PRIMARY 4 ISLAMIC RELIGIOUS STUDIES LESSON NOTES

FIRST TERM

WEEK 1: SURATUL HUMAZAH (THE SLANDERER) -- PART 1

OBJECTIVES

By the end of the lesson, pupils should be able to:

1. Identify Suratul Humazah as the 104th chapter of the Qur'an.
2. Recite verses 1-5 of Suratul Humazah with correct pronunciation.
3. State the meaning of "Al-Humazah" and "Al-Lumazah."
4. Explain the warning against gathering wealth without spending it for good.

CONTENT

- **Introduction to Suratul Humazah:** Suratul Humazah is a short but powerful chapter in the Holy Qur'an. It is chapter number 104. It was revealed in Makkah. The Surah is like a teacher telling us two important lessons: how to behave correctly towards others and how to handle money properly.

- **Where is it?** Imagine the Qur'an is a big book with 114 chapters. This surah is near the end, like the last few pages of the book.

- **Why was it sent?** The people in Makkah at that time loved money very much and liked to gossip. Allah sent this surah to correct them.

- **Recitation of Verses 1-5:** Pupils learn to recite the first part of the Surah clearly. Let's say it slowly, word by word.

- *Verse 1:* "Wailul-likulli humazatil-lumazah" (Woe to every slanderer and backbiter).

- **Woe** means a very serious warning of punishment, like when a parent says, "You are in big trouble!"

- *Verse 2*: "Allazee jama'a malaw-wa 'addadah" (Who collects wealth and [continuously] counts it).

- Imagine someone who gets money, hides it in a box, and keeps opening the box just to count it again and again, feeling happy looking at it but never using it to help anyone.

- *Verse 3*: "Yahsabu anna malahu akhladah" (He thinks that his wealth will make him immortal).

- **Immortal** means to live forever, never to die. Some people think, "If I am very rich, nothing bad can happen to me, not even death." This is a foolish thought.

- *Verse 4*: "Kalla layumbazanna fil hutamah" (No! He will surely be thrown into the Crusher).

- *Verse 5*: "Wa ma adraka mal-hutamah" (And what can make you know what is the Crusher?).

- Allah is saying, "You don't even know how terrible that Crusher is!"

- **Meaning of Humazah and Lumazah:**

- **Al-Humazah** refers to someone who talks bad about others behind their backs (backbiting). It also means insulting people or making fun of them with words.

- **Example:** If Aisha is not in class and Zainab says, "Look at Aisha's old shoes, they are so dirty," that is *Humazah*.
- **Example:** Calling someone "stupid" or "fat" to hurt their feelings is *Humazah*.
- **Al-Lumazah** refers to someone who makes fun of others using actions, like rolling their eyes, pointing fingers, or making funny faces to mock someone.
- **Example:** When the teacher asks Chinedu a question and Emeka laughs and points at him, that is *Lumazah*.
- **Example:** Seeing someone fall down and laughing at them instead of helping is *Lumazah*.
- Allah (SWT) dislikes both of these bad habits because they hurt people's feelings and break friendships.

Humazah

Lumazah

- **Warning Against Hoarding Wealth:** In verse 2, Allah warns us about people who only care about gathering money and counting it over and over again. They do not help the poor, their family, or even themselves with good things. They love money so much that they think it will make them live forever (Verse 3). We learn that money cannot stop death, and true wealth is doing good deeds.
- **What is hoarding?** It is like when you have ten sweets and you keep all ten for yourself, not sharing even one with your brother or friend who has none.

- **Good use of money:** Using money to buy food for your family, pay for school, give to a beggar, or buy a gift for your mother. This pleases Allah.
- **Remember:** Money is a test from Allah. Will we use it for good or become its slave?

EVALUATION

1. Suratul Humazah is the _ _ _ _ chapter of the Qur'an.
2. "Wailul-likulli humazatil-lumazah" is the first verse. What does "Wail" mean? a) Congratulations b) A warning of punishment c) A greeting
3. Musa collected his pocket money for months and kept it in a tin, always counting it but never buying anything. Which verse describes Musa?
4. What is the difference between "Humazah" and "Lumazah"? Give one example of each.
5. Why is it wrong to think money can make us live forever?

ASSIGNMENT

1. **Written:** Write down the English meaning of Verse 1 of Suratul Humazah in your notebook.
2. **Practical/Drawing:** Draw two scenes. One showing *Humazah* (bad talk) and one showing *Lumazah* (bad actions). Write a sentence below each drawing saying what is wrong.
3. **Oral:** Practice reciting verses 1-5 at home three times. Recite it to your parent or guardian.

WEEK 2: SURATUL HUMAZAH (THE SLANDERER) -- PART 2

OBJECTIVES

By the end of the lesson, pupils should be able to:

1. Recite the complete Suratul Humazah (Verses 1-9) with Tajwid.
2. Explain the meaning of "Al-Hutamah" (The Crusher).
3. Describe the punishment for those who slander others and hoard wealth.
4. Mention two lessons learned from the Surah to apply in daily life.

CONTENT

- **Complete Recitation (Verses 6-9):** We continue from where we stopped. Let's complete the scary picture Allah is painting.

- *Verse 6:* "Narullahil-muqadah" (It is the fire of Allah, [eternally] fueled).

- **Narullah** means "Allah's Fire". It is not like our kitchen fire. It is a special, terrible fire that Allah has prepared.

- **Muqadah** means it is always burning, never going out. Imagine a fire that has been given so much fuel that it can never finish.

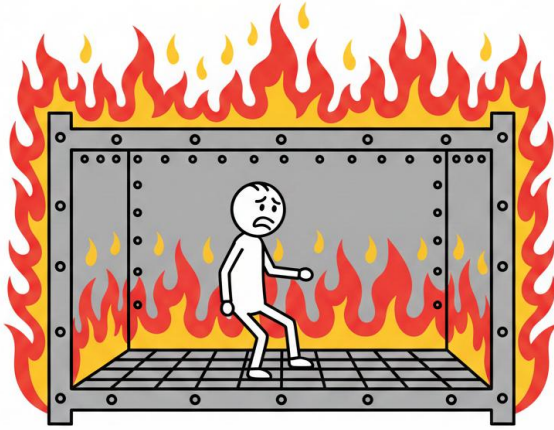

- *Verse 7:* "Allatee tattali'u 'alal af'idah" (Which mounts directed at the hearts).

- **Af'idah** means hearts. This fire will not just burn the skin; it will reach inside and burn the *heart*. The heart feels sadness, happiness, and love. This fire will cause deep, inside pain.

- *Verse 8:* "Innaha 'alayhim mu'sadah" (Indeed, Hellfire will be closed down upon them).

- Imagine being locked inside a very hot room with no windows, doors, or fan. That is what "closed down upon them" means – no escape at all.

No Door, No Window

- Verse 9: "Fee 'amadim-mumaddadah" (In extended columns).
- They will be tied to very long, tall pillars so they cannot move or run away from the heat.
- **Meaning of Al-Hutamah:** In the previous lesson, we heard the word *Al-Hutamah* in verse 5. This is one of the names of Hellfire. It means "The Crusher" or something that breaks things into pieces.
 - **Why "Crusher"?** Think of a big rock falling on a glass cup. The cup breaks into tiny pieces (CRUSH!). Hellfire is called *Al-Hutamah* because it crushes and destroys everything thrown into it---pride, wealth, and the person's body.
 - It is a place of complete destruction for those who disobeyed Allah.
- **The Punishment:** The Surah describes the punishment for people who gossip, slander, and are greedy with money. Let's connect the actions to the punishment:
 - **Bad Action:** Gossiping and mocking people (Humazah & Lumazah).
 - **Bad Action:** Loving and counting money too much, not helping others.
 - **Punishment:** Being thrown into *Al-Hutamah* (The Crusher).

- **Punishment Details:**

- i. Fire of Allah (very severe).
- ii. Fire reaches the heart (deepest pain).
- iii. Locked in with no escape.
- iv. Tied to pillars (cannot move). This shows how much Allah hates these sins.

- **Lessons for Daily Life:**

a. **Guard the Tongue:** Our mouth is like a gate. We must only let good words out. We must never speak ill of others or gossip. If we have nothing good to say, we should remain silent. Before speaking, think: "Will this make Allah happy? Will it hurt my friend?"

b. **Be Generous:** We should not just pile up money or toys. We must use our blessings (food, clothes, pocket money) to help the needy and please Allah. Share your biscuit. Give old clothes to the poor. This protects us from greed.

c. **Respect Others:** We must treat everyone with respect and never mock anyone. Everyone is Allah's creation. How would you feel if you were mocked?

EVALUATION

1. Recite the last verse (Verse 9) of Suratul Humazah.
2. *Al-Hutamah* is a name for Hellfire. What does it mean? a) The Cool Place b) The Crusher c) The Garden
3. According to Verse 7, what part of the body does the fire reach to cause the worst pain?
4. Why is the punishment described as being "closed down" upon them? What does it mean?
5. To avoid the punishment in this Surah, should you share your sweets or hide them all? Why?

ASSIGNMENT

1. **Written/Drawing:** Draw a simple table with two columns.

Bad Habits in Suratul Humazah	Good Habits to Replace Them
Backbiting	Speaking good or staying silent
Hoarding money	Sharing and giving charity

2. **Written:** Write down the English translation of Verse 6 ("Narullahil-muqadah...").
3. **Oral/Memorization:** Memorize the complete Suratul Humazah (Verses 1-9) for oral recitation in the next class. Say it to yourself before you sleep.

WEEK 3: SURATUL FIL (THE ELEPHANT) -- PART 1

OBJECTIVES

By the end of the lesson, pupils should be able to:

1. Narrate the story of Abraha and the Year of the Elephant.
2. Recite verses 1-3 of Suratul Fil correctly.
3. Identify the reason why Abraha wanted to destroy the Kaaba.
4. Explain the meaning of "Ashabil-Fil."

CONTENT

- **The Story of the Elephant (Historical Context):** This Surah tells a true story that happened in the year Prophet Muhammad (SAW) was born. This year is called the "**Year of the Elephant.**"

- **Who was Abraha?** A proud and wicked king from a country called Yemen (in the south of Arabia).

- **What did he build?** He built a very big, beautiful church. He wanted everyone to come worship at his church because he was jealous.

- **The Problem:** People loved the Kaaba in Makkah more. They traveled from everywhere to visit Allah's House. Abraha became very angry and jealous. He thought, "I will destroy the Kaaba so people will have to come to my church!"

- **Abraha's Attack:** Abraha gathered a huge army with many soldiers and weapons. To scare the people of Makkah, he brought something they had never seen before: **huge elephants!**

- The Arabs only had camels and horses. They were terrified of these giant animals with long trunks.

- The biggest elephant was named **Mahmud**. It was meant to smash the Kaaba with its body and strength.

- **The Miracle:** When they reached near Makkah, the big elephant, Mahmud, refused to move forward toward the Kaaba. It knelt down on the ground! When the soldiers turned it away

from the Kaaba, it would run. But whenever they pointed it towards the Kaaba, it would sit down. It was as if the elephant knew it was facing the House of Allah and refused to attack it.

- **Recitation of Verses 1-3:** Now let's read what Allah says about this event.
 - *Verse 1:* "Alam tara kayfa fa'ala rabbuka bi ashaabil feel" (Have you not considered, [O Muhammad], how your Lord dealt with the companions of the elephant?).
 - Allah is asking the Prophet (and us) to think about this amazing story.
 - *Verse 2:* "Alam yaj'al kaydahum fee tadleel" (Did He not make their plan into misguidance?).
 - **Kaydahum** means their evil plan (to destroy the Kaaba). **Tadleel** means failure and misguidance. Allah made their strong plan completely useless!
 - *Verse 3:* "Wa arsala 'alayhim tayran ababeel" (And He sent against them birds in flocks).
 - **Tayran Ababeil** means birds in large groups, like clouds in the sky. Help was coming from the sky!
- **Meaning of Ashabil-Fil:** "Ashabil-Fil" means "The Companions of the Elephant" or "The People of the Elephant."
 - This refers to **Abraha and his whole army** who tried to fight against Allah using elephants.

- Verse 2 tells us that Allah made their evil plan fail completely. No one can defeat Allah's plan.

EVALUATION

1. Who was the jealous king that wanted to destroy the Kaaba?
2. What special animal did his army bring to scare people?
3. What did the big elephant do when it was directed to face the Kaaba? a) It ran fast b) It knelt down c) It ate grass
4. Recite the first verse of Suratul Fil ("Alam tara kayfa...").
5. "Ashabil-Fil" means the people/companions of the _____.

ASSIGNMENT

1. **Written:** Write a short paragraph (3 sentences) retelling why Abraha came to Makkah. Start like this: "Abraha was a king from Yemen. He was jealous because..."
2. **Written:** Translate Verse 3 of Suratul Fil ("Wa arsala 'alayhim...") into simple English.
3. **Research/Oral:** Ask an older person at home: "What is the name of the city where the Kaaba is located?" Write down the answer: **Makkah**.

