. God chose Moses to tell Pharaoh, "Let my people go!" After ten plagues (like frogs, darkness, and death of firstborn sons), Pharaoh finally let them leave. They left Egypt in a hurry with their belongings and livestock.

The Danger at the Red

Sea Pharaoh changed his mind soon after. He thought, "Why did we let our slaves go?" He mobilized his entire army—600 chariots, horses, and foot soldiers—to chase them. The Israelites, who were on foot with children and animals, were terrified when they saw the dust from the Egyptian chariots behind them. They were trapped!

- **Behind them:** The angry Egyptian army with fast chariots.
- **In front of them:** The wide and deep Red Sea (like a big ocean).
- **On their sides:** Desert and mountains. There was no escape route.

The people cried to Moses, "Was it because there were no graves in Egypt that you brought us to die in the wilderness?"

God's Power Over Impossible Situations

Moses encouraged them: "Do not be afraid. Stand firm and you will see the deliverance the Lord will bring today." God told Moses, "Raise your staff and stretch out your hand over the sea to divide the water." God sent a strong east wind all night. It pushed the waters of the Red Sea apart,

creating a dry path with walls of water on the left and right sides. It looked like a giant hallway through the sea! The Israelites walked through on dry ground. This was a supernatural miracle.

Path Through the Sea:

The Destruction of the Enemy

The Egyptian army, thinking they could follow, drove their chariots into the sea path. But God caused confusion: their chariot wheels got stuck or came off! They shouted, "Let's get away from the Israelites! The Lord is fighting for them against Egypt." When all the Israelites were safe on the other shore, God told Moses to stretch his hand over the sea again. The walls of water collapsed and rushed back, covering all the chariots, horses, and soldiers. The entire army drowned. This great salvation showed Israel that God is a mighty warrior who fights for His people.

Psalm 46:1 "God is our refuge and strength, a very present help in trouble."

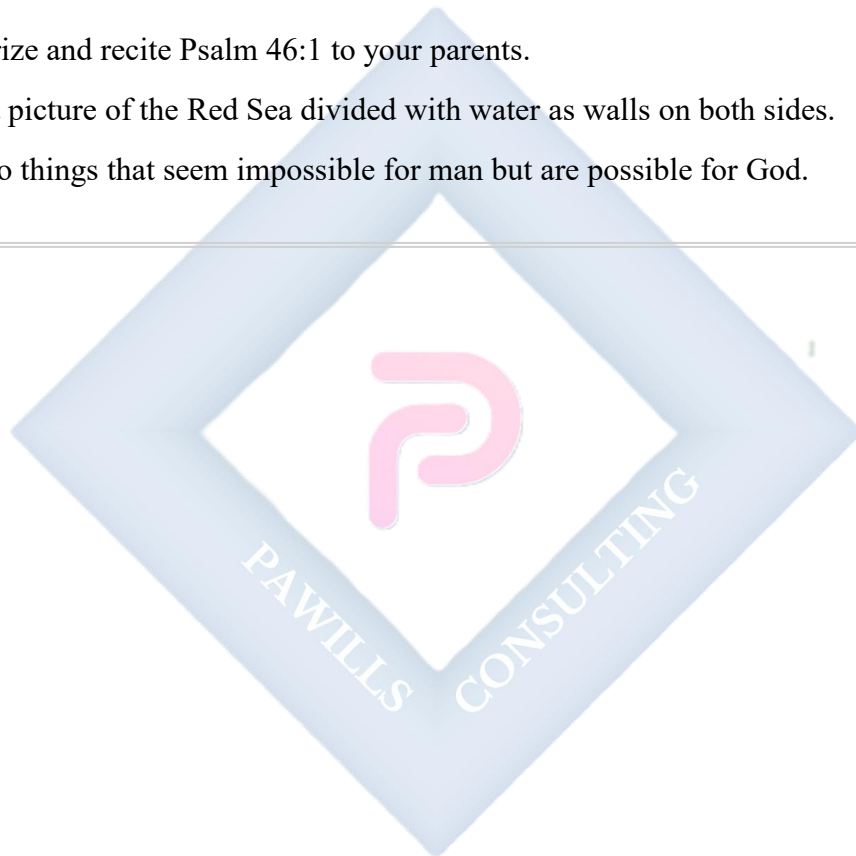

- **Refuge:** A safe place, like a strong fortress.
- **Strength:** Power when we feel weak.
- **Very present help:** He is always nearby, ready to help.

EVALUATION

1. Who led the Israelites out of Egypt?
2. What was in front of the Israelites and what was behind them?
3. What did God use to divide the Red Sea?
4. How did the Israelites cross the sea?
5. What happened to the Egyptian army?
6. Complete this verse: "God is our refuge and _____."

ASSIGNMENT

1. Memorize and recite Psalm 46:1 to your parents.
 2. Draw a picture of the Red Sea divided with water as walls on both sides.
 3. List two things that seem impossible for man but are possible for God.

WEEK 4: GOD SAVES US FROM DANGER IV

By the end of the lesson, pupils should be able to:

1. Identify who arrested Peter.
2. Describe the role of the church during Peter's imprisonment.
3. Narrate the story of Peter's miraculous escape.
4. Explain the importance of corporate prayer.

CONTENT

Peter in Prison

King Herod Agrippa I was a ruler who wanted to please the Jewish leaders who hated Christians. He had already killed James (one of Jesus' disciples). Seeing this pleased the crowd, he arrested Peter during the Feast of Unleavened Bread. Peter was placed under maximum security:

- **Guards:** Four squads of four soldiers each (16 soldiers total, working in shifts).
- **Chains:** He was bound with two chains, each connected to a soldier.
- **Position:** He was sleeping between two soldiers.
- **Door:** Guards were also at the prison entrance.
- **Plan:** After Passover, Herod would bring Peter to public trial.

It was an impossible situation for a human escape.

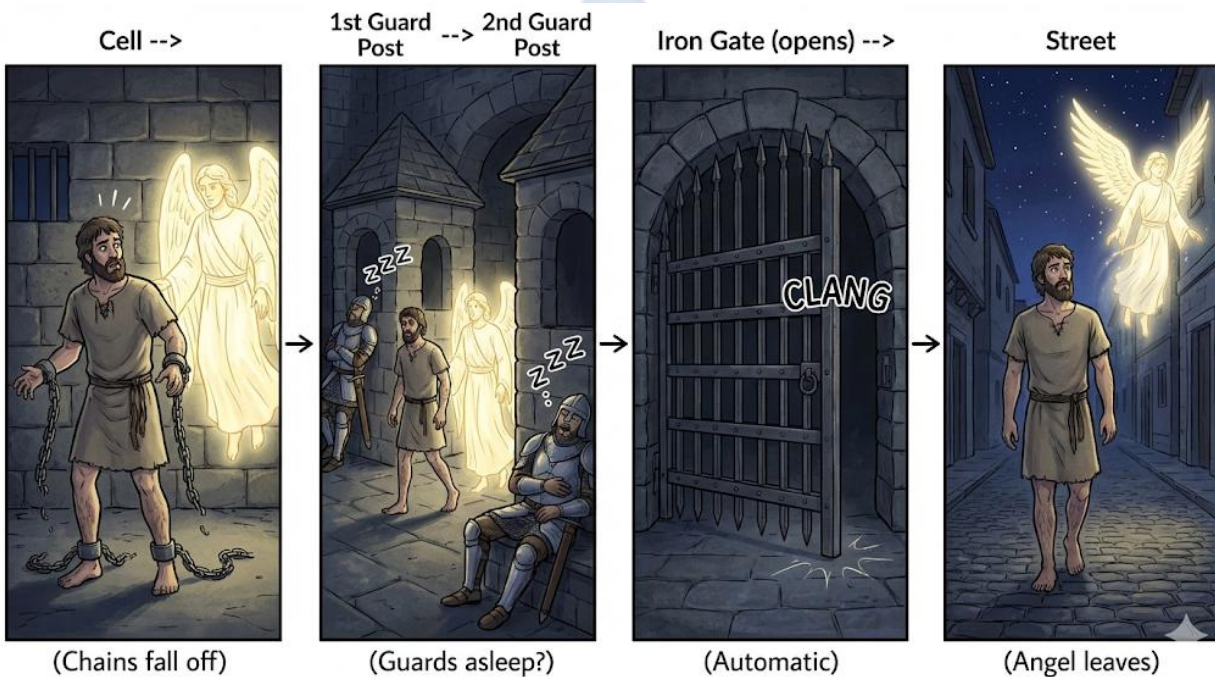

The Power of Prayer

The church did not try to attack the prison. Their weapon was **prayer**. Believers gathered at the house of Mary (mother of John Mark) and prayed earnestly and constantly for Peter. This is called **corporate prayer** (praying together as a group). They believed God could do what seemed impossible.

The Miraculous Escape

The night before his trial, an angel of God appeared in Peter's cell. A bright light shone. The angel poked Peter's side to wake him up and said, "Quick, get up!" Instantly, the chains fell off Peter's wrists. The angel told him, "Put on your clothes and sandals," and "Wrap your cloak around you and follow me." Peter followed, thinking it was a vision or dream. They passed the first guard post, then the second, without being stopped. They came to the main iron gate leading to the city. It opened **by itself** (supernaturally). They walked out into the street, and then the angel disappeared.