WEEK 4: SURATUL FIL (THE ELEPHANT) -- PART 2

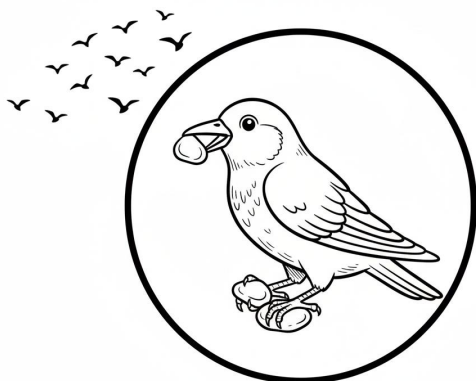

OBJECTIVES

By the end of the lesson, pupils should be able to:

1. Recite the complete Suratul Fil (Verses 1-5).
2. Describe how Allah protected the Kaaba using birds (Ababil).
3. Explain the meaning of "Sijjil" and "Asfim-ma'kul."
4. State two lessons learned about Allah's power and protection.

CONTENT

- **Complete Recitation (Verses 4-5):** Let's finish the story by reading the last two verses.
 - *Verse 4:* "Tarmeehim bi hijaratim min sijjeel" (Striking them with stones of hard clay).
 - *Verse 5:* "Fa ja'alahum ka'asfim ma'kool" (And He made them like eaten straw).
- **The Miracle of the Birds (Ababil):** When the elephant refused to move, Allah's help came in a surprising way. He sent small birds called **Ababil** in large flocks. These were not big eagles or hawks, but small birds sent by Allah's command.
 - **What did they carry?** Each bird carried **three small stones**: one in its beak and two in its claws.

- **The Destruction (Sijjil and Asfim-ma'kul):** Now, let's understand the powerful words in verses 4 and 5.

- **Sijjil:** The birds dropped stones made of special baked clay (*Sijjil*) on the soldiers.

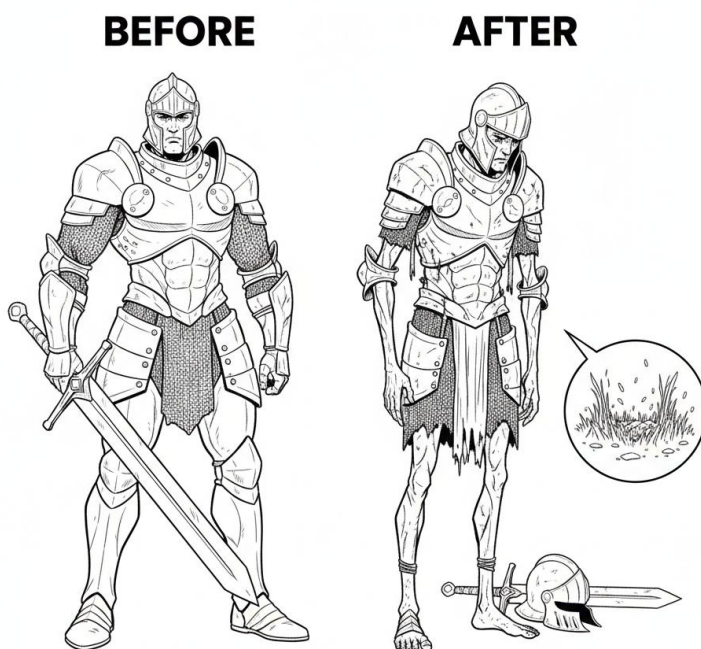

- Think of clay pots that are put in a very hot oven to become hard. These stones were like that but sent by Allah. They were small but very hot and powerful.

- Imagine a tiny pebble hitting a soldier's arm and it goes through like a bullet! That was Allah's power.

- **Asfim-ma'kul:** When the stones hit the soldiers, it destroyed them completely. The Surah says they became like "**eaten straw**" or chewed-up grass (*Asfim-ma'kul*).

- Have you seen a goat or cow chew grass? It becomes soft, wet, and broken into pieces.

- That is how the strong, proud army of Abraha looked---completely destroyed, like useless chewed grass. Their big elephants and weapons could not help them.

- **Lessons from the Surah:**

a. **Allah is the Best Protector:** The people of Makkah had no big army, no elephants, and no stones to fight. But Allah protected His House (the Kaaba) Himself. When we are weak and trust Allah, He is enough for us.

b. **Size Doesn't Matter to Allah:** Abraha had huge elephants and many soldiers. Allah used tiny birds and small stones to defeat them. A small ant obeying Allah is better than a proud elephant disobeying Him.

c. **Sanctity of the Kaaba:** We must love and respect the Kaaba because it is the House of Allah. It is a special place where Muslims from all over the world face when they pray.

EVALUATION

1. What did the small Ababil birds carry in their beaks and claws?
2. Recite the last verse (Verse 5) of Suratul Fil.
3. The stones were made of "Sijjil." What is Sijjil? a) Soft mud b) Baked hard clay c) Sweet chocolate
4. "Asfim-ma'kul" means the army became like _____. a) strong lions b) eaten straw c) flying birds
5. Who is more powerful: a king with a big army or Allah? Why?

ASSIGNMENT

1. **Drawing:** Draw a simple picture showing the Kaaba safe on the ground, and above it, a flock of birds (Ababil) flying.
2. **Written:** Write down one lesson you learned from the story of the Elephant. Start with: "I learned that Allah..."
3. **Oral/Memorization:** Memorize the full Suratul Fil (Verses 1-5) to recite clearly in the next class.

**WEEK 5 & 6: (MID-TERM EXAMINATION AND BREAK - NO LESSON NOTES
REQUIRED)**

WEEK 7: PURPOSE OF MAN'S CREATION (SURAH ADH-DHARIYAT 51:56)

OBJECTIVES

By the end of the lesson, pupils should be able to:

1. Recite Surah Adh-Dhariyat verse 56 in Arabic.
2. Translate the verse into English.
3. Define "Ibadah" (Worship) in a broad sense.
4. List three ways a primary school pupil can worship Allah daily.

CONTENT

- **The Big Question:** Sometimes children ask, "Why am I here?" or "What is my job on earth?" Allah answers this big question clearly in the Qur'an in a simple verse.

- **Recitation and Translation:**

- *Arabic:* "**Wa ma khalaqtul jinna wal insa illa liyabudoon.**"

- *Translation:* "**And I (Allah) did not create the Jinn and Mankind except to worship Me.**" (Surah Adh-Dhariyat, 51:56).

- **Who did Allah create?** Two groups: **Al-Jinn** (invisible beings created from fire) and **Al-Ins** (Human beings created from clay---that's us!).

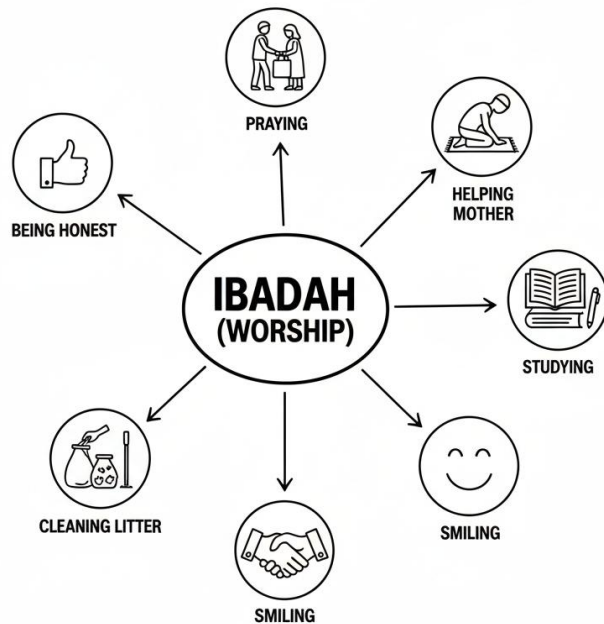

- **Why?** The ONLY reason is "**liyabudoon**"---to worship Me (Allah).

- **Understanding Ibadah (Worship):**

- **Common Mistake:** When we hear "worship," we often think only of praying (Salat) in the mosque, fasting, or reading Qur'an. That is correct, but it's not the whole picture.

- **The Big Meaning:** In Islam, **Ibadah** is much bigger. It means obeying Allah in *everything* we do, every minute of the day, if we do it to please Him.

- **Simple Rule:** Any good action you do, knowing Allah wants it and hoping for His reward, is **Ibadah**.

- **How We Worship in Daily Life:** Let's think about a primary school pupil's day:
 - **At Home:**
 - **Obedience:** Listening to your parents immediately when they call you is worship.
 - **Kindness:** Helping your younger sister tie her shoe is worship.
 - **Cleanliness:** Taking your bath, keeping your room tidy is worship.
 - **At School:**
 - **Respect:** Greeting your teacher "Assalamu alaikum" is worship.
 - **Honesty:** Telling the truth even if you did something wrong is worship.
 - **Hard Work:** Paying attention in class and doing your homework well is worship.
 - **Outside:**
 - **Charity:** Giving a little of your pocket money to a beggar is worship.
 - **Good Manners:** Removing a stone or banana peel from the road so no one falls is worship.

- **Remembering Allah:** Saying "Bismillah" before eating and "Alhamdulillah" after is worship.
- **We were created to know Allah, love Him, and obey His commands in every part of our lives, not just inside the mosque.**

EVALUATION

1. Recite the verse from Surah Adh-Dhariyat about why we were created.
2. What is the English meaning of "Iyabudoon"? a) to play b) to worship c) to sleep
3. Name the two groups of beings Allah created according to the verse.
4. Is helping your father wash the car considered worship? Yes/No. Give a reason.
5. What is the one main purpose for which Allah created you and me?

ASSIGNMENT

1. **Written:** Write the translation of Surah Adh-Dhariyat verse 56 in your notebook.
Decorate the page with a nice border.
2. **Written/Practical:** List three good deeds you can do at school tomorrow that count as worship (e.g., share a pencil with someone who forgot theirs).
3. **Oral/Explanation:** Explain to a family member in your own words what "Ibadah" means.
Then write one sentence: "Ibadah means..."

WEEK 8: SALAT (PRAYER) -- PART 1

OBJECTIVES

By the end of the lesson, pupils should be able to:

1. State the position of Salat in the pillars of Islam.
2. List the five compulsory daily prayers in their correct order.
3. Mention the approximate times for each prayer.
4. Identify three things one must do before starting Salat (Prerequisites).

CONTENT

- **Importance of Salat:** Salat is the **second pillar of Islam**. It is the most important daily duty of a Muslim.
 - It is the **direct connection** between a servant and Allah. Like a phone call to Allah five times a day.
 - The Prophet (SAW) said it is the first thing we will be asked about on the Day of Judgment. If our Salat is good, our other deeds will be looked at. If it is bad, then other deeds may be rejected.

- **The Five Daily Prayers:** Every Muslim must pray five times a day. They have special names and times. Let's learn them like a daily timetable:

Daily Prayer Timetable

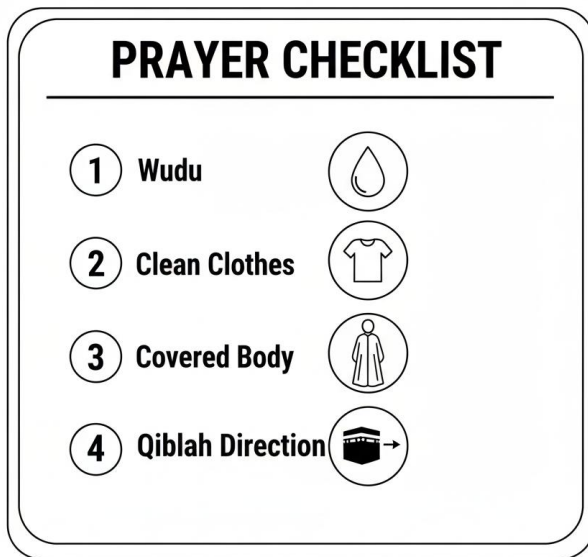

PRAYER NAME	NUMBER OF RAK'AHs (Optional)	TIME	SYMBOL
FAJR	2	5:30 AM	
DHUHR	4	12:45 PM	
ASR	4	4:15 PM	
MAGRRIH	3	7:00 PM	
ISHA	4	8:84 PM	

Prayer	Time (Approximate)	Picture (Sun/Moon Position)
1. Fajr	Dawn, before sunrise	Dark sky with a thin light near the horizon
2. Dhuhr	Noon, just after the sun passes its highest point	Sun high in the sky
3. Asr	Late afternoon, before sunset	Sun lower in the sky with long shadows
4. Maghrib	Immediately after sunset	Sun just below the horizon; orange sky
5. Isha	Night, when the sky is completely dark	Dark sky with the moon and stars

- a. **Fajr:** The dawn prayer. It is very cool and peaceful. Waking up for Fajr shows strong faith.
- b. **Dhuhr:** The noon prayer. When the sun starts to go down a little from the middle of the sky.
- c. **Asr:** The afternoon prayer. Time to pray before the sun becomes yellowish.
- d. **Maghrib:** The sunset prayer. We break our fast in Ramadan at this time. It is short but important.
- e. **Isha:** The night prayer. Before going to sleep.

- **Prerequisites (Conditions before Prayer):** Before we can stand for prayer, we must be ready. We cannot just jump into prayer. Think of it like preparing to visit a very important King. We need:

- a. **Taharah (Purity):** We must perform **Wudu** (ablution with water). If we are sick or there is no water, we perform **Tayammum** (with clean dust/sand).
- b. **Cleanliness:** Our body, our clothes, and the place where we pray must be clean from dirt (najasah) like urine, feces, or blood.
- c. **Covering the Aurah:** We must wear proper clothes that cover our bodies modestly. For boys, cover from navel to knee at least. For girls, cover everything except face and hands.
- d. **Facing the Qiblah:** We must face the direction of the **Kaaba** in Makkah. In Nigeria, we face roughly the Northeast direction.