The Escape Route:

Peter Returns to the Church

Finally realizing it was real, Peter went to Mary's house where prayer was still going on. He knocked. A servant girl named Rhoda came to the door, heard Peter's voice, and was so overjoyed she ran back inside without opening the gate! She told everyone, "Peter is at the door!" They didn't believe her and said she was out of her mind. But Peter kept knocking. When they finally opened the door and saw him, they were utterly amazed. Their prayers had been powerfully answered. This shows that when believers pray together, God acts.

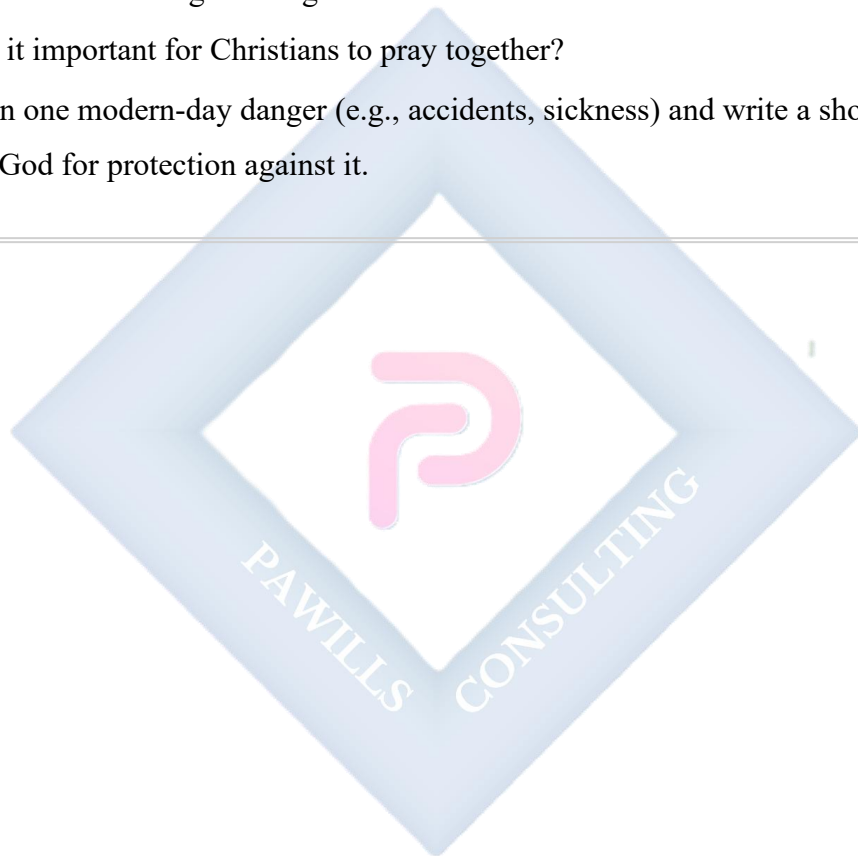

EVALUATION

1. Who arrested Peter?

2. How many soldiers were guarding Peter?
3. What was the church doing while Peter was in prison?
4. Who woke Peter up in the prison?
5. What happened to the iron gate?
6. Who was the servant girl that heard Peter's voice?

ASSIGNMENT

1. Write down three things the angel told Peter to do.
 2. Why is it important for Christians to pray together?
 3. Mention one modern-day danger (e.g., accidents, sickness) and write a short prayer asking God for protection against it.

WEEK 7: GOD SHOWS MERCY TO US I

OBJECTIVES By the end of the lesson, pupils should be able to:

1. Define the term "Mercy."
2. Narrate the story of the Prodigal Son.
3. Describe the condition of the son before he returned home.
4. Explain how the father showed mercy.

CONTENT

Understanding God's Mercy

Mercy is not getting the punishment we deserve for a wrong we have done. It is an act of love, kindness, and forgiveness. For example, if your sibling breaks your toy and you choose not to get them in trouble, that is showing mercy. God is rich in mercy; He does not treat us as our sins deserve when we are sorry.

The Story of the Prodigal Son

Jesus told this story (parable) to show God's heart. A man had two sons. The younger son said, "Father, give me my share of the property now." In their culture, this was like saying, "I wish you were dead so I could have my money." Surprisingly, the father agreed and divided his wealth. The younger son took all his money and traveled to a distant country. There, he lived recklessly—spending money on parties, fancy clothes, and bad friends. He was **prodigal**, meaning wasteful. Soon, he had spent everything.

The Son's Misery and Repentance

A severe famine (no food in the whole land) struck. The son was broke and starving. He got a job feeding pigs (unclean animals for Jews, a very low job). He was so hungry he longed to eat the pigs' food, but no one gave him any. Finally, he "came to his senses." He thought, "Even my father's hired servants have more than enough food. Here I am dying of hunger! I will go back, say I have sinned, and ask to be a servant, not a son." This change of mind and heart, turning away from sin, is called **repentance**.

The Father's Compassion

While the son was still far off, his father saw him. The father's reaction was extraordinary:

1. **He had compassion** (felt deep love and pity).
2. **He ran** (older men did not run in that culture; it was undignified).
3. **He hugged and kissed** his dirty son. The son started his speech: "Father, I have sinned... I am not worthy to be called your son." But the father interrupted him! He called his servants: "Quick! Bring the best robe (for honor), a ring (for authority), and sandals (sons wore sandals, slaves did not). Kill the fattened calf for a feast! My son was lost and is found!" The father's mercy restored the son fully. This story shows God is always waiting, watching, and ready to forgive and celebrate when we return to Him.

EVALUATION

1. What does "Mercy" mean?
2. What did the younger son ask his father for?
3. What happened to the son when he spent all his money?
4. What animal did the son feed in the far country?
5. How did the father react when he saw his son returning?
6. What does the ring and robe signify?

ASSIGNMENT

1. Draw a scene showing the father hugging the son.
 2. Define "Repentance" in your own words.
 3. Write a short letter of apology to someone you have offended recently.

WEEK 8: GOD SHOWS MERCY TO US II

OBJECTIVES

By the end of the lesson, pupils should be able to:

1. Narrate the story of the woman caught in adultery.
2. State the punishment for adultery according to the Law of Moses.
3. Explain Jesus' response to the accusers.
4. Describe Jesus' command to the woman.

CONTENT

The Woman Caught in Adultery

One morning, Jesus was teaching people in the temple courts. The teachers of the law (scribes) and Pharisees (strict religious leaders) brought in a woman. They said she had been caught in the very act of **adultery** (being unfaithful in marriage). This was a serious sin. They made her stand in front of the crowd to shame her.

The Trap for Jesus

They said to Jesus, "Teacher, this woman was caught in adultery. In the Law, Moses commanded us to stone such women. Now what do you say?" This was a trick.

- If Jesus said, "Let her go," they would accuse Him of breaking God's Law.
- If He said, "Stone her," they could report Him to the Romans (who forbade Jews from carrying out executions). They wanted to trap Him with His own words.

Jesus Shows Wisdom and Mercy

Jesus did not answer immediately. He bent down and started writing on the ground with His finger. They kept demanding an answer. Finally, He stood up and said a famous line: "**Let any one of you who is without sin be the first to throw a stone at her.**" Then He bent down and wrote on the ground again. Jesus was not saying her sin was okay. He was reminding them that **everyone is a sinner** and needs mercy. The law required the accusers to throw the first stones. But who is truly "without sin"?

The Accusers Leave

Hearing this, the accusers were convicted by their own consciences. One by one, starting with the oldest, they dropped their stones and walked away. Soon, only Jesus and the woman were left.

Go and Sin No More

Jesus stood up and asked her, "Woman, where are they? Has no one condemned you?" She said, "No one, sir." Jesus said, **"Then neither do I condemn you. Go now and leave your life of sin."** Jesus showed her mercy by saving her life. But He also gave her responsibility: to change her ways. True mercy offers forgiveness **and** calls us to live better.

EVALUATION

1. Who brought the woman to Jesus?
2. What was the punishment for her sin according to the Law?
3. What was Jesus doing on the ground?
4. What did Jesus say to the men who wanted to stone her?
5. Why did the men leave?
6. What was Jesus' final instruction to the woman?

ASSIGNMENT

1. What lesson do we learn from Jesus writing on the ground? (Hint: It gave people time to think).
 2. Explain the phrase "Go and sin no more."
 3. Why should we not be quick to judge other people?
-

WEEK 9: GOD SHOWS MERCY TO US III

OBJECTIVES By the end of the lesson, pupils should be able to:

1. Identify the city where God sent Jonah.
2. Narrate Jonah's disobedience and the consequence.
3. Describe the repentance of the people of Nineveh.
4. Explain God's compassion for all people.

CONTENT

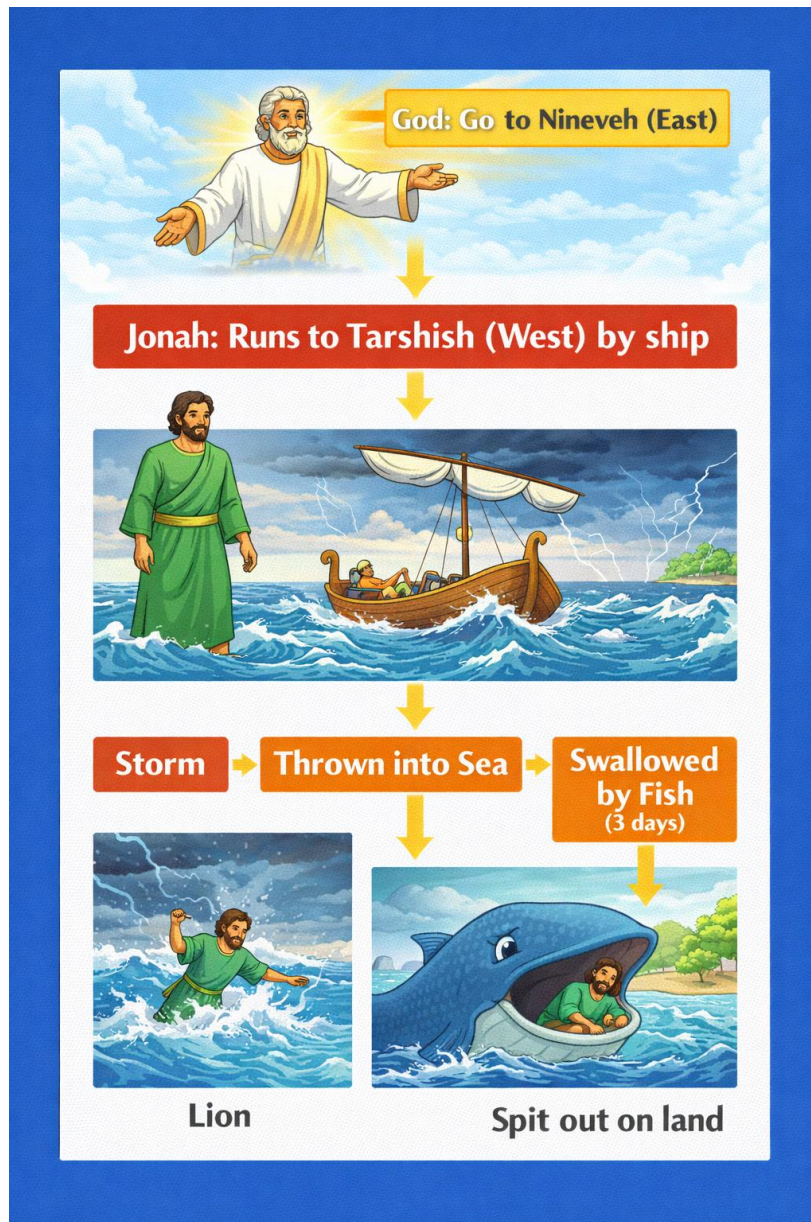

Jonah Runs Away

God told the prophet Jonah, "Go to the great city of Nineveh and preach against it, because its wickedness has come up before me." Nineveh was the capital of Assyria, a cruel enemy of Israel. Jonah did not want to go. He feared God would forgive Israel's enemies if they repented. So, he disobeyed and ran in the opposite direction, boarding a ship to Tarshish (modern-day Spain).

The Storm and the Great Fish

God sent a violent storm. The ship was about to sink. The pagan sailors prayed to their gods and threw cargo overboard. They cast lots (like drawing straws) to find who was responsible, and the lot fell on Jonah. Jonah confessed, "I am running away from the Lord." He told them to throw him into the sea to calm the storm. When they did, the sea became calm immediately. But God provided a huge fish to swallow Jonah. He was inside the fish for three days and three nights, where he prayed and repented. The fish then vomited him onto dry land.

Jonah's Journey:

Nineveh Repents

God's command came a second time: "Go to Nineveh." Jonah obeyed. He entered the massive city and proclaimed, "Forty more days and Nineveh will be overthrown!" The people believed God's warning! They declared a fast—everyone, from the greatest to the least, put on sackcloth (rough, uncomfortable clothes to show sadness). Even the king stepped off his throne, put on sackcloth, and sat in dust. He issued a decree: "Let everyone turn from their evil ways and violence. Who knows? God may yet relent and with compassion turn from his fierce anger."

God's Mercy

God saw their sincere repentance—how they turned from their evil ways. He had **compassion** and did not bring upon them the destruction He had threatened. Jonah was angry! He said, "I knew you are a gracious and compassionate God, slow to anger... That's why I ran away!" God used a plant that grew and died to teach Jonah a lesson: "You cared about a plant you did not grow. Shouldn't I care about Nineveh, with more than 120,000 people who don't know right from wrong?" God's mercy is for **all** who repent, not just for one group.

EVALUATION

1. Where did God send Jonah?
2. Where did Jonah try to run to?
3. What happened when Jonah was thrown into the sea?
4. How many days was Jonah in the belly of the fish?
5. What message did Jonah preach to Nineveh?
6. What did the people do to show they were sorry?

ASSIGNMENT

1. Draw a picture of the big fish swallowing Jonah.
 2. Why was Jonah angry at the end of the story?
 3. Write one sentence explaining what "God's compassion" means.
-

WEEK 10: GOD SHOWS MERCY TO US IV

OBJECTIVES

By the end of the lesson, pupils should be able to:

1. Narrate the parable of the unmerciful servant.
2. Explain the meaning of "seventy times seven."
3. Discuss the importance of forgiving others.

CONTENT

How Often Should We Forgive?

Peter asked Jesus, "Lord, how many times shall I forgive my brother or sister who sins against me? Up to seven times?" Peter thought seven times was very generous. Jesus answered, **"I tell you, not seven times, but seventy-seven times (or seventy times seven)."** This means we should forgive **limitlessly**, without keeping count. We forgive because God has forgiven us a much greater debt.

The Parable of the Unmerciful Servant

A king wanted to settle accounts. One servant owed him **ten thousand talents** (millions of dollars today—an impossible debt to repay). The king ordered that the servant, his family, and possessions be sold to pay the debt. The servant fell on his knees and begged, "Be patient with me, and I will pay back everything." The king took **pity** on him, **canceled the entire debt**, and let him go free. This is like God forgiving all our sins.

The Servant's Cruel Action

That same servant left and found a fellow servant who owed him **a hundred denarii** (about 100 days' wages—a small, repayable amount). He grabbed him and began to choke him, demanding, "Pay back what you owe me!" His fellow servant begged using the same words: "Be patient with me, and I will pay it back." But the first servant **refused** and had the man thrown into prison.

The King's Judgment

Other servants reported this to the king. The angry king summoned the unmerciful servant: "You wicked servant! I canceled all that debt of yours because you begged me to. Shouldn't you have had mercy on your fellow servant just as I had on you?" The king then handed him over to the jailers until he could pay back everything. Jesus concluded, **"This is how my heavenly Father will treat each of you unless you forgive your brother or sister from your heart."**

The Lesson:

EVALUATION

1. How many times did Jesus say we should forgive?
2. How much did the first servant owe the King?
3. What did the King do for the first servant initially?
4. How did the first servant treat his fellow servant?
5. Why was the King angry?
6. What is the main lesson of this parable?

ASSIGNMENT

1. Write out the part of the Lord's Prayer that talks about forgiveness (Matthew 6:12).
2. List three people (friends or family) you need to forgive today.

3. Why is holding a grudge (staying angry) dangerous for a Christian?

PRIMARY 5 CHRISTIAN RELIGIOUS STUDIES LESSON NOTES

THIRD TERM

WEEK 1: THE PENTECOST I

OBJECTIVES

By the end of the lesson, pupils should be able to:

1. Explain the promise Jesus made about the Holy Spirit.
2. Narrate the story of Jesus' ascension.
3. State the command Jesus gave to His disciples before He left.
4. Describe what the disciples did while waiting in Jerusalem.

CONTENT

1. The Promise of the Holy Spirit

After Jesus rose from the dead, He spent 40 days with His disciples, teaching them. They knew He would not stay with them physically forever. They might have felt scared and sad. So, Jesus made them a wonderful promise. He called the Holy Spirit the "**Helper**" or "**Comforter**." He said the Spirit would:

- **Live inside them** (John 14:17).
- **Teach them all things** and help them remember everything Jesus said (John 14:26).
- **Give them power** to be His witnesses everywhere (Acts 1:8).

2. Jesus' Ascension (Acts 1:6-11)

On the 40th day, Jesus led His disciples to the **Mount of Olives**, near Jerusalem. As He was blessing them, something amazing happened. He began to rise up from the ground! He went up, up into the sky, and a cloud hid Him from their sight. This is called the **Ascension**---Jesus returning to His Father in heaven. The disciples stood there, staring into the sky.

Suddenly, two men dressed in white (angels) stood beside them. They said, **"Why do you stand here looking into the sky? This same Jesus, who has been taken from you into heaven, will come back in the same way you have seen him go into heaven."** This is the promise of Jesus' **Second Coming**.

3. The Command to Wait

Just before ascending, Jesus gave a clear command: **"Do not leave Jerusalem, but wait for the gift my Father promised...in a few days you will be baptized with the Holy Spirit."** (Acts 1:4-5). They were not to start their work yet. They needed to receive God's power first.