- **The Adhan (Call to Prayer):** This is the beautiful call we hear from the mosque. It tells us, "Stop what you are doing, it's time to pray!" When we hear it, we should get ready for Salat.

EVALUATION

1. Salat is the _____ pillar of Islam.
2. Which prayer is performed immediately after the sun sets? a) Fajr b) Asr c) Maghrib
3. Name the prayer performed in the morning before sunrise.
4. Mention three things you must check/do before you start praying.
5. What is the direction Muslims face when praying called? _____.

ASSIGNMENT

1. **Written:** Write down the names of the five daily prayers in the correct order (from Fajr to Isha).
2. **Practical/Research:** Ask your parents or check today: What time is Maghrib prayer today? Write it down in your notebook.
3. **Drawing:** Draw a simple prayer mat. On it, draw an arrow pointing to one short end. Label the arrow "Qiblah".

WEEK 9: SALAT (PRAYER) -- PART 2

OBJECTIVES

By the end of the lesson, pupils should be able to:

1. Demonstrate the physical steps of Salat (Standing, Bowing, Prostrating).
2. Recite the Takbiratul Ihram.
3. Explain the importance of Khushu (concentration) in prayer.
4. Mention two things that can spoil (invalidate) the Salat.

CONTENT

- **Steps of Performing Salat:** Let's go through the actions slowly. It's like a special exercise for pleasing Allah.

- a. **Niyyah (Intention):** In your heart, silently know which prayer you are about to pray (e.g., "I intend to pray 2 Rak'ahs of Fajr for Allah").

- b. **Takbiratul Ihram:** Raise hands to ears (for boys) or shoulders (for girls) and say "Allahu Akbar" (Allah is the Greatest). This is the key that starts the prayer. After this, we cannot talk, eat, or do normal things.
 - c. **Qiyam (Standing):** Fold right hand over left on the chest. Look down at the place where your forehead will touch in prostration. Recite Surah Al-Fatiha and then a short Surah (like Al-Ikhlâs).
 - d. **Ruku (Bowing):** Say "Allahu Akbar", bow down with hands on knees, keeping the back straight. Don't bend your neck. Say "Subhana Rabbiyal Azeem" (Glory to my Lord, the Almighty) three times.
 - e. **I'tidal (Rising):** Stand up straight again saying "Sami' Allahu liman hamidah" (Allah hears those who praise Him). Then say, "Rabbana wa lakal hamd" (Our Lord, all praise is for You).
 - f. **Sujud (Prostration):** Say "Allahu Akbar". Place forehead, nose, palms, knees, and toes on the ground. This is the closest we are to Allah. Say "Subhana Rabbiyal A'la" (Glory to my Lord, the Most High) three times.
 - g. **Jalsa (Sitting between Prostrations):** Sit up, say "Allahu Akbar". Sit for a moment to say "Rabbi ighfir li" (O my Lord, forgive me).
 - h. **Second Sujud:** Go back into prostration and say "Subhana Rabbiyal A'la" three times.
 - i. **Tashahhud & Salam (Ending):** After the required Rak'ahs, sit for the final Tashahhud (attahiyatu...). End the prayer by turning your head to the right saying "Assalamu alaykum wa Rahmatullah" and then to the left saying the same. This means "Peace and mercy of Allah be upon you." The prayer is now finished.
- **Concentration (Khushu):** When praying, we must focus our heart and mind.
 - **What is Khushu?** It is feeling humble, remembering Allah, and not thinking about other things.
 - **How to have Khushu?** Understand what you are reciting (even if in Arabic, know the meaning). Think that you are standing before the King of Kings, Allah, who sees you.
 - We should not look around, play with our clothes, or think about games. That makes our prayer like a empty shell.

- **Invalidators of Salat (What spoils the prayer):** Things that break the prayer and you have to start again:

- **Talking** intentionally (even one word).
- **Eating or drinking** while praying.
- **Laughing out loud** (a small smile is okay).
- **Passing wind, urine, or stool** (breaks your Wudu).
- **Turning your chest** away from the Qiblah on purpose.
- **Doing too many extra actions** like scratching many times.

EVALUATION

1. Show the teacher the position of **Ruku** (bowing).
2. What do we say when we are in **Sujud** (prostration)?
3. What are the very first words we say to start the prayer?

1. Identify the narrator of Hadith No. 2 (Umar bin Al-Khattab).
2. Define "Islam" based on the Hadith (The Five Pillars).
3. Define "Iman" based on the Hadith (The Six Articles of Faith).
4. Explain the meaning of "Ihsan" simply.

CONTENT

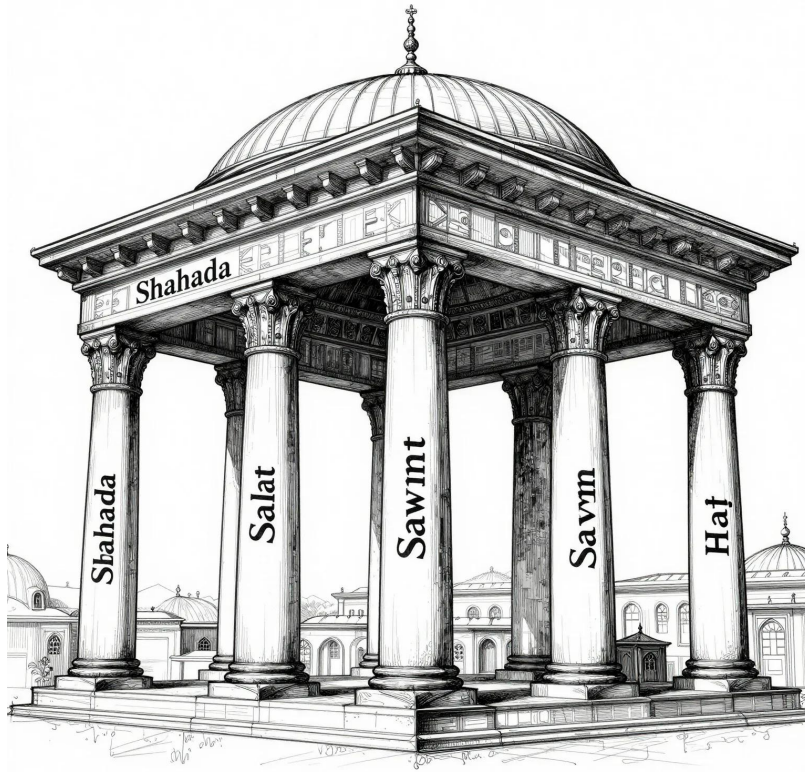

- **Introduction to the Hadith:** This is a very famous Hadith collected by Imam An-Nawawi.

The narrator is **Umar bin Al-Khattab (RA)**, the second Caliph. He told a wonderful story.

- **The Story:** One day, while they were with the Prophet (SAW), a stranger with very white clothes and very black hair appeared. He sat facing the Prophet, put his hands on his knees, and asked important questions. He was **Angel Jibril (Gabriel)** who came to teach the companions about Islam.

- **Question 1: "Tell me about Islam."** (What are the outward actions of a Muslim?) The Prophet (SAW) answered that **Islam** is built on five pillars:

- a. **Shahada:** To testify that there is no god but Allah and Muhammad is His Messenger. (This is the key to enter Islam).
- b. **Establishing Salat** (Praying five times daily).
- c. **Paying Zakat** (Giving a small part of our wealth to the poor each year).
- d. **Fasting in Ramadan** (Not eating/drinking from dawn to sunset).
- e. **Performing Hajj** (Pilgrimage to Makkah) if one is able (has health and money).

- **Question 2: "Tell me about Iman."** (What are the inner beliefs of a Muslim?) The Prophet (SAW) answered that **Iman (Faith)** is to believe in:

- a. **Allah** (The One God).
- b. **His Angels** (like Jibril, Mikail).
- c. **His Books** (Qur'an, Injil, Taurat, Zabur).
- d. **His Messengers** (like Muhammad, Isa, Musa, Ibrahim - peace be upon them all).
- e. **The Last Day** (Day of Judgment when we will be judged).
- f. **Destiny (Qadar)**, both good and bad (that everything happens by Allah's knowledge and will).

- **Iman** is in the heart. It is what we believe inside.

- **Question 3: "Tell me about Ihsan."** (What is excellence in worship?) The Prophet (SAW) gave a beautiful definition: **"Ihsan is to worship Allah as if you see Him, and if you cannot see Him, then know that He sees you."**

- **"As if you see Him"**: When you pray, imagine Allah is right in front of you. Would you look around or play? No! You would be very focused and perfect.

- **"He sees you"**: Even though we can't see Allah, He sees us everywhere, all the time. Like a hidden camera that never turns off. So we should always do our best and be honest, because Allah is watching.

- **Summary: Islam** = Actions of the body. **Iman** = Beliefs of the heart. **Ihsan** = Doing both in the best way, with full consciousness of Allah.

EVALUATION

1. Who was the companion that narrated this Hadith about Jibril asking questions?
2. Mention any three of the Five Pillars of Islam.
3. Mention any three of the Six Articles of Faith (Iman).
4. What is the main difference between **Islam** and **Iman** as explained in this Hadith? a) Islam is belief, Iman is action. b) Islam is action, Iman is belief. c) They are the same.
5. Explain "Ihsan" in one simple sentence.

ASSIGNMENT

1. **Written:** Write down the 6 articles of Faith (Iman) in your notebook. You can draw a heart shape and write them inside.

PRIMARY 4 ISLAMIC RELIGIOUS STUDIES LESSON NOTES

SECOND TERM

WEEK 1: SURATUL ASR (THE TIME)

OBJECTIVES

By the end of the lesson, pupils should be able to:

1. Recite Suratul Asr clearly with correct pronunciation.
2. State the meaning of "Al-Asr" (The Time).
3. List the four conditions required for a person to be successful according to the Surah.
4. Explain why wasting time is bad for a Muslim.

CONTENT

- Introduction and Recitation:

- Suratul Asr is Chapter 103 of the Qur'an. It is very short---only three verses---but its meaning is as heavy as a mountain. It is like a complete guide to success in this life and the next.

- *Verse 1:* "**Wal 'Asr**" (By Time).

- *Verse 2:* "**Innal insana lafee khusr**" (Indeed, mankind is in loss).

- *Verse 3:* "**Illallatheena aamanu wa 'amilus-salihati wa tawasaw bil-haqqi wa tawasaw bis-sabr**" (Except for those who have believed and done righteous deeds and advised each other to truth and advised each other to patience).

- **Meaning of "Al-Asr" (Time):**

- Allah swears by "**Time**" in this Surah. When Allah swears by something, it shows its great importance.

- **Time is precious:** Time is like a melting ice block. It passes quickly, never to return. Once today is gone, you can never get it back.

- **Time is a gift:** Allah gives us time (seconds, minutes, hours of life) as a trust (**Amanah**). We will be asked how we spent it. Did we use it for good or waste it?

- **The Four Conditions for Success:**

- The Surah gives shocking news: **Every single human being is in a state of LOSS.**

- **BUT...** there is a way out! Allah says we are saved from loss **only if** we have these four things together:

i. **Iman (Faith):** Believing in Allah, His angels, His books, His messengers, the Last Day, and Destiny. This is the foundation, like the roots of a tree.

ii. **Amal Salih (Good Deeds):** Acting on that belief. This is like the tree's trunk and branches. Examples: praying, studying hard, respecting parents, helping at home, speaking kindly.

iii. **Tawasaw bil-Haqq (Advising each other to Truth):** This means encouraging friends and family to do what is right and true. Example: If you see your friend about to copy someone's homework, you gently say, "Let's do our own work, it's more honest."

iv. **Tawasaw bis-Sabr (Advising each other to Patience):** This means encouraging others to be patient during difficulties. Example: If your friend fails a test, you say, "Don't give up, let's study harder together for the next one."

- All four must be together. Having just faith without good deeds is not enough. Doing good deeds without faith is not enough.

- **Managing Time Wisely:**

- A successful Muslim is like a good farmer. He plants good seeds (good deeds) in his field (time) every day.
- **Wasting time** is like letting your field grow weeds (playing video games all day, chatting uselessly, sleeping too much).
- We must balance our time between:
 - **Worship** (Prayers, Qur'an)
 - **Duties** (Schoolwork, helping at home)
 - **Rest** (Sleep, halal play)
- The Prophet (SAW) said to take advantage of five things before five others, and the first is: **"Your youth before your old age."** This means use your young, strong time for good deeds.

EVALUATION

1. "Wal 'Asr" means "By _____".
2. How many verses are in Suratul Asr?
3. According to Verse 2, all of mankind is in a state of _____.
4. Mention two of the four things that save a person from loss.

5. If Zainab spends all her evening watching cartoons instead of doing homework or helping her mother, is she using her time well? What might the Surah say about this?

ASSIGNMENT

1. **Written:** Write down the full translation of the third verse of Suratul Asr in your notebook.
2. **Drawing:** Draw a clock face. In the sections, draw small pictures of four good ways to use time (e.g., reading Qur'an, studying, helping, praying).
3. **Practical/Oral:** List the four conditions of success. Tell them to a family member and explain one.

WEEK 2: SURATU AT-TAKATHUR (THE PILING UP)

OBJECTIVES

By the end of the lesson, pupils should be able to:

1. Recite Suratu at-Takathur with Tajwid.
2. Explain the meaning of "At-Takathur" (Competition in increase).
3. Describe where the competition for worldly things leads human beings.
4. Mention the specific question Allah will ask us on the Day of Judgment regarding favors.

CONTENT

- Introduction to Suratu at-Takathur:

- This is Chapter 102 of the Qur'an. It is a strong warning against a disease of the heart: greed and competition for worldly things.

- Recitation:

- Verse 1-2: "**Alhakumut takathur. Hatta zurtumul maqabir.**" (Competition in [worldly] increase diverts you. Until you visit the graves.)

- Verse 8: "**Thumma latusalunna yawma-idhin 'anin na'eem.**" (Then you will surely be asked that Day about pleasure.)

- Meaning of At-Takathur:

- "**Takathur**" comes from the word "kathrah" which means "a lot". It means competing to have **more and more** than others.

- It is not just having things, but the **love** of having more and showing off.

- Examples in our life:

- "My dad's car is bigger than yours!"
- "I have more toys than you!"
- "My phone is the latest model!"
- Always wanting the newest bag, shoes, or game, not because you need it, but because others have it.

- The Reality of Death (Verses 1-2):

- The Surah says this competition **distracts** you. It keeps you so busy that you forget why you were created (to worship Allah).
- This distraction continues... **"Until you visit the graves."** This means you will keep competing until you die and are buried.
- **Lesson:** You cannot take your toys, money, or cars into the grave. Only three things go with you: your good deeds, your bad deeds, and the prayers of people for you.

- Accountability for Favors (Verse 8):

- On the **Day of Judgment**, Allah will not ask us *first* about our sins. He will ask us about His favors (Na'eem).
- **"Then you will surely be asked that Day about pleasure."**
- **What are these favors/pleasures?** Everything good we enjoyed:
 - **Health:** Your eyes to see, ears to hear, legs to run.
 - **Family:** Your parents who care for you.
 - **Food and Drink:** The tasty meals and cool water.
 - **Education:** Your school, teachers, and books.

- **The Question:** "I gave you all these blessings. **How did you use them?**"
 - Did you use your eyes to read Qur'an or to look at bad things?
 - Did you use your strength to help others or to bully them?
 - Did you say "**Alhamdulillah**" (Thanks to Allah) for your food?
- We must be **grateful (Shukr)**, not **greedy**.

EVALUATION

1. What does the word "**At-Takathur**" mean? a) Helping each other b) Competing to have more things c) Giving charity
2. According to the Surah, when does the competition for worldly things finally end for a person?
3. Recite the first verse of Suratu at-Takathur ("Alhakumut takathur").
4. On the Day of Judgment, what will Allah ask us about first according to Verse 8?
5. Ahmed always brags about his new bicycle and makes fun of Kola's old one. What is the name of the disease in his heart that this Surah warns about?

ASSIGNMENT

1. **Written:** Write the English meaning of Verse 8 of Suratu at-Takathur.
2. **Written/Reflection:** List three blessings/favors Allah has given you (e.g., eyesight, a loving family, a school to learn). Next to each, write how you can use it to please Allah.
3. **Oral/Memorization:** Memorize the first 4 verses of the Surah.

WEEK 3: HADITH NO. 3 FROM AN-NAWAWI'S COLLECTION

OBJECTIVES

By the end of the lesson, pupils should be able to:

1. Identify the narrator of Hadith No. 3 (Abdullah ibn Umar).
2. List the Five Pillars of Islam in the correct order.
3. Explain the meaning of "Shahada" and "Salat."
4. State the importance of these pillars to the "building" of Islam.

CONTENT

- The Hadith Narrator:

- This Hadith was reported by **Abdullah ibn Umar (RA)**. He was the son of the great companion Umar ibn Al-Khattab (RA). He learned Islam directly from the Prophet (SAW) and became a great teacher himself.

- The Structure of Islam:

- The Prophet (SAW) said: "**Islam is built upon five [pillars].**"
- **Imagine a strong house or a big tent.** What holds it up? Strong pillars or poles! If you remove even one pillar, the house becomes weak and may fall.
- Our religion, Islam, is like that house. These **five duties** are its strong pillars. They hold up our faith and keep it strong.

- **The Five Pillars (In Order of Importance & Performance):**

a. **Shahada (The Declaration of Faith):**

i. **The Words:** "Ash-hadu an la ilaha illallah, wa ash-hadu anna Muhammadan rasulullah."

ii. **Meaning:** "I testify that there is no god worthy of worship except Allah, and I testify that Muhammad is the Messenger of Allah."

iii. This is the **key** that opens the door to Islam. It is the first thing a person says to become a Muslim.

b. **Salat (Prayer):**

iv. Establishing the five daily prayers. It is the **direct link** between the servant and Allah. It is the most important action after Shahada.

c. **Zakat (Obligatory Charity):**

v. Giving a small portion (usually 2.5%) of our saved wealth each year to the poor and needy. It **purifies** our wealth and our hearts from greed.

d. **Sawm (Fasting in Ramadan):**

vi. Fasting from dawn to sunset during the month of Ramadan. It teaches us **self-control, patience, and empathy** for the poor.

e. **Hajj (Pilgrimage to Makkah):**

vii. Performing pilgrimage to the House of Allah (Kaaba) in Makkah, **once in a lifetime**, for those who are physically and financially able.

- **Importance of All Pillars:**

- A Muslim must try his best to do **all** of these. We cannot pick and choose. Like a chair needs all its legs to stand, our Islam needs all five pillars to be complete.

- Some are daily (Salat), some are yearly (Zakat, Sawm), and one is once in a lifetime (Hajj). Allah has made it easy for us.

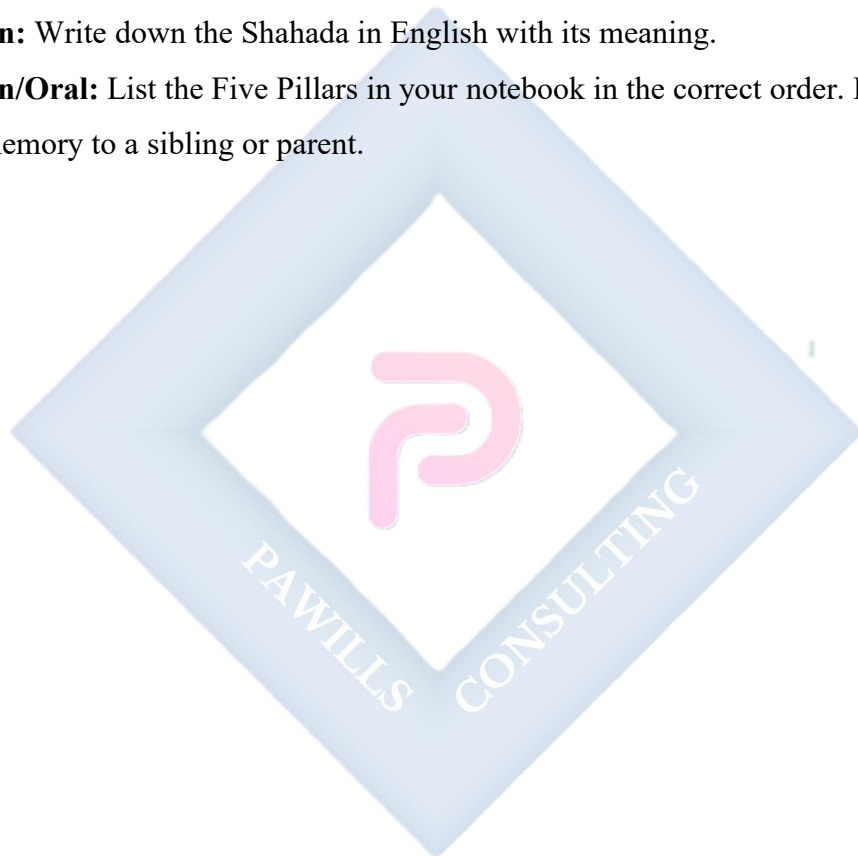

EVALUATION

1. Who narrated the Hadith that says "Islam is built upon five"?
2. How many pillars hold up the building of Islam?

3. What is the **first** pillar of Islam? Recite it in Arabic.
4. What does "**Zakat**" mean and what does it do to our wealth?
5. Which pillar involves traveling to the Kaaba in Makkah?

2. Identify Ramadan as the month of fasting.
3. Explain the terms "Suhoor" and "Iftar."
4. State who is required to fast (the conditions).

CONTENT

- Definition of Sawm:

- **Sawm** means "to refrain" or "to stay away from."
- In Islam, it means staying away from **food, drink, and bad behavior** from the break of dawn (Fajr time) until sunset (Maghrib time) **for the sake of Allah.**
- It is the **Fourth Pillar** of Islam.

- The Month of Ramadan:

- Fasting is done in the **9th month** of the Islamic calendar, called **Ramadan**.
- **Why Ramadan?** It is a very holy month because it is the month in which the **Qur'an** was **first revealed** to Prophet Muhammad (SAW) through Angel Jibril.
- Ramadan is a month of **mercy, forgiveness, and blessings**. Good deeds are multiplied in this month.

- **Important Meals of the Day:**

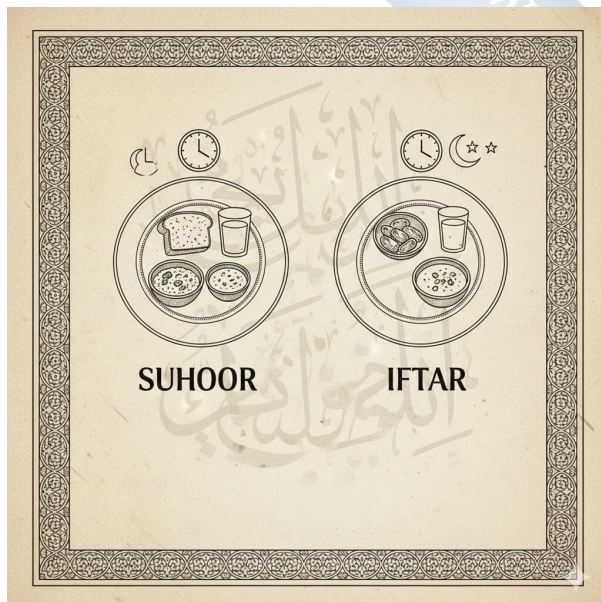

- **Suhoor (The Pre-Dawn Meal):**

- This is the meal we eat **early in the morning**, before Fajr prayer begins.
- It is a **blessed (Barakah)** meal. The Prophet (SAW) encouraged us to have Suhoor, even if it's just a sip of water.

- **Purpose:** It gives us energy and strength for the long day of fasting ahead.

- **Iftar (The Meal to Break the Fast):**

- This is the meal we eat **immediately after the sun sets** (at Maghrib time) to break our fast.
- It is a joyful time! The Prophet (SAW) loved to break his fast with **fresh dates** and **water**. If dates are not available, then with water.
- We say this **Dua (supplication)** when breaking fast: "*Allahumma laka sumtu wa 'ala rizqika aftartu*" (O Allah, for You I have fasted, and with Your provision I break my fast).

- **Who Must Fast? (Conditions):**

- Fasting in Ramadan is **compulsory (Fard)** for every Muslim who is:

i. **Adult (Baligh):** Has reached puberty (or about 15 years old). **Primary school pupils are encouraged to practice** fasting for half-days or full days to get used to it. It becomes a must when they grow up.

ii. **Sane ('Aqil):** In a healthy state of mind.

iii. **Healthy (Qadir):** Physically able to fast without severe harm. Sick people and travelers can break their fast and make up the days later.

iv. **Resident (Muqem):** Not on a difficult journey.

- **Who does NOT fast?** Young children, the very sick, elderly who are too weak, pregnant/nursing women if it's harmful, women during their monthly period. They have different rules (make up later or feed the poor).

EVALUATION

1. What is the Arabic word for fasting? _____
2. During which Islamic month do Muslims perform the obligatory fast?
3. From what time to what time do we stop eating and drinking? a) From Zuhr to Asr b) From Fajr to Maghrib c) From sunrise to noon
4. What do we call the meal eaten **before dawn**?
5. What do we call the meal eaten **to break the fast** at sunset?

ASSIGNMENT

1. **Practical/Research:** Ask your parents what time they wake up for **Suhoor** during Ramadan. Write down that time.
2. **Written:** Write one complete sentence defining "**Iftar.**" (e.g., Iftar is the meal Muslims eat at sunset to break their daily fast in Ramadan.)
3. **Drawing:** Draw a simple picture of the **Sunnah** for breaking fast: three dates and a glass of water on a plate.

**WEEK 5 & 6: (MID-TERM EXAMINATION AND BREAK - NO LESSON NOTES

WEEK 7: SAWM (FASTING) -- PART 2

OBJECTIVES

By the end of the lesson, pupils should be able to:

1. List two things that break the fast and two things that do not.
2. Mention two benefits of fasting (Spiritual and Social).
3. Name the festival that marks the end of Ramadan.
4. Explain how fasting teaches empathy.

CONTENT

- Things That Break (Invalidate) the Fast:

- If you do any of these **on purpose**, your fast for that day is broken and you must make it up later.
 - i. **Eating or drinking** intentionally. (If you **forget** you are fasting and eat, your fast is still valid! Allah fed you. Stop when you remember.)
 - ii. **Vomiting intentionally** (making yourself vomit).
 - iii. **Having a monthly period** (for women).
 - iv. **Intimate relations** between husband and wife during daytime.