4. The Upper Room

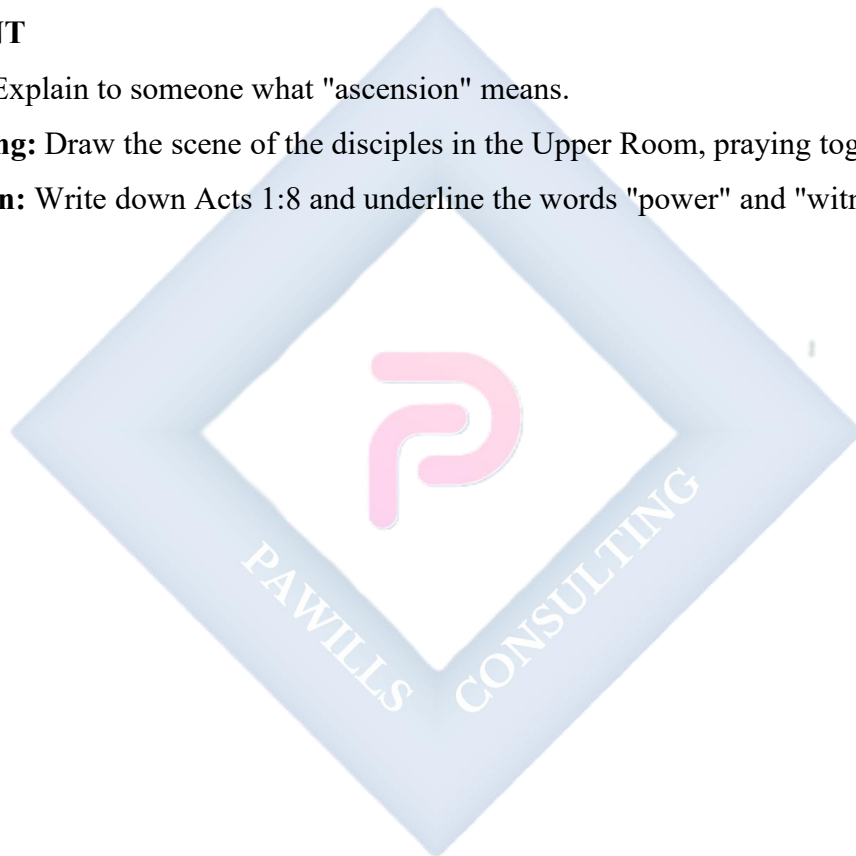

The disciples obeyed. They walked back to Jerusalem and went to the room where they were staying (called the **Upper Room**). About 120 believers, including Jesus' mother Mary, gathered there. For the next ten days, they **"all joined together constantly in prayer."** They were united, praying, and waiting expectantly for God's promise. This teaches us the importance of prayer and unity while waiting on God.

EVALUATION

1. What did Jesus promise to send to His disciples after He left?
2. What is the name for the event when Jesus went up to heaven?
3. What did the two angels tell the disciples about Jesus' future?
4. What was Jesus' specific command to the disciples before He ascended?
5. Where did the disciples go, and what did they do while waiting?
6. Why is it important to pray with others while waiting for God to do something?

ASSIGNMENT

1. **Oral:** Explain to someone what "ascension" means.
2. **Drawing:** Draw the scene of the disciples in the Upper Room, praying together.
3. **Written:** Write down Acts 1:8 and underline the words "power" and "witnesses."

WEEK 2: THE PENTECOST II

OBJECTIVES

By the end of the lesson, pupils should be able to:

1. Narrate the events of the Day of Pentecost.
2. Describe the signs of the Holy Spirit's arrival (Wind and Fire).
3. Explain the reaction of the crowd to the disciples speaking in tongues.
4. Identify Pentecost as the birthday of the Church.

CONTENT

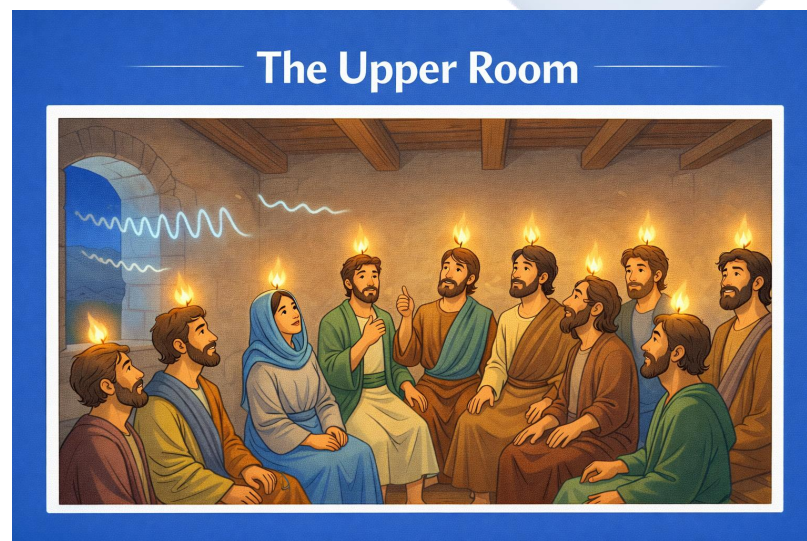

1. The Day of Pentecost (Acts 2:1-4)

The disciples obeyed Jesus and waited in Jerusalem. **Pentecost** was a Jewish harvest festival that happened 50 days after Passover. On this special day, all 120 believers were gathered together in one house, likely the same Upper Room.

Suddenly, without warning, two miraculous signs happened:

- **A Sound Like Wind:** A loud sound came from heaven, like a **mighty, rushing wind**. It wasn't a normal wind outside, but it filled the *entire house* where they were sitting. This sound represented the powerful, invisible presence of the Holy Spirit.

- **Sight Like Fire:** They saw something that looked like **tongues of fire**. These flames separated and came to rest on *each person's head*. The fire did not burn them. In the Bible, fire often represents God's purifying presence and power.

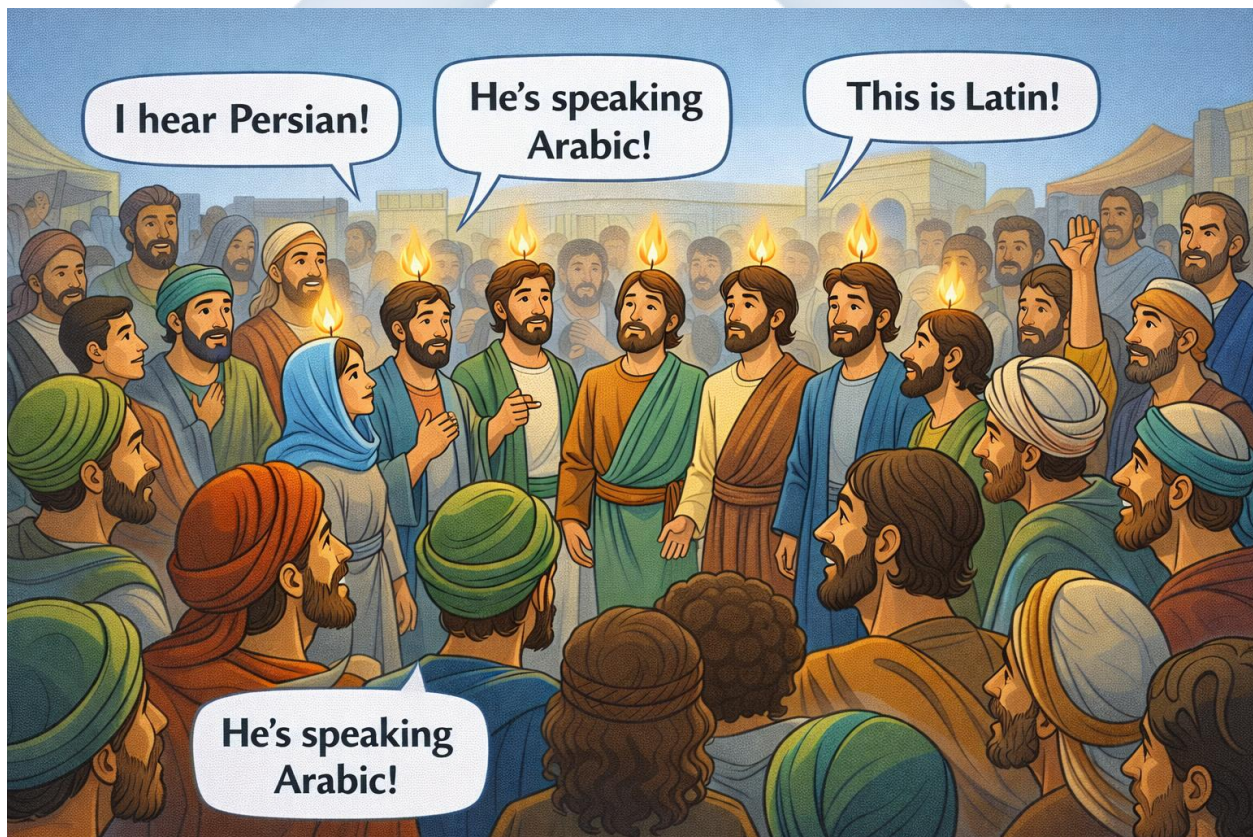

2. Filled and Speaking in Tongues

At that moment, **all of them were filled with the Holy Spirit**. Being "filled" means the Holy Spirit came to live inside them completely, giving them new power and boldness. As the Spirit enabled them, they began to **speak in other tongues (languages)**. These were real, human languages that they had never learned or studied before. God gave them this ability supernaturally.