- Things That Do NOT Break the Fast:

- You can still do these things:

- i. **Brushing your teeth** (without swallowing the toothpaste water).
- ii. **Taking an injection** for medicine (if it's not for food/nutrition).
- iii. **Tasting food** while cooking (without swallowing it).
- iv. **Swallowing your saliva.**
- v. **Taking a bath** or swimming (avoid swallowing water).

- **Benefits of Fasting:**

- **1. Spiritual Benefit - Taqwa (God-Consciousness):** Fasting trains us to say "NO" to our desires (hunger, thirst, anger) for Allah's sake. If we can say no to Halal food, we can learn to say no to Haram things like lying, stealing, and fighting. The Qur'an says: *"O you who believe! Fasting is prescribed for you... so that you may become pious (achieve Taqwa)."* (Surah Al-Baqarah 2:183)

- **2. Health Benefit:** It gives our stomach and digestive system a rest. It cleans our body. Doctors say it is good for health.

- **3. Social Benefit - Empathy:** When we feel hungry and thirsty, we remember our poor brothers and sisters who feel this way **every day**, not by choice. This makes our hearts soft. We want to help them more by giving charity (Sadaqah, Zakat).

- **Eid-ul-Fitr (The Festival of Breaking the Fast):**

- After completing **29 or 30 days** of Ramadan, Muslims celebrate a big, happy festival called **Eid-ul-Fitr**.

- It is a day of **joy, gratitude, and community**. We:

- i. Wear our best (often new) clothes.
- ii. Go to the Eid praying ground for a special prayer in the morning.
- iii. Give a special charity called **Zakat-ul-Fitr** before the Eid prayer, so the poor can also celebrate.
- iv. Visit family and friends, share meals and sweets.
- v. Forgive each other and spread happiness.

EVALUATION

1. If someone **accidentally** drinks water because they forgot they were fasting, is their fast broken? (Yes/No)
2. Mention **one** thing that **does** break a fast if done on purpose.
3. How does fasting help us understand and feel for poor people?
4. What is the name of the big celebration at the end of Ramadan?

ASSIGNMENT

1. **Written:** Write down the full name of the festival celebrated after Ramadan: **Eid-ul-Fitr**.
2. **Written/Reflection:** List two bad behaviors we should try especially hard to avoid **while fasting** (e.g., lying, getting angry quickly, gossiping).

- His birth was a light and mercy for all worlds. Strange and wonderful signs were seen on that night.

- His Family Tree:

- He came from the most noble and respected family in Makkah, the family of **Banu Hashim**, from the tribe of **Quraysh**.

- **Grandfather: Abdul-Muttalib**. He was the leader of Makkah. He loved his orphan grandson very much and took care of him after Aminah died. He called him "my dear son."
- **Uncle: Abu Talib**. After Abdul-Muttalib died, Abu Talib took the young Muhammad into his home. He protected him throughout his life, even though he did not accept Islam.

- **Childhood as an Orphan:**

- Losing both parents so young was very sad and difficult. But Allah was preparing him and protecting him.

- As a young boy, he worked as a shepherd, looking after sheep. This job taught him **patience, responsibility, and care for animals.**

- He never attended a formal school, but Allah was his teacher. He was known as "**Al-Ummi**" (the unlettered one), yet he would become the greatest teacher for mankind.

- **The Title "Al-Amin" (The Trustworthy One):**

- Even before he became a Prophet, he was known for his **perfect character.**

- He **never told a lie, never cheated, never broke a promise.**

- The people of Makkah, even those who hated him later, called him "**Al-Amin.**"

WEEK 9: PROPHET MUHAMMAD (SAW) -- PART 2

1. Describe the first revelation in Cave Hira.
2. Identify the Angel who brought the message.
3. Define "Hijrah" and explain why it happened.
4. State the name of the city the Prophet migrated to.

CONTENT

- The First Revelation:

- As he grew older, Prophet Muhammad (SAW) disliked the idol worship and bad habits of the people of Makkah. He loved to be alone to think about the Creator.

- He often went to a cave named **Cave Hira** on a mountain near Makkah. He would stay there for many days, thinking and worshipping the One God.

- When he was **40 years old**, something amazing happened. While he was in the cave, the Angel **Jibril (Gabriel)** appeared to him.

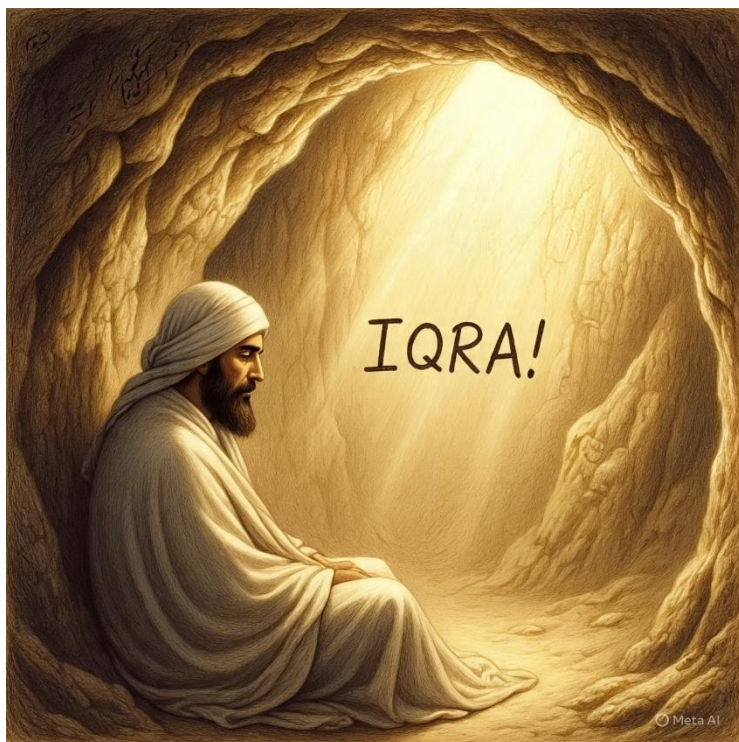

- The Angel squeezed him strongly and said, "**Iqra!**" which means "**Read!**" or "**Recite!**"

- The Prophet (SAW), who could not read or write, said, "**Ma ana bi qari**" (I am not one who can read).

- The Angel squeezed him again and repeated the command. This happened three times.

Then, Jibril recited the first words of the Qur'an: "***Iqra bismi rabbikalladhi khalaq. Khalaqal insana min 'alaq. Iqra wa rabbukal akram...***"* (Rad in the name of your Lord who created. Created man from a clinging clot. Read, and your Lord is the Most Generous...)

- This was the beginning of the revelation of the **Holy Qur'an**. Muhammad (SAW) had become the **Final Messenger of Allah**.

Preaching and Persecution:

- The Prophet (SAW) started calling people to Islam: to worship **Allah alone** and to leave idol worship.
- The first to believe were his wife **Khadijah (RA)**, his young cousin **Ali (RA)**, and his friend **Abu Bakr (RA)**.
- The powerful leaders of Makkah (like Abu Jahl, Abu Lahab) hated his message because it challenged their pride, their idols, and their unfair ways.
- They began to **persecute** the early Muslims: they beat them, threw dirt on them, stopped them from buying food, and even tortured some.

- The Hijrah (The Migration):

- **Meaning: Hijrah** means to leave a place of difficulty for a place of peace, for the sake of Allah.
- **Why?** The persecution in Makkah became too severe. Allah commanded the Prophet (SAW) and his followers to leave Makkah.
- **To Where?** They migrated to a city north of Makkah called **Yathrib**. The people of Yathrib had accepted Islam and invited the Prophet to come and live with them.

- This journey in **622 CE** is called the **Hijrah**. It is so important that it marks the **beginning of the Islamic calendar** (Hijri Calendar, e.g., 1446 AH).
- **The City's New Name:** Yathrib was renamed "**Madinatur-Rasul**" (The City of the Messenger), which we shorten to **Madinah**.

- Life in Madinah - Building a Community:

- The first thing the Prophet (SAW) did when he arrived in Madinah was to build a **mosque**.

This mosque is called **Masjid an-Nabawi** (The Prophet's Mosque).

- This mosque was not just for prayer. It was the **heart of the Muslim community**: a place for learning, meetings, settling disputes, and caring for the poor.

- He also established **brotherhood (Al-Mu'akha)** between the migrants from Makkah (Muhajirun) and the helpers from Madinah (Ansar). They shared everything like real brothers.

- The Prophet's Noble Character:

- **1. Mercy (Rahmah):** He was extremely kind. He played with children, cared for orphans, and was gentle with animals. He never hit a woman, a servant, or an animal. He said, "**The merciful will be shown mercy by the Most Merciful (Allah).**"

- **2. Forgiveness:** After years of struggle, the Muslims conquered Makkah **without fighting**. The Prophet (SAW) stood before the people who had tortured and driven him out. He asked them, "**What do you think I will do to you?**" They feared punishment. He said, "**No blame on you today. Go, you are free.**" This was the greatest forgiveness.

- **The Sunnah (The Way of the Prophet):**

- "Sunnah" means the **way, teachings, actions, approvals, and silent permissions** of Prophet Muhammad (SAW).
- **Why is it important?** Because Allah says in the Qur'an: *"Indeed, in the Messenger of Allah you have a good example to follow..."** (Srah Al-Ahzab 33:21)
- The Sunnah explains how to practice the Qur'an in daily life: how to pray, how to eat, how to treat parents, how to be honest.
- **Examples of Sunnah we can follow:** Smiling, saying "Bismillah" before eating, using the right hand for good things, keeping clean.

- **The Death of the Prophet (SAW):**

- After completing his mission and delivering the message, Prophet Muhammad (SAW) passed away in **Madinah** at the age of **63**.
- He was buried in his room, which was next to **Masjid an-Nabawi**. This room is now inside the mosque.
- He left behind two precious things as our guide: **1. The Book of Allah (Qur'an), 2. The Sunnah of His Prophet.**
- He is not worshipped. We love him, follow him, and send peace and blessings upon him.

- **In Madinah:** Built **Masjid an-Nabawi**. Showed mercy and forgiveness.
- **Left us:** The **Qur'an** and his **Sunnah**.

PRIMARY 4 ISLAMIC RELIGIOUS STUDIES LESSON NOTES

THIRD TERM

WEEK 1: ZAKAT (OBLIGATORY CHARITY)

OBJECTIVES

By the end of the lesson, pupils should be able to:

1. Define Zakat and state its position among the pillars of Islam.
2. Differentiate between Zakat and Sadaqah.
3. List three types of wealth on which Zakat is paid.
4. Mention three categories of people who are eligible to receive Zakat.

CONTENT

- Introduction to Zakat:

- **Zakat** is the **Third Pillar of Islam**. It is not just a kindness; it is a **compulsory act of worship**, just like Salat (prayer) and Sawm (fasting).

- **Meaning of the Word:** The word "Zakat" means "**purification**" and "**growth**." How does it purify?

i. **Purifies Wealth:** Giving a small part removes greed and blesses the rest. Imagine cleaning a cup of water by removing a little dirty water from the top.

ii. **Purifies the Heart:** It removes love for money and selfishness from our hearts.

iii. **Growth:** Allah promises to increase and bless the wealth from which Zakat is given.

- It is a test from Allah to see if we are grateful and willing to share.

- Who Must Pay Zakat? (The Conditions):

- Zakat is not paid by everyone. A Muslim must pay if they meet these conditions:

i. **Muslim.**

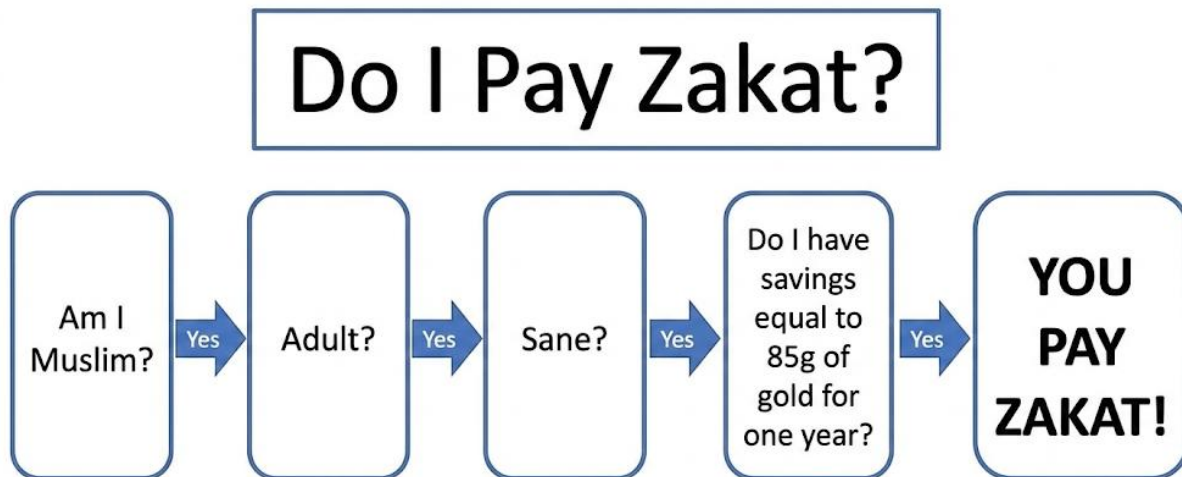

ii. **Sane** (of sound mind).

iii. **An Adult** (Baligh).

iv. **Free** (not a slave).

v. **Owens Wealth that has reached the Nisab:** This is a minimum amount. For gold and money, it is the value of about **85 grams of gold**. If your savings are equal to or more than this value, you must pay Zakat on it.

vi. **Has held that wealth for one full Hijri year.**

- **Types of Wealth Subject to Zakat:**

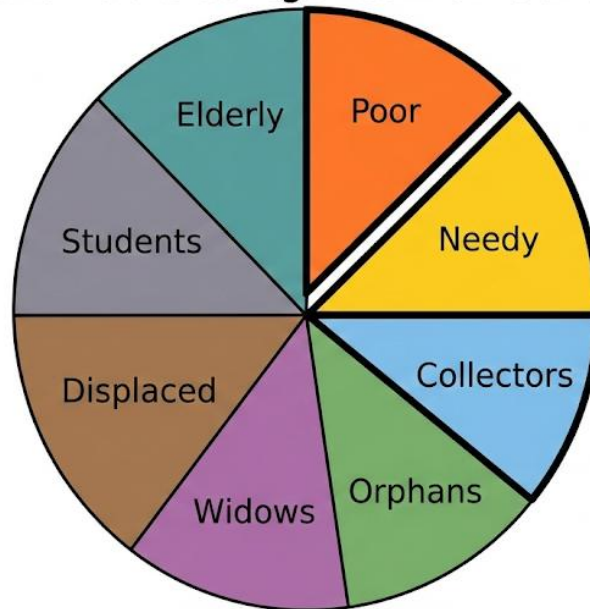

- Zakat is paid on surplus wealth that can grow or produce more. Common types include:
 - i. **Money:** Cash at home, money in bank accounts, savings.
 - ii. **Gold and Silver:** Jewellery, coins, or bars meant for saving (not for daily use).
 - iii. **Business Goods:** Products in a shop waiting to be sold.
 - iv. **Farm Produce:** Like rice, maize, yam, from your farm (rules are different for these).
 - v. **Livestock:** Such as cows, goats, camels, if you have a certain large number.