3. The Crowd's Reaction (Acts 2:5-13)

Jerusalem was crowded with Jewish pilgrims from many different countries who had come for the Pentecost festival. When they heard the loud sound, a huge crowd gathered outside the house. They were **utterly amazed** because each person heard the disciples speaking in their own native language! A man from Egypt heard Egyptian Arabic. A visitor from Rome heard Latin. They asked, "Aren't all these who are speaking Galileans (simple people from Galilee)? So how is it that we hear them in our own languages?"

4. Confusion and Mockery

The crowd was bewildered and confused. Some were in awe, wondering what this meant. But others, who didn't understand the miracle, began to **make fun** of the disciples. They said, "**They have had too much wine!**" meaning they were drunk and babbling nonsense. This shows that not everyone will understand or accept God's work.

5. The Birthday of the Church

This day, Pentecost, is celebrated as the **birthday of the Christian Church**. Why?

- Before this, the disciples were a scared group hiding in a room.
- After the Holy Spirit came, they were transformed into bold, powerful witnesses.
- The Church began its mission to tell the whole world about Jesus, starting with the many languages spoken that day. The Holy Spirit is the power of the Church.

EVALUATION

1. What two miraculous signs showed the Holy Spirit had come?
2. What happened to the disciples when they were "filled with the Holy Spirit"?
3. Why were the international visitors in Jerusalem so amazed?
4. What false explanation did some people in the crowd give for what was happening?
5. What does Pentecost mark the beginning of?
6. If you had been there, what emotion do you think you would have felt? (Amazement, confusion, joy?)

ASSIGNMENT

1. **Oral:** Describe the sound and sight of Pentecost to someone as if you were telling a story.
2. **Drawing:** Draw the "tongues of fire" resting on the heads of three people.
3. **Written:** Write one sentence about why the Holy Spirit's power is important for the Church.

WEEK 3: THE PENTECOST III

OBJECTIVES

By the end of the lesson, pupils should be able to:

1. Summarize Peter's sermon on the day of Pentecost.
2. State the number of people who were saved that day.
3. Explain the steps of salvation (Repentance and Baptism).
4. Describe the life of the early church fellowship.

CONTENT

1. Peter's Bold Sermon (Acts 2:14-36)

Hearing the mockery, **Peter stood up with the eleven other apostles.** The same Peter who had been afraid and denied Jesus now spoke with amazing courage! He raised his voice and addressed the huge crowd.

- **First, he explained the miracle:** "These people are not drunk! It's only nine in the morning!" He said what they were seeing was the fulfillment of an old prophecy by the prophet Joel: God promised to pour out His Spirit on all people.

- **Then, he preached about Jesus:** Peter reminded them of Jesus of Nazareth---the miracles He did, how He was handed over to be crucified by wicked men, and how **God raised Him from the dead.** He declared boldly: "**God has made this Jesus, whom you crucified, both Lord and Messiah.**"

2. The People's Response and Salvation

Peter's words, powered by the Holy Spirit, struck the people's hearts like an arrow. They felt "**cut to the heart**"---a deep sense of guilt and sorrow for rejecting Jesus. They asked Peter and the apostles, "**Brothers, what shall we do?**" Peter gave them a clear, two-step answer:

- a. "**Repent**" -- This means to turn away from your sins, change your mind, and turn towards God. It is saying sorry to God and deciding to follow Jesus.
- b. "**Be baptized, every one of you, in the name of Jesus Christ for the forgiveness of your sins.**" -- Baptism is an outward act using water. It symbolizes washing away your old sinful life

and publicly identifying as a follower of Jesus. Peter promised that those who did this would also **"receive the gift of the Holy Spirit."**

3. The First Church Growth

The people believed Peter's message! **About three thousand people** were baptized and added to the group of believers that very same day. The Church grew from 120 to over 3,000 in one morning!

4. The Early Church Fellowship (Acts 2:42-47)

The new believers didn't just go home. They formed a beautiful, caring community:

- **They devoted themselves to learning:** They listened to the apostles' teaching about Jesus.
- **They loved fellowship:** They spent time together, sharing meals and their lives.
- **They prayed together:** Prayer was a regular part of their meetings.
- **They shared everything:** Those who had extra money or possessions sold them to help any believer in need. No one was hungry or lacked basic things.
- **They worshipped joyfully:** They met daily in the temple courts and in homes, praising God.
- **The Lord added to their number daily:** Because of their love and unity, more and more people were saved every day.

What the Early Church Did

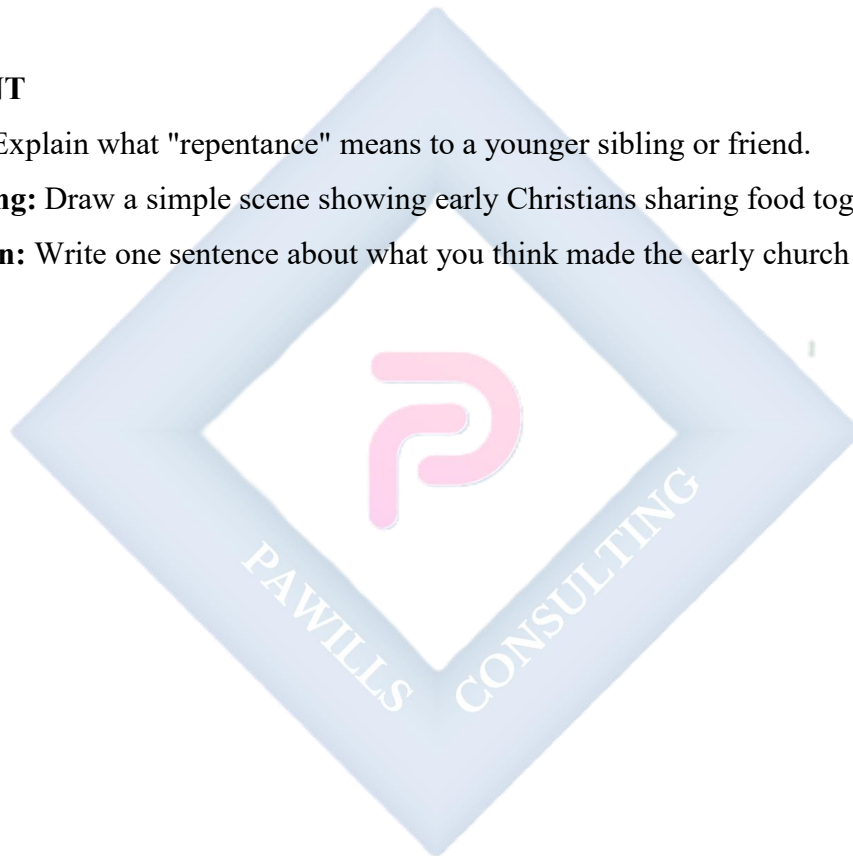

EVALUATION

1. How did Peter explain that the disciples were not drunk?
2. What was the main message Peter preached about Jesus? (He is Lord and Messiah, crucified and risen).
3. What two things did Peter tell the people to do to be saved?
4. How many people became believers that day?
5. Name two ways the early Christians showed love and unity.
6. Who was causing the church to grow daily?

ASSIGNMENT

1. **Oral:** Explain what "repentance" means to a younger sibling or friend.
2. **Drawing:** Draw a simple scene showing early Christians sharing food together.
3. **Written:** Write one sentence about what you think made the early church so attractive to others.

WEEK 4: THE HOLY SPIRIT KEEPS US FAITHFUL I

OBJECTIVES

By the end of the lesson, pupils should be able to:

1. Identify the Holy Spirit as our Helper and Guide.
2. List the nine parts of the Fruit of the Spirit.
3. Explain the meaning of "Faithfulness" as a fruit.
4. State how we can grow in faithfulness.

CONTENT

1. The Holy Spirit as Our Helper and Guide

After Pentecost, the Holy Spirit didn't leave. He is God's permanent gift to every believer. Jesus called Him our "**Helper**" (John 14:16). This means:

- **Helper:** He helps us understand the Bible, pray, and make good choices.
- **Guide:** He guides us away from sin and towards truth, like a teacher guiding a pupil's hand to write well.
- **Comforter:** He comforts us when we are sad, afraid, or alone. We cannot live a good Christian life by our own strength; we need the Holy Spirit's help every day.

2. The Fruit of the Spirit (Galatians 5:22-23)

If a mango tree is healthy and connected to water and soil, it will naturally produce sweet mangoes. In the same way, when a Christian's life is connected to Jesus and filled with the Holy Spirit, their life will naturally show good character. This good character is called the **Fruit of the Spirit**. It is one fruit with nine delicious flavours:

- a. **Love** -- Caring for others like God cares for us.
- b. **Joy** -- Deep happiness that comes from God, even when things are hard.
- c. **Peace** -- Calmness in your heart, not worry or fear.
- d. **Patience** -- Waiting calmly without getting angry or complaining.
- e. **Kindness** -- Being friendly, generous, and considerate.
- f. **Goodness** -- Choosing to do what is right.
- g. **Faithfulness** -- Being loyal, reliable, and trustworthy.