- **Who Receives Zakat? (The 8 Categories):**

- Allah has specified 8 groups in the Qur'an (Surah At-Tawbah 9:60). We cannot give Zakat to anyone else. Some important ones are:
 - i. **The Poor (Al-Fuqara):** Those who have nothing or very little to live on.
 - ii. **The Needy (Al-Masakin):** Those who have some money but not enough for their basic needs.

- iii. **Zakat Collectors (Al-'Amilina):** People who work to collect and distribute Zakat fairly.
- iv. **To Bring Hearts Closer (Al-Mu'allafati Qulubuhum):** New Muslims or those we hope will accept Islam.
- v. **To Free Slaves (Fir-Riqab):** (This is less common today but included).
- vi. **Those in Debt (Al-Gharimin):** People who owe money for basic needs and cannot pay back.
- vii. **In the Cause of Allah (Fi Sabilillah):** For good projects that help Islam and Muslims, like building a mosque or an Islamic school.
- viii. **The Wayfarer (Ibnus-Sabil):** A traveler who is stranded and needs help to return home.

Charitable Categories Distribution

- **Difference Between Zakat and Sadaqah:**
 - It is very important to know the difference.
- **Zakat:**
 - **Compulsory (Fard).**
 - Has **fixed amount** (usually 2.5% of saved money/gold).
 - Paid **once a year**.
 - Given to **8 specific categories only**.

- **Sadaqah:**
 - **Voluntary (Nafl)** -- Highly rewarding but optional.
 - **Any amount** is okay.
 - Can be given **any time**.
 - Can be given to **anyone in need** (even non-Muslims, relatives, friends).
 - Even a **smile** is a Sadaqah!

ZAKAT 	SADAQAH 
• OBLIGATORY (Fard) for eligible Muslims. • SPECIFIC AMOUNT (2.5% of surplus wealth). • SPECIFIC TIMES (Once a lunar year). • SPECIFIC RECIPIENTS (8 categories like poor, needy). • Purifies wealth.	• VOLUNTARY act of kindness. • ANY AMOUNT (big or small). • ANY TIME (whenever you wish). • ANYONE (no specific categories). • Eases hardship, builds goodwill. ✨

1. Define Hajj and identify it as the fifth pillar of Islam.
2. State the city where Hajj is performed and the month it takes place.
3. List the conditions that make Hajj compulsory for a Muslim.
4. Describe "Ihram" simply.

CONTENT

- Introduction to Hajj:

- **Hajj** is the pilgrimage to the holy city of **Makkah** in Saudi Arabia.
- It is the **Fifth and Final Pillar of Islam**.
- It is an obligation that a Muslim must perform **at least once in a lifetime**, if they are able.
- Hajj is a journey of a lifetime! It is like a global convention of Muslims.

- Timing of Hajj:

- Hajj is not performed at any time. It has fixed days in the Islamic calendar.
- It takes place in the **12th month**, called **Dhul-Hijjah**.
- The main rituals are performed from the **8th to the 12th** of Dhul-Hijjah.

- Who Must Perform Hajj? (Conditions of Obligation):

- Allah is Just and Merciful. He only makes Hajj compulsory for those who are truly able. A person must be:

i. **Muslim**.

ii. **Adult (Baligh)**. (Children can go but it does not count for their obligation).

iii. **Sane** (of sound mind).

iv. **Free** (not a slave).

v. **Physically Able (Al-Istita'ah al-Badaniyyah)**: Healthy and strong enough to travel and perform the rituals (walking, standing).

vi. **Financially Able (Al-Istita'ah al-Maliyyah):** Has enough money to pay for travel, food, and lodging **and** has enough money left to support his family back home while he is away. He should not go into debt for Hajj.

vii. **Safe Path:** The road to Makkah should be safe for travel.

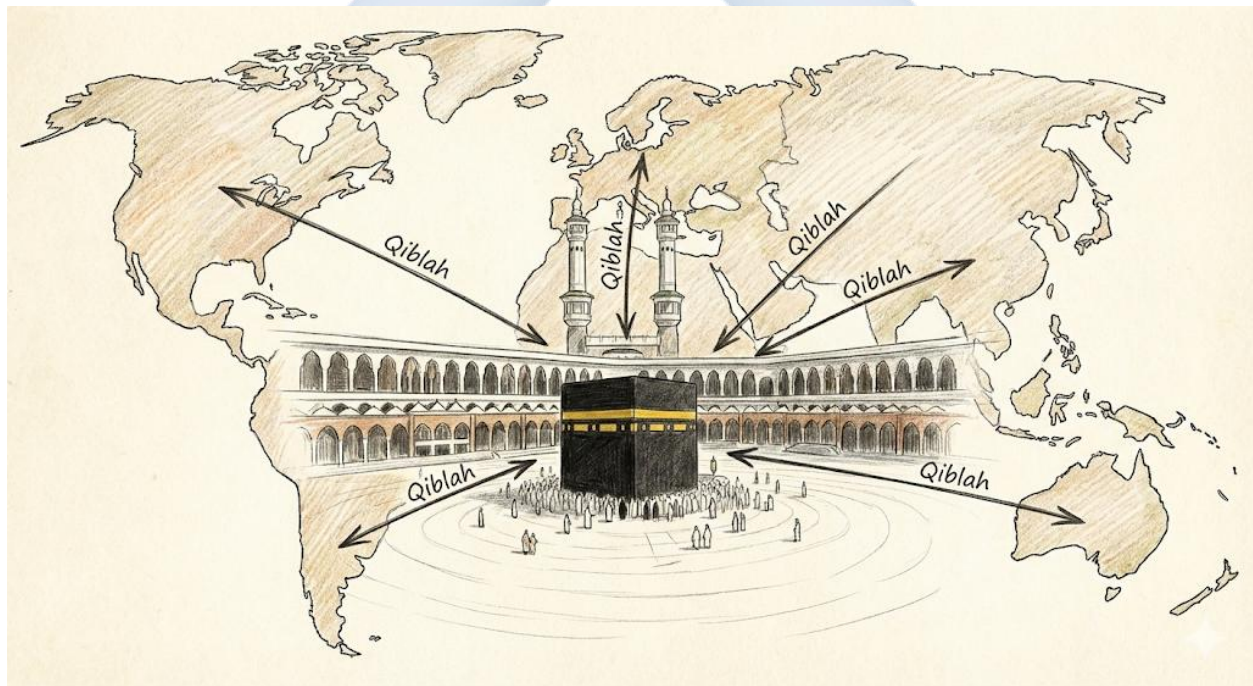

- If someone is old or sick and cannot perform Hajj themselves, they can send someone else to perform it on their behalf.

- **The Kaaba - The House of Allah:**

- The **Kaaba** is the square building covered in a black and gold cloth (**Kiswah**) in the center of the Grand Mosque (**Masjid al-Haram**) in Makkah.

- It is the **Qiblah**---the direction all Muslims face during their five daily prayers, no matter where they are in the world.

- It was first built by Prophet Ibrahim (AS) and his son Ismail (AS).

- **Ihram - The State of Purity:**

- Before entering the sacred boundaries of Makkah for Hajj or Umrah, pilgrims enter a special state called **Ihram**.

- **Ihram has two parts:**

i. **Intention (Niyyah):** In their heart, they intend to begin Hajj or Umrah.

ii. **Special Clothing:** They wear simple, plain clothes.

- **For Men:** Two unstitched white sheets. One wrapped around the waist, one over the shoulder. They do not wear sewn clothes like shirts or trousers. This makes all men look equal--- a king and a farmer look the same.

- **For Women:** They wear their normal Islamic dress (hijab and abaya), but it should be simple and modest. There is no specific color, but many wear white.

- While in Ihram, pilgrims cannot cut their hair/nails, use perfume, argue/fight, or hunt animals. It is a state of purity, patience, and focus on Allah.

EVALUATION

1. Hajj is the _____ pillar of Islam.
2. In which holy city is Hajj performed? _____
3. Hajj is performed in the Islamic month of _____.
4. Which of these is a condition for Hajj to be compulsory? a) Being a child b) Being healthy and financially able c) Owning a car

2. **Written:** Write down the name of the month in which Hajj is performed: **Dhul-Hijjah**.
3. **Written/Explanation:** In one sentence, explain why everyone wears simple, similar clothes (Ihram) during Hajj. (Hint: equality before Allah).

WEEK 3: HAJJ (PILGRIMAGE) -- PART 2

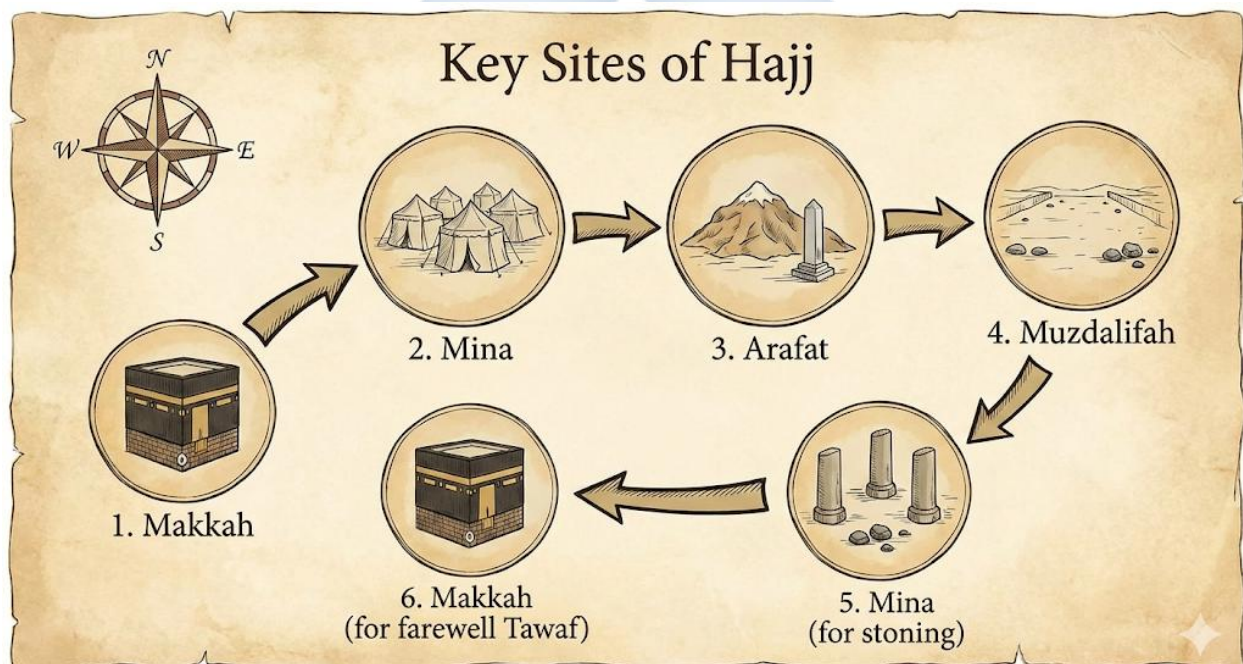

OBJECTIVES

By the end of the lesson, pupils should be able to:

1. Describe the ritual of "Tawaf."
2. Explain the meaning of "Sa'i" and "Arafat."
3. Identify the connection between Eid-ul-Adha and Hajj.
4. State two spiritual benefits of Hajj.