- h. **Gentleness** -- Being soft and careful with our words and actions, not harsh.
- i. **Self-control** -- Controlling your temper, your desires, and your words.

3. Focusing on Faithfulness

Faithfulness is a key part of the fruit. It means:

- **Being reliable:** If you promise to do your homework, you do it. If you are given a chore, you complete it.
- **Being loyal:** Staying true to God, your family, and your friends. Not turning away from God when things get difficult.
- **Being trustworthy:** People can count on you to tell the truth and keep secrets. The Holy Spirit gives us the strength to be faithful, even when it's tough.

4. How to Grow This Fruit

We don't try hard to "manufacture" this fruit. We grow it by:

- **Staying Connected:** Praying daily and reading the Bible. This is like the tree's roots drinking water.
- **Obedying Promptings:** When the Holy Spirit gently tells you to share, apologize, or be kind, obey quickly.

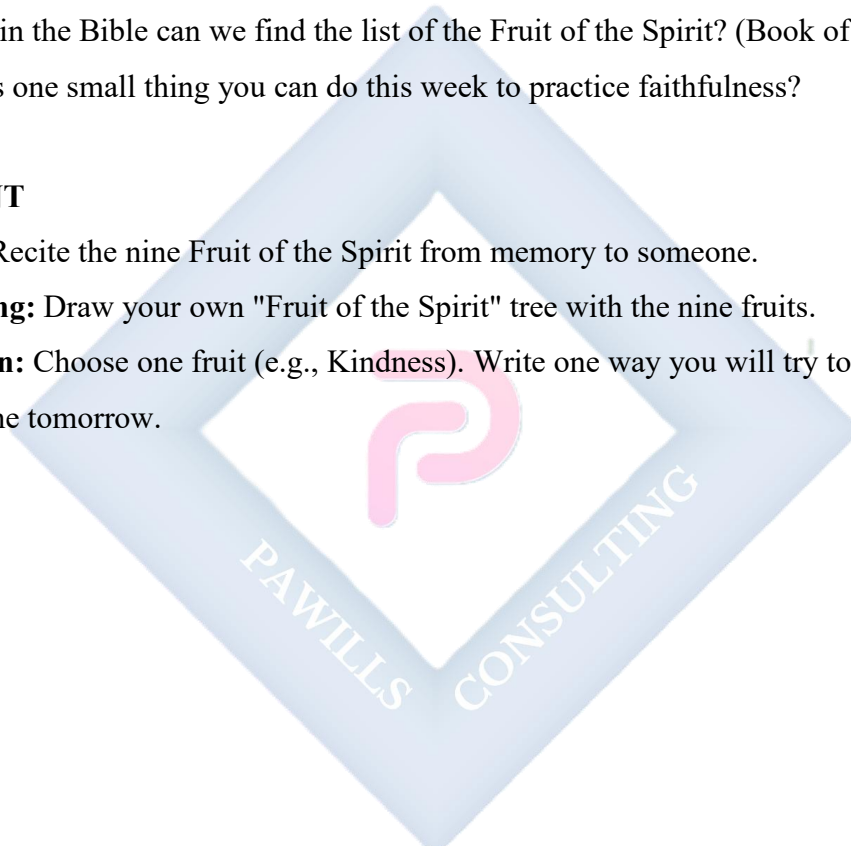

- **Practicing in Small Things:** Being faithful in small duties at home and school (like tidying your space) trains you to be faithful in bigger things later.

EVALUATION

1. What are the three roles of the Holy Spirit mentioned? (Helper, Guide, Comforter).
2. How many qualities make up the Fruit of the Spirit?
3. List any five of them.
4. What does it mean to be a "faithful" friend?
5. Where in the Bible can we find the list of the Fruit of the Spirit? (Book of Galatians).
6. What is one small thing you can do this week to practice faithfulness?

ASSIGNMENT

1. **Oral:** Recite the nine Fruit of the Spirit from memory to someone.
2. **Drawing:** Draw your own "Fruit of the Spirit" tree with the nine fruits.
3. **Written:** Choose one fruit (e.g., Kindness). Write one way you will try to show it to someone tomorrow.

WEEK 5 & 6: MIDTERM EXAMINATION & BREAK

WEEK 7: THE HOLY SPIRIT KEEPS US FAITHFUL II

OBJECTIVES

By the end of the lesson, pupils should be able to:

1. Narrate the story of Stephen.
2. Explain why Stephen was arrested.
3. Describe Stephen's reaction to his enemies.
4. Identify Stephen as the first Christian martyr.

CONTENT

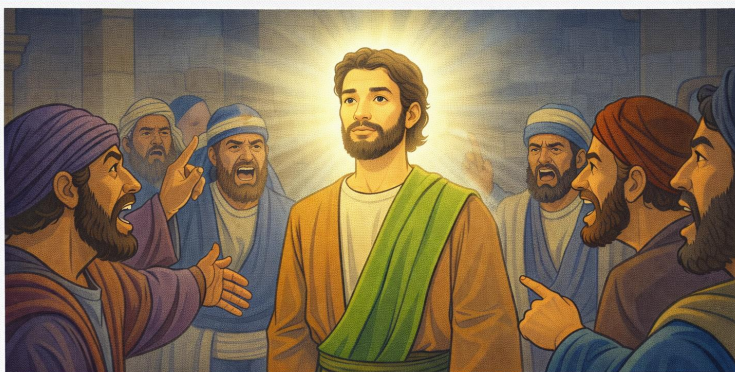

1. Who Was Stephen? (Acts 6:8)

As the early church grew, the apostles chose seven wise and spirit-filled men to help manage food distribution. Stephen was one of these leaders, called a **deacon**. The Bible says he was "**a man full of God's grace and power.**" Because the Holy Spirit was with him, he performed great wonders and miracles among the people.

2. Stephen's Arrest and Trial

Some men from different synagogues began to argue with Stephen, but they could not stand against the **wisdom** and the **Spirit** with which he spoke. So, they secretly persuaded some men to tell lies about him. They accused Stephen of speaking against Moses and God. This made the people, the elders, and the teachers of the law very angry. They arrested Stephen and brought him before the Jewish high council.

Stephen Stands Before an Angry Council

His face shone like the face of an angel.

When the members of the council looked steadily at Stephen, they saw that **his face was like the face of an angel**---calm, peaceful, and shining with God's presence, even in a scary situation.

3. Stephen's Faithfulness and Death (Acts 7:54-60)

Stephen spoke boldly, reminding the leaders how their ancestors had rejected God's prophets and how they had now betrayed and murdered Jesus, the Righteous One. This made them furious.

- They dragged him out of the city.
- They began to **stone him** (throw heavy stones at him). Even as the stones hit him, Stephen, **full of the Holy Spirit**, looked up to heaven. He saw the glory of God and Jesus standing at God's right hand! He said, "**Look, I see heaven open and the Son of Man standing at the right hand of God.**"

4. Forgiving Like Jesus

While they were stoning him, Stephen prayed:

- "**Lord Jesus, receive my spirit.**" (He trusted Jesus with his life).
- Then he fell on his knees and cried out, "**Lord, do not hold this sin against them.**" After he said this, he died. Stephen remained faithful to God until his very last breath and even forgave the people killing him, just as Jesus did on the cross. Because he was killed for his faith in Jesus, Stephen is known as the **first Christian martyr**.

EVALUATION

1. What kind of man was Stephen described as? (Full of grace, power, the Holy Spirit).
2. Why did the religious leaders get angry and arrest Stephen?
3. What did people see when they looked at Stephen's face during his trial?
4. How was Stephen killed?
5. What were the two prayers Stephen prayed as he was dying?
6. What does Stephen's story teach us about being faithful in difficult times?

ASSIGNMENT

1. **Oral:** Explain what a "martyr" is to someone at home.

2. **Drawing:** Draw Stephen looking up to heaven with a peaceful face, even as stones are on the ground around him.
3. **Written:** Write one sentence about a situation where it might be hard to do the right thing. How can Stephen's example help you?

WEEK 8: THE HOLY SPIRIT KEEPS US FAITHFUL III

OBJECTIVES

By the end of the lesson, pupils should be able to:

1. Narrate the story of Philip and the Ethiopian Eunuch.
2. Explain the role of the Holy Spirit in guiding Philip.
3. Describe the outcome of Philip's obedience.
4. State the importance of witnessing for Christ.

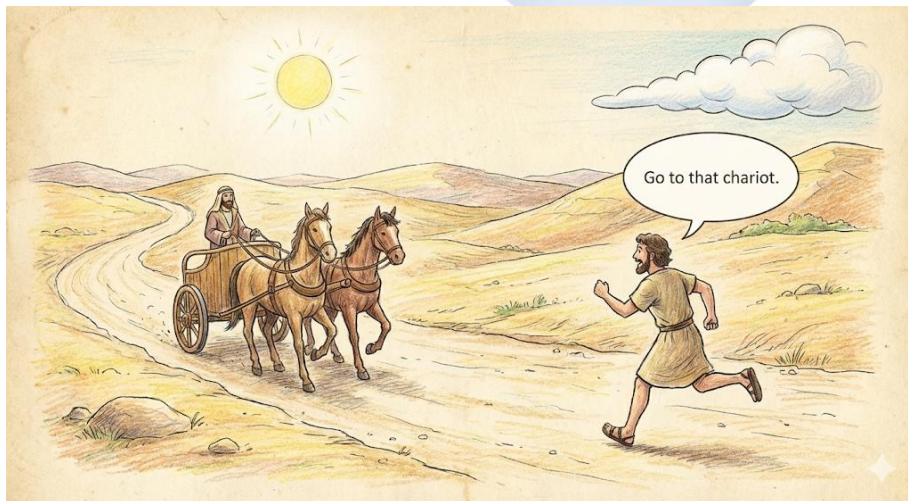

CONTENT

1. The Spirit's Specific Command (Acts 8:26-29)

After Stephen's death, persecution scattered believers from Jerusalem. Philip, another deacon, went to Samaria to preach. One day, **an angel of the Lord** spoke to Philip with a strange command: "**Go south to the road---the desert road---that goes down from Jerusalem to Gaza.**" Philip didn't argue or ask why. He simply **got up and went**. This is immediate obedience.

2. Divine Appointment

On that lonely desert road, Philip saw a chariot. Inside was an **Ethiopian eunuch**, a very important official in charge of the treasury of the Queen of Ethiopia. He had been to Jerusalem to worship and was now returning home. He was sitting in his chariot, reading aloud from the scroll of the prophet Isaiah. Then, the **Holy Spirit** gave Philip his next instruction: "**Go to that chariot and stay near it.**"

3. Explaining the Good News

Philip ran to the chariot. He heard the man reading and asked him a brilliant question: **"Do you understand what you are reading?"** The Ethiopian replied, **"How can I, unless someone explains it to me?"** He invited Philip to sit with him. The passage he was reading was about a sheep being led to slaughter (Isaiah 53:7-8). It was actually a prophecy about Jesus' suffering. Philip used this very scripture to tell him **the good news about Jesus**---who He was, His death for our sins, and His resurrection.

4. Instant Obedience Leads to Salvation

As they traveled, they came to some water. The Ethiopian asked, **"Look, here is water. What can stand in the way of my being baptized?"** Philip baptized him immediately. When they came up out of the water, **the Spirit of the Lord suddenly took Philip away** to another town. The Ethiopian official went on his way **rejoicing**, full of joy because he now knew Jesus!

5. The Importance of Witnessing

Witnessing means telling others what you know about Jesus. Philip was faithful and obedient to the Holy Spirit's guidance. Because he was:

- **Available** (he went where he was sent).
- **Obedient** (he approached the chariot).
- **Ready to explain** (he knew the scriptures). ...a high-ranking official from another continent was saved and likely took the gospel to his homeland.

EVALUATION

1. Who first told Philip to go to the desert road?
2. Who was the man Philip met, and what was he doing?
3. What very important question did Philip ask him?
4. Who told Philip to go and join the chariot?
5. What did the Ethiopian ask to do when he saw water?
6. How did the Ethiopian feel after Philip left? What does this tell us about salvation?

ASSIGNMENT

1. **Oral:** Tell the story of Philip as if you are telling a friend about a surprising adventure.

2. **Drawing:** Draw a simple chariot with Philip sitting beside the Ethiopian, both holding a scroll.
3. **Written:** "Witnessing" is sharing about Jesus. Write down one person you could be a witness to this week (e.g., a friend, sibling) and one simple thing you could tell them about Jesus.

WEEK 9: THE REWARDS OF WORKING IN THE HOLY SPIRIT I

OBJECTIVES

By the end of the lesson, pupils should be able to:

1. Quote Acts 1:8.
2. Narrate the story of Peter healing the lame beggar.
3. Identify boldness as a reward of the Holy Spirit.
4. Explain how the church grew through the Spirit's power.

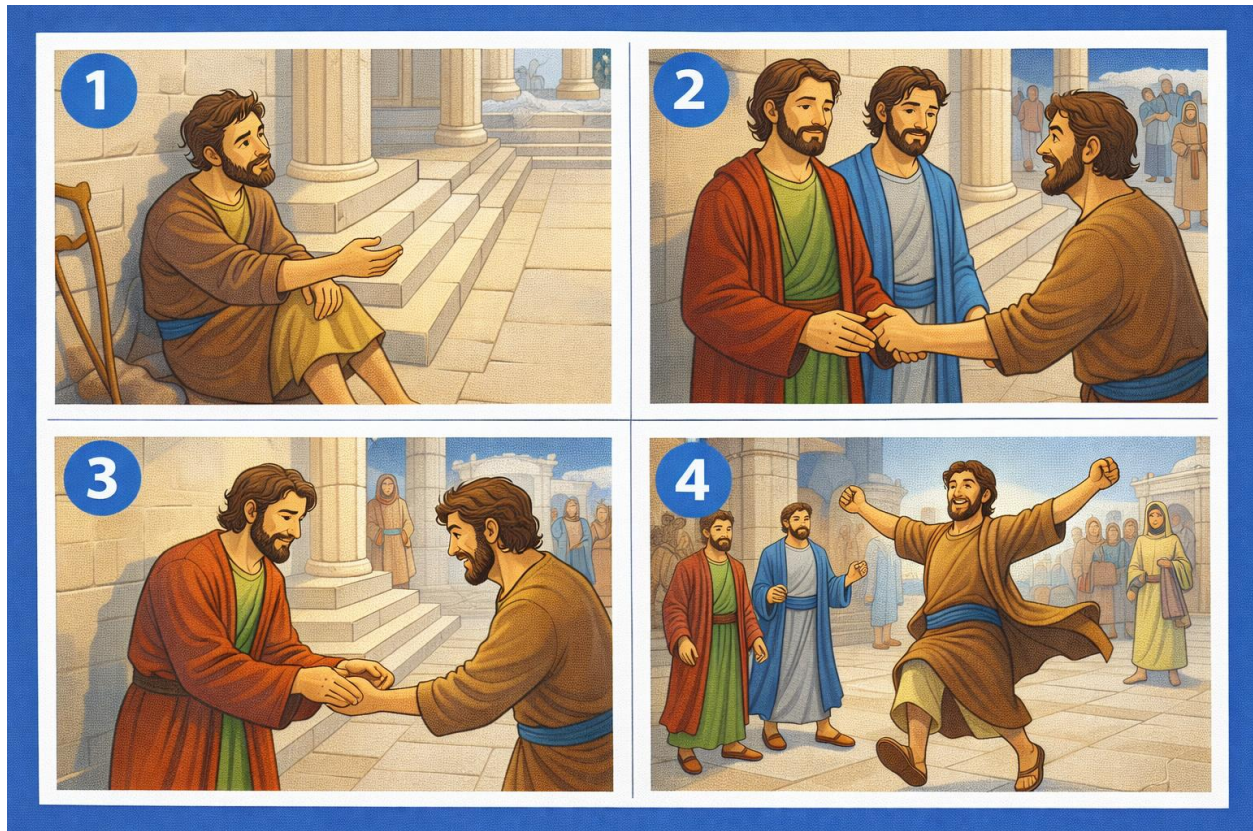

CONTENT

1. The Promise of Power (Acts 1:8)

Jesus' promise is our foundation: **"But you will receive power when the Holy Spirit comes on you; and you will be my witnesses in Jerusalem, and in all Judea and Samaria, and to the ends of the earth."** The Holy Spirit's power is given for a purpose: to make us effective **witnesses** (people who tell others about Jesus).

2. Peter Heals a Lame Beggar (Acts 3:1-10)

One afternoon, Peter and John were going to the temple to pray. At the temple gate called "Beautiful," a man who had been **lame from birth** was being carried there every day. His job was to beg for money from people going into the temple. When he saw Peter and John, he asked them for money. Peter looked straight at him and said, **"Look at us!"** The man gave them his full attention, expecting to get some coins.

3. A Greater Gift

Peter then said, **"Silver or gold I do not have, but what I do have I give you. In the name of Jesus Christ of Nazareth, walk."** Peter didn't just say words. He **took the man by the right hand and helped him up**. Instantly, the man's feet and ankles became strong. He **jumped to his feet and began to walk**. He went into the temple courts with them, **walking and jumping, and praising God**.

4. Boldness to Preach

All the people recognized him as the beggar and were filled with wonder. Peter used this miracle as a chance to preach boldly to the crowd. He gave all credit to Jesus and called people to repent. The Holy Spirit gave him **boldness** (courage to speak without fear) that he never had before.

5. Growth Through God's Power

Because the disciples acted in the power of the Holy Spirit:

- The miraculous healing got everyone's attention.
- Peter's bold preaching explained the truth.

- The number of believers grew to about **five thousand men** (plus women and children). This shows that when we work in God's power, not our own, amazing things happen and the church grows.

EVALUATION

1. Complete the verse: "But you will receive _____ when the Holy Spirit comes on you..."
2. What was the lame man doing at the temple gate?
3. What did Peter *not* have to give the man? What did he give instead?
4. What three actions did the healed man do to show he was cured? (Walk, jump, praise God).
5. How did Peter use the miracle as an opportunity?
6. What was the result of this event on the number of believers?

ASSIGNMENT

1. **Oral:** Recite Acts 1:8 from memory with its reference.
2. **Drawing:** Draw the moment the healed man is jumping for joy.
3. **Written:** "Boldness" means holy courage. Write about one area where you need God's boldness this week (e.g., to pray aloud, to tell the truth, to be kind to someone difficult).