CONTENT

- **Major Rituals of Hajj:** Let's go on a virtual journey and follow the steps of a pilgrim (Hajji).

a. Tawaf (Circling the Kaaba):

- After entering Ihram, pilgrims go to Masjid al-Haram.
- They walk **seven times** around the Kaaba in an **anti-clockwise** direction.
- This shows love, unity, and obedience to Allah. All circles move around one center (the Kaaba), just as all Muslims' lives should revolve around obeying Allah.
- They start and end at the **Black Stone (Al-Hajar al-Aswad)**.

b. Sa'i (Walking between Safa and Marwah):

- After Tawaf, pilgrims go to two small hills inside the mosque: **Safa** and **Marwah**.
- They walk/jog between them **seven times**.
- **Why?** This remembers the great struggle of **Hajar (Hagar)**, the wife of Prophet Ibrahim (AS). She ran between these hills searching for water for her baby Ismail (AS). Allah then caused the well of **Zamzam** to spring forth. Sa'i teaches us **trust in Allah** and the reward for patience.

c. Standing at Arafat (Wuquf):

- On the **9th of Dhul-Hijjah**, all pilgrims gather at a vast plain called **Arafat**.
- They stand from noon until sunset, making **Du'a (supplication)**, praying, and asking Allah for forgiveness.
- **This is the most important part of Hajj.** The Prophet (SAW) said, "**Hajj is Arafat.**" If someone misses standing at Arafat, their Hajj is invalid.

d. Stoning the Jamarat (Ramy al-Jamarat):

- After Arafat, pilgrims go to **Mina**.
- There are three stone pillars that represent **Shaitan (Satan)**.
- Pilgrims throw small pebbles at these pillars. This symbolizes **rejecting the whispers of Satan** and obeying Allah instead, just like Prophet Ibrahim (AS) did when Shaitan tried to stop him from obeying Allah's command.

- Eid-ul-Adha (The Festival of Sacrifice):

- On the **10th of Dhul-Hijjah**, after the stoning ritual, pilgrims (and Muslims all over the world) celebrate **Eid-ul-Adha**.
- They sacrifice an animal (like a ram, goat, cow, or camel).
- **Why?** To remember the great obedience of **Prophet Ibrahim (AS)** and his son **Ismail (AS)**, when Allah tested Ibrahim by commanding him to sacrifice his beloved son. Ibrahim was ready to obey, and Allah replaced Ismail with a ram at the last moment.
- The meat is divided into three parts: one for the family, one for relatives/friends, and one for the poor.

- Spiritual Benefits of Hajj:

- a. **Unity (Ummah):** Muslims from every country, race, language, and social class stand together as equals. It is a powerful picture of Muslim brotherhood and sisterhood.
- b. **Forgiveness of Sins:** The Prophet (SAW) said a person who performs Hajj properly returns "**as pure from sins as the day his mother gave birth to him.**"
- c. **Patience and Sacrifice:** Hajj is not a vacation. It is hot, crowded, and tiring. It teaches Muslims to be patient, to sacrifice their comfort, time, and money for Allah's sake.
- d. **Renewal of Faith:** It is a spiritual "recharge." Seeing millions worshipping one God strengthens a person's faith.

EVALUATION

1. How many times do pilgrims circle the Kaaba during Tawaf? _____
2. What are the names of the two hills between which pilgrims perform Sa'i?
_____ and _____.
3. "Hajj is _____." (Fill in the most important site/ritual).

5. Which Eid is celebrated by pilgrims and Muslims worldwide on the 10th of Dhul-Hijjah?

2. **Research/Written:** Find out: The next Eid-ul-Adha will be on the 10th of Dhul-Hijjah. Ask an elder what the Gregorian date will be approximately (or just write "10th Dhul-Hijjah").
3. **Written/Listing:** List three major activities pilgrims do during Hajj (e.g., Tawaf, standing at Arafat, stoning pillars).

WEEK 4: PROPHET NUH (AS) - NOAH

OBJECTIVES

By the end of the lesson, pupils should be able to:

1. Identify Prophet Nuh (AS) as one of the Ulul Azm prophets.
2. Describe the bad behavior of Prophet Nuh's people.

CONTENT

- Who was Prophet Nuh (AS)?

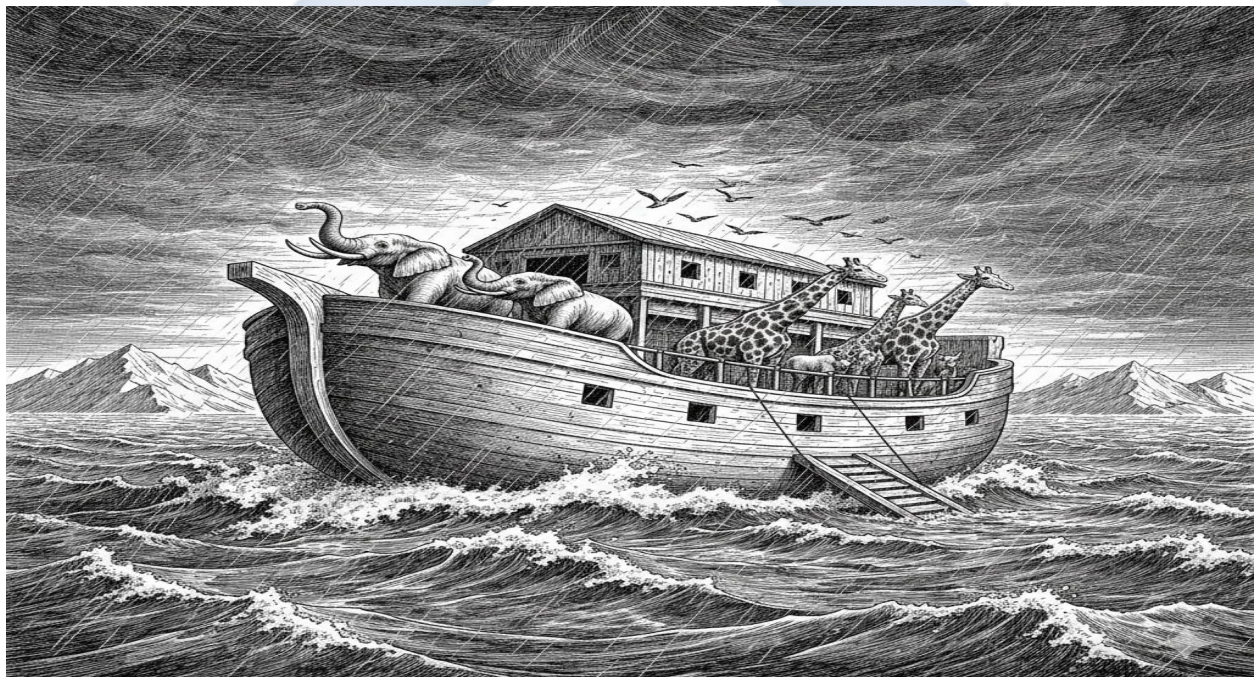

- Prophet Nuh (Noah) was one of the earliest and greatest messengers of Allah.
- He is one of the five "**Ulul Azm**" prophets. "Ulul Azm" means "**those of strong determination**" because they faced the hardest tests from their people.
- The other Ulul Azm prophets are: Ibrahim, Musa, Isa, and Muhammad (peace be upon them all).

- His Mission and His People's Evil:

- His people had forgotten Allah. They worshipped **idols** made of stone and wood. They gave these idols names like Wadd, Suwa', Yaghuth.
- Prophet Nuh's message was simple and clear: "**O my people! Worship Allah! You have no other God but Him.**"
- He called them day and night, in public and in private, with kindness and warnings.
- **Shockingly, he preached to them for 950 years!** (Qur'an 29:14). This shows his incredible **patience (Sabr)**.
- Yet, very few people believed. The leaders mocked him, called him a liar, and said, "You are just a human like us!" Even his own **son (Kan'an)** and his **wife** refused to believe and joined the disbelievers.

- The Command to Build the Ark:

- After centuries of rejection, Allah told Nuh that no more from his people would believe. He commanded Nuh to build a huge ship---an **Ark**.
- The people laughed at him! They said, "Nuh, have you become a carpenter? Why are you building a ship on **dry land**, far from any sea? Are you mad?"
- Nuh continued building, trusting Allah's command completely.
- **The Great Flood:**
 - When the Ark was finished, Allah told Nuh to take the **believers** (which were very few) and a **pair (male and female) of every animal** onto the ship.
 - Then, the punishment came. Water gushed out from the earth and poured from the sky in a terrible flood.
 - The disbelievers, including Nuh's own son, climbed mountains to escape, but the water covered everything.
 - Only those in the **Ark were saved**. It sailed safely on the water by Allah's command.

- **Lessons from the Story:**
 - a. **Patience in Dawah:** Nuh never gave up for 950 years! When we call others to good, we must be patient.
 - b. **Trust in Allah (Tawakkul):** Nuh built a ship on land because Allah said so. True success comes from obeying Allah, even if people laugh at you.

c. **Family is Not Always Right:** Just because someone is your relative doesn't mean they are on the truth. Nuh's son was wrong. We must follow the truth, even if our family disagrees.

d. **Allah's Punishment is Real:** Disobeying Allah and mocking His messengers leads to destruction.

WEEK 7: PROPHET IBRAHIM (AS) - ABRAHAM -- PART 1

OBJECTIVES

By the end of the lesson, pupils should be able to:

1. Identify Prophet Ibrahim (AS) as the "Friend of Allah" (Khalilullah).
2. Narrate the story of Ibrahim breaking the idols.
3. Describe how Allah saved Ibrahim from the fire.
4. Explain why Ibrahim is called the "Father of Prophets."

CONTENT

- Introduction - The Great Friend of Allah:

- Prophet Ibrahim (AS) holds a very special place in Islam. Allah gave him the title "**Khalilullah**" -- "**The Friend of Allah.**"
- He is also called the "**Father of Prophets**" because many great prophets came from his family line: his sons **Ismail (Ishmael)** and **Ishaq (Isaac)**, his grandson **Yaqub (Jacob)**, and later prophets like **Musa (Moses)**, **Isa (Jesus)**, and finally **Muhammad (SAW)**. All are from the family of Ibrahim.

- Childhood in Babylon:

- Ibrahim was born in a place called **Babylon** (in modern-day Iraq).
- His father, **Azar**, was a maker and seller of **idols** (statues that people worshipped).
- Even as a little boy, Ibrahim used his mind. He looked at the idols and thought, "How can a statue made of stone or wood hear my prayer? It cannot eat, see, or help itself!"
- He looked at the stars, the moon, and the sun. He realized they were all created things that appear and disappear. He concluded: "**I must worship the One who created all these---Allah.**"

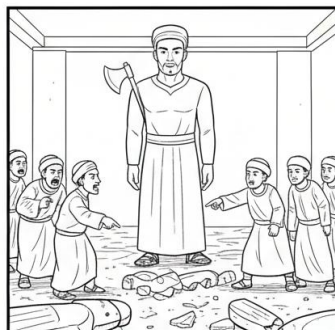

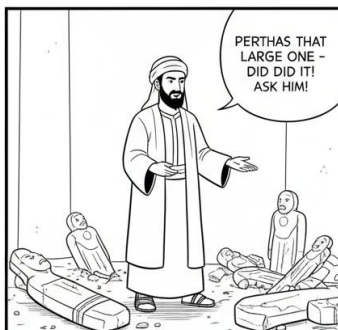

- Breaking the Idols - A Clever Plan:

- One day, when all the people went out for a big festival, Ibrahim went to their temple.
- He saw all the idols. He took an **axe** and broke all the small idols into pieces!
- But he left the **biggest idol** untouched. He hung the axe around the neck of the big idol.
- When the people returned, they were shocked and angry! "Who did this to our gods?!"

- Someone said, "We heard a young man named Ibrahim speaking against them."
- They brought Ibrahim and asked, "Did you do this to our gods?"
- **Ibrahim's Smart Reply:** He pointed to the big idol and said, "**Why don't you ask him?**"

The big one did it! See, the axe is with him!"

- The people were embarrassed and said, "You know these idols cannot speak!"
- **Ibrahim's Powerful Lesson:** He then said, "**Then why do you worship things that cannot speak, cannot help you, and cannot even help themselves? Do you not use your minds?"**

- **The Fire of Nimrod (Namrud):**

- The king, **Nimrod**, was furious. He ordered a **massive fire** to be built. They threw Ibrahim into it using a giant catapult.
- At that moment, Ibrahim only said, "**Hasbunallah wa ni'mal wakeel**" (Allah is sufficient for us, and He is the best Disposer of affairs).
- Allah gave a command: "**O fire! Be cool and safe for Ibrahim.**" (Qur'an 21:69)
- A miracle happened! The fire lost its heat. Ibrahim walked out of the fire **completely unharmed**, as if he had walked out of a garden. His faith had saved him.

- **Lesson:** When you are on the side of truth and trust Allah, He will protect you in ways you cannot imagine.

EVALUATION

1. What special title, meaning "Friend of Allah," was given to Prophet Ibrahim (AS)?
2. What was the job of Ibrahim's father, Azar?
3. What did Ibrahim do to the idols in the temple?

2. Narrate the story of the sacrifice (The Dream).
3. Explain the origin of the ram sacrificed during Eid-ul-Adha.
4. State two lessons from the submission of Ibrahim and Ismail.