WEEK 10: THE REWARDS OF WORKING IN THE HOLY SPIRIT II

OBJECTIVES

By the end of the lesson, pupils should be able to:

1. Define Spiritual Gifts.
2. List three examples of spiritual gifts.
3. Explain why God gives us spiritual gifts.
4. Identify the eternal rewards for faithful work.

CONTENT

1. What Are Spiritual Gifts? (1 Corinthians 12:4-11)

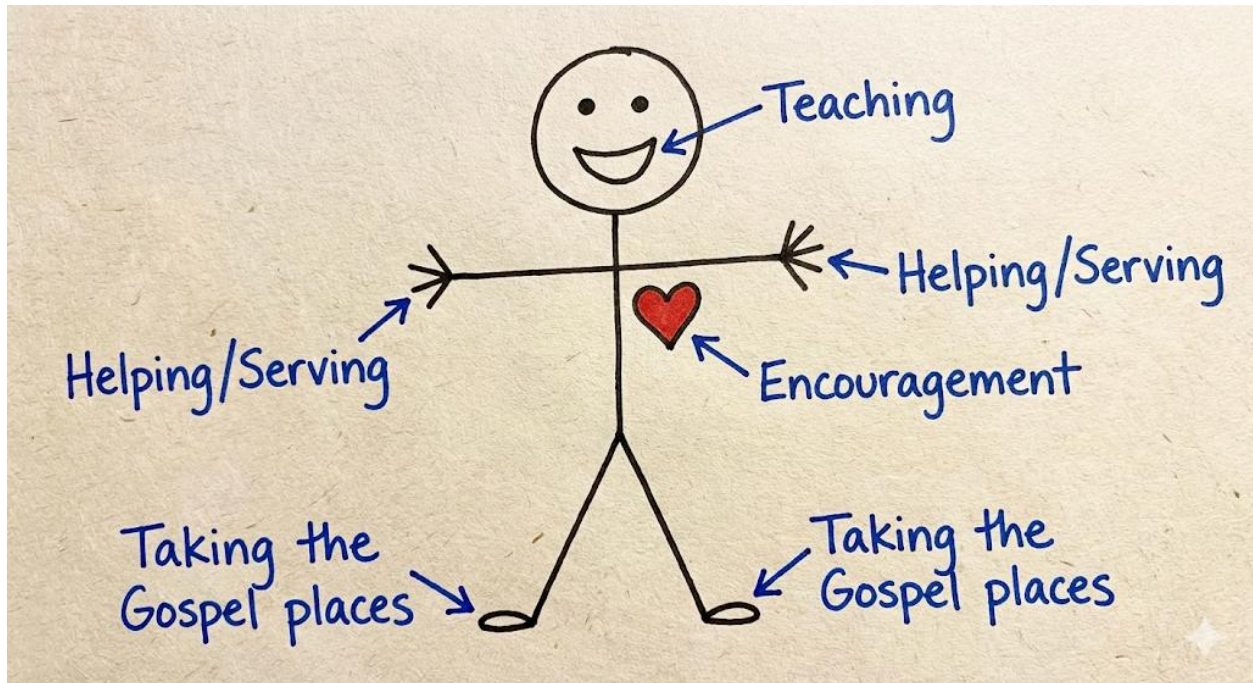

When we work in cooperation with the Holy Spirit, He gives us special abilities called **Spiritual Gifts**. These are not natural talents like being good at football. They are **supernatural abilities given by the Holy Spirit to every believer** to help build up the church.

- **Examples:** Wisdom, knowledge, faith, gifts of healing, miraculous powers, prophecy, distinguishing between spirits, speaking in different kinds of tongues, interpretation of tongues

2. Unity in Diversity

Paul explains this using the human body (1 Corinthians 12:12-20). The body has many parts (eyes, ears, hands, feet), but it is **one body**. Each part has a different, important job. The eye cannot say to the hand, "I don't need you!"

- **In the Church:** Some have the gift of teaching (like the mouth). Some have the gift of helping (like the hands). Some have the gift of leadership (like the head). **All are necessary**. No gift is more important than another. We all need each other.

3. The Purpose of Spiritual Gifts

Spiritual gifts are **not for showing off** or making yourself feel important. The Bible says they are given **"for the common good"** (1 Corinthians 12:7). This means:

- To help other believers grow stronger.
- To serve people in need.
- To bring glory to God, not to ourselves. We must use our gifts with love (1 Corinthians 13).

4. Eternal Rewards

Working faithfully with the Holy Spirit has rewards now (joy, seeing people helped) and rewards in heaven.

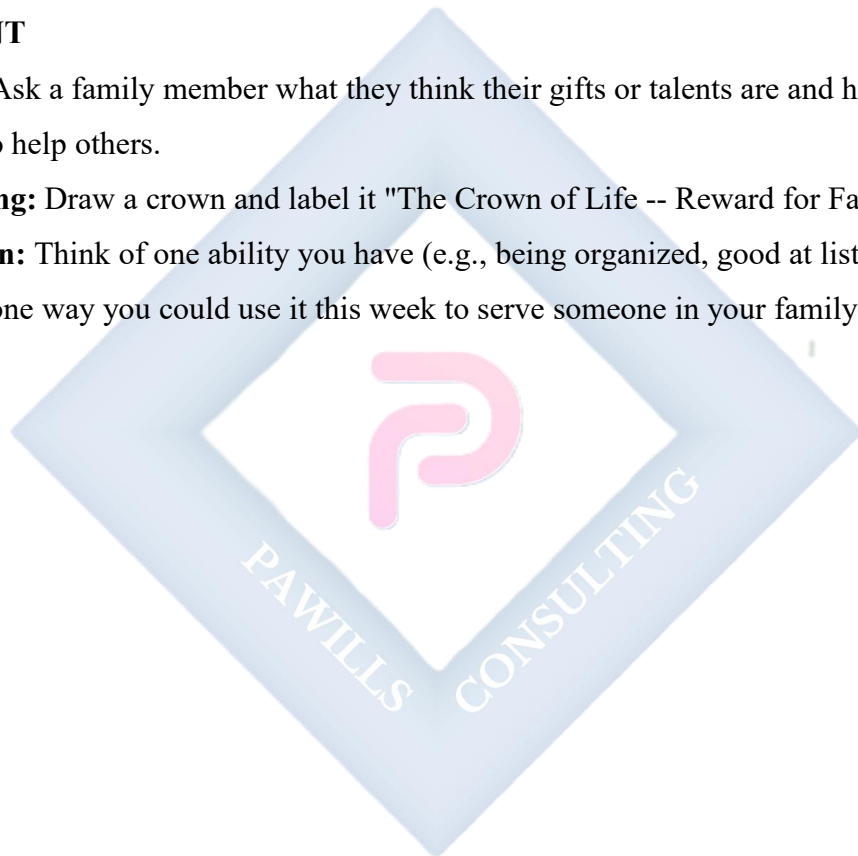

- **1 Corinthians 3:14:** If what you build (your work for God) lasts, **"the builder will receive a reward."**
- **James 1:12:** God promises the **"crown of life"** to those who persevere under trial because they love Him.
- **Matthew 25:21:** Faithful servants will hear, **"Well done, good and faithful servant!... Come and share your master's happiness!"** Eternal joy with God is the greatest reward.

EVALUATION

1. Who gives spiritual gifts to believers?
2. Name three spiritual gifts from the Bible.
3. Why does God give us these gifts? (For the common good/to build up the church).
4. Is it right to use a spiritual gift to make yourself look important? Why or why not?
5. What is the "crown of life"?
6. According to the body illustration, why should we not look down on someone with a different gift?

ASSIGNMENT

1. **Oral:** Ask a family member what they think their gifts or talents are and how they use them to help others.
2. **Drawing:** Draw a crown and label it "The Crown of Life -- Reward for Faithfulness."
3. **Written:** Think of one ability you have (e.g., being organized, good at listening, creative). Write one way you could use it this week to serve someone in your family or class.

WEEK 11: REVISION

- **Review of Pentecost:** The disciples waited, the Holy Spirit came with wind and fire, they spoke in tongues, Peter preached boldly, and 3000 were saved. **Key Verse:** Acts 1:8.
- **Review of the Holy Spirit's Work in Us:** He produces the Fruit of the Spirit (Love, Joy, Peace, etc.) in our character to make us more like Jesus. **Key Verse:** Galatians 5:22-23.
- **Review of Faithfulness with the Holy Spirit:**
 - **Stephen:** Faithful unto death, forgiving his killers.
 - **Philip:** Obedient to the Spirit's guidance, leading the Ethiopian to Christ.
 - **Peter:** Used the Spirit's power to heal a lame man and preach boldly.
- **Review of Rewards:** Spiritual gifts are for serving others. God promises eternal rewards, like the "crown of life," for those who work faithfully for Him.
- **Interactive Recap:** The teacher will lead a session asking questions like:
 - "What did the sound of the rushing wind represent?"
 - "What is one Fruit of the Spirit you want to grow in?"
 - "How did Philip know where to go and what to do?"
 - "Why is it important that we all have different spiritual gifts?"
- **Final Memory Verse Recitation:** Practice Acts 1:8 and Galatians 5:22-23 together as a class.