CONTENT

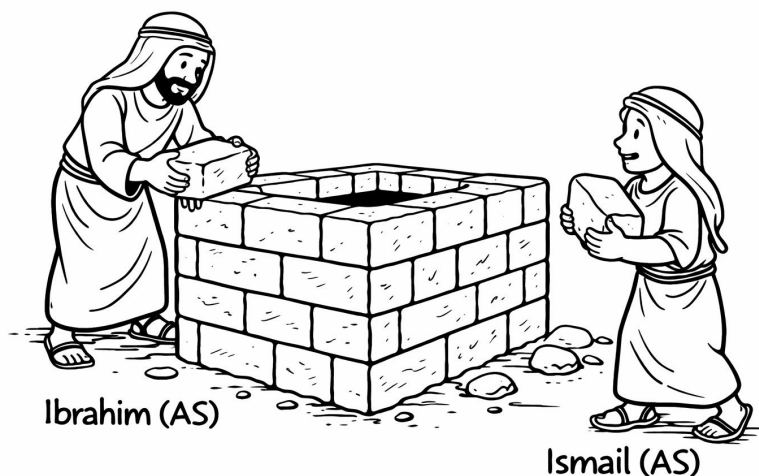

- Building the Kaaba with Ismail:

- After many tests, Allah commanded Prophet Ibrahim to take his wife **Hajar** and their baby son **Ismail** to a valley in Arabia that was hot, dry, and empty (the place that would become **Makkah**).

- Years later, when Ismail was a strong young man, Allah commanded Ibrahim and Ismail to **build the Kaaba**---the House of Allah.

- Father and son worked together, stone by stone. Ismail brought the stones, and Ibrahim built the walls.

- As they built, they prayed a beautiful prayer which we still say today: "**Our Lord, accept this from us. Indeed, You are the Hearing, the Knowing.**" (Qur'an 2:127)

- **The Greatest Test - The Dream of Sacrifice:**

- Ibrahim often dreamed that Allah commanded him to **sacrifice his beloved son, Ismail**. For prophets, dreams are a form of revelation.

- This was the hardest test imaginable. Ismail was the son he prayed for in his old age, the son he loved dearly.

- Ibrahim told his son about the dream. He wanted to prepare him.

- **Ismail's Amazing Response:** Instead of crying or running away, the pious son said: "**O my father! Do as you are commanded. You will find me, if Allah wills, of the patient.**" (Qur'an 37:102)

- This shows Ismail's **perfect faith and obedience** to Allah and respect for his father.

- **The Miracle of the Ram:**

- They went to a place called **Mina** (the same place where Hajj pilgrims stone the pillars).

- Ibrahim laid his son down, ready to obey Allah's command.

- Just as he was about to use the knife, Allah called out to him: "**O Ibrahim! You have fulfilled the dream!**"

- Allah had seen their true submission. He sent a **great ram (a male sheep)** from Paradise to be sacrificed **instead of Ismail**.

- Ibrahim sacrificed the ram with gratitude. Both father and son had passed the ultimate test of faith.

- **Eid-ul-Adha - Following the Sunnah of Ibrahim:**

- Every year during Hajj, Muslims all over the world commemorate this great event by celebrating **Eid-ul-Adha** (The Festival of Sacrifice).

- We sacrifice an animal (ram, goat, cow, camel) following the way (**Sunnah**) of Prophet Ibrahim (AS).

- This teaches us that true faith means being ready to give up what we love most for Allah's sake.

- **Lessons from Submission:**

- a. **Obedience to Allah Comes First:** Even our deepest love for family must come after our love and obedience to Allah.
- b. **Trust in Allah's Plan:** When we obey Allah sincerely, He always provides a way out and rewards us greatly.
- c. **Parent-Child Relationship:** It should be based on faith, love, respect, and mutual obedience to Allah.

EVALUATION

1. Which son of Ibrahim helped him build the Kaaba? _____
2. What did Allah command Ibrahim to do in his dream?
3. What did Ismail say when his father told him about the dream? He said he would be _____.
4. What did Allah send from Paradise to be sacrificed instead of Ismail? a) A cow b) A ram (sheep) c) A camel

1. Describe how baby Musa (AS) was saved from Pharaoh.
2. Mention two miracles of Prophet Musa (AS).
3. Describe the miraculous birth of Prophet Isa (AS).
4. State the Islamic belief regarding the crucifixion of Prophet Isa (AS).

CONTENT

- Prophet Musa (AS) - Moses:

- **Birth and Salvation:** He was born in Egypt during the time of a cruel tyrant, **Pharaoh (Fir'awn)**. Pharaoh was killing all newborn Israelite boys because he feared a prophecy.

- Allah inspired Musa's mother to put him in a **waterproof basket** and place it in the river Nile.

- The basket floated to Pharaoh's palace. Pharaoh's wife, **Asiya** (a believing woman), found the beautiful baby and insisted on keeping him. Thus, Musa was raised in the palace of his greatest enemy!

- **His Mission:** When Musa grew up, Allah spoke to him directly at Mount **Tur (Sinai)** and gave him the mission to go to Pharaoh and free the Children of Israel (**Bani Israel**) from slavery.
- **His Miracles (as proof for Pharaoh):**
 - i. **The Staff/Snake:** His wooden staff turned into a huge, real snake when he threw it down.
 - ii. **The Shining Hand:** When he put his hand in his cloak, it came out shining bright white.
 - iii. **Parting the Red Sea:** When Pharaoh's army chased them, Allah commanded Musa to strike the Red Sea with his staff. The sea **split into two**, creating a dry path for the believers to cross. When Pharaoh's army followed, the water closed back on them, drowning them.
- **His Book:** Allah revealed the **Taurat (Torah)** to him as guidance for his people.
- **Prophet Isa (AS) - Jesus:**
 - **Miraculous Birth:** His mother was the pious and pure **Maryam (Mary)**. She had no husband.
 - Angel Jibril appeared to her and gave her the news of a son by Allah's command. She conceived by Allah's word "**Be!**" and he was.
 - When she brought the baby to her people, they accused her. But baby **Isa spoke from the cradle!** He said: "**Indeed, I am the servant of Allah. He has given me the Scripture and made me a prophet...**" (Qur'an 19:30). This was his first miracle.
 - **His Miracles:** By Allah's permission, Prophet Isa performed amazing miracles to help people believe:
 - He healed those born blind and cured lepers.
 - He brought the dead back to life.
 - He created a bird from clay and breathed life into it.
 - **His Book:** Allah revealed the **Injil (Gospel)** to him.
 - **Islamic Belief about the Crucifixion:** Muslims believe that the enemies of Isa plotted to kill him on the cross, **but Allah saved him**. The Qur'an says: "**...they did not kill him, nor did they crucify him; but [another] was made to resemble him to them...**" (Qur'an 4:157). Allah raised Prophet Isa up to the heavens, alive. He will return before the Day of Judgment to establish justice and peace.

- **Common Message:** Both Musa and Isa (peace be upon them) came with the same core message: "**Worship Allah, my Lord and your Lord.**" They are among the greatest messengers we must believe in.

WEEK 10: MORAL VIRTUES IN ISLAM -- PART 1

OBJECTIVES

By the end of the lesson, pupils should be able to:

1. Define moral virtues (Akhlaq).
2. Explain the meaning of "Sidq" (Truthfulness) and "Amanah" (Honesty).
3. Describe "Sabr" (Patience) with an example.
4. State why "Shukr" (Gratitude) is important.

CONTENT

- Introduction to Moral Virtues (Akhlaq):

- **Akhlaq** means good character, manners, and behavior.
- Islam is not just about rituals; it is about building a **beautiful character**. The Prophet (SAW) said: **"I was sent only to perfect good character."**
- Good Akhlaq is the decoration of a believer's faith. It is how we treat others every day.

- Truthfulness (Sidq or Sadaqah):

- **Meaning:** Always telling the truth. Your words should match reality.
- **Why it's important:** Truthfulness leads to **Paradise (Jannah)**. The Prophet (SAW) was known as **"As-Sadiq Al-Amin"** (The Truthful, The Trustworthy). Lying leads to Hellfire and destroys trust.

- Examples:

- Telling your teacher you forgot your homework, instead of making up a story.
- If you break something at home, admitting it was you.
- Promising a friend you'll meet them and keeping that promise.
- A Muslim must be truthful even if the truth is against him.

- Honesty/Trustworthiness (Amanah):

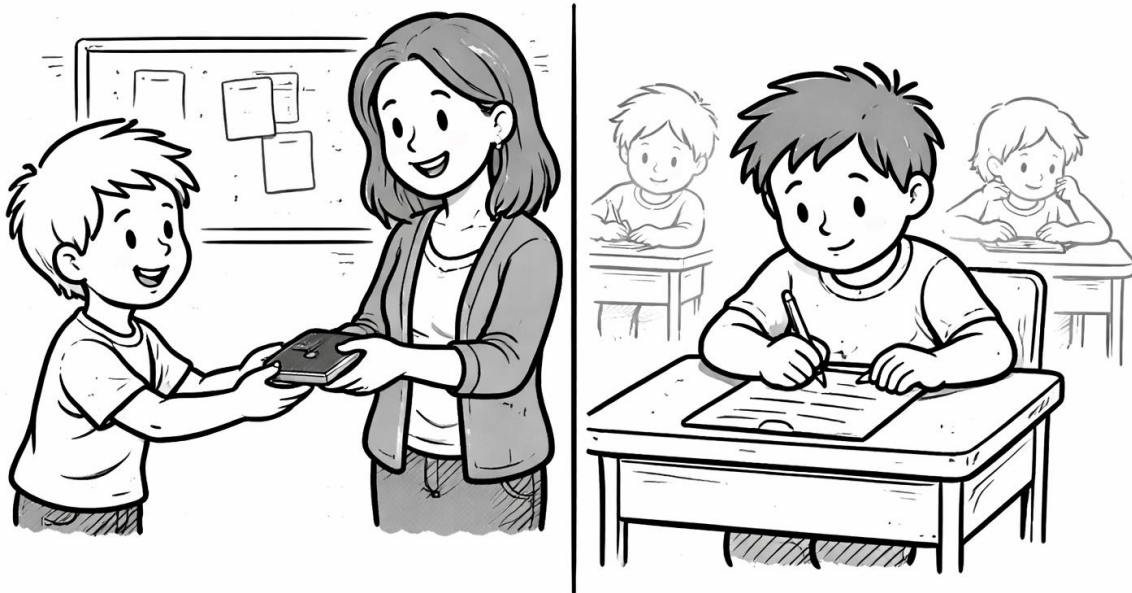

- **Meaning:** Being someone people can trust. It means taking care of things given to you and returning them safely. It also means not stealing or cheating.

- **The Prophet's Title:** He was called "**Al-Amin**" because people trusted him with their valuables.

- **Examples:**

- If a friend lends you a book, you return it in good condition.
- If you find a lost item (like a pen or money) in school, you hand it to the teacher.
- Not cheating during a test, even if no one is watching.

HONESTY

- **Patience (Sabr):**

- **Meaning:** Remaining calm and steadfast during difficulties, without complaining against Allah's decree.

- **Types of Sabr:**

- Patience in obeying Allah** (e.g., praying Fajr when you're sleepy).
- Patience in avoiding sins** (e.g., not taking something that isn't yours).
- Patience during hardships** (e.g., when you are sick, when you lose a game, when someone is mean to you).

- **Example:** If you fall down and hurt your knee, you try not to cry or shout angrily. You say "**Alhamdulillah**" (All praise is to Allah) because it could have been worse, and you get up and clean the wound.

- **Gratitude (Shukr):**

- **Meaning:** Thanking and appreciating Allah for His countless blessings.

- **How do we show Shukr?**

i. **With the Heart:** Believing all good comes from Allah.

ii. **With the Tongue:** Saying "**Alhamdulillah**" (All praise is to Allah) often.

iii. **With the Limbs:** Using Allah's blessings to obey Him. Using your healthy body to pray, using your knowledge to help others.

- **Why it's important:** If we are grateful, Allah promises to give us **more**. Ingratitude leads to loss.

- **Example:** After eating a delicious meal, you say "Alhamdulillah." When you see your family healthy, you say "Alhamdulillah" in your heart.

EVALUATION

1. What does "**Sidq**" mean? a) Patience b) Truthfulness c) Generosity
2. Why is honesty (**Amanah**) so important for a Muslim's reputation?
3. Give a real-life example of showing **patience (Sabr)** at school.
4. The Prophet Muhammad (SAW) was sent to perfect good _____.
5. What should we say with our tongue to show gratitude (**Shukr**) to Allah? _____

ASSIGNMENT

1. **Reflection/Written:** Write about one situation this week where you told the truth even though it was difficult. How did it feel?
2. **Practical/Written:** List three blessings from Allah that you are grateful (**Shukr**) for today (e.g., "My eyes to see the board," "Food for lunch," "My kind teacher").
3. **Research/Written:** We learned the Prophet was called "Al-Amin." Find and write the meaning of "**As-Sadiq**" (it means **The Truthful**).

WEEK 11: MORAL VIRTUES (PART 2) & MORAL VICIES

OBJECTIVES

By the end of the lesson, pupils should be able to:

1. Define "Moral Vices" (Bad behavior).
2. List three bad behaviors (vices) that Islam forbids.
3. Explain the meaning of Humility (Tawadu) and Forgiveness (Afw).
4. Describe why Backbiting (Ghibah) is harmful.

CONTENT

- **More Beautiful Virtues (Good Habits):**

- **Humility (Tawadu'):** Not thinking you are better than others. Even if you are rich, smart, or strong, you treat everyone with respect. The ground we pray on is humble; it is walked on, yet it gives us fruits and flowers. A humble person is loved by Allah and people.

- **Example:** The star footballer in school still plays with and passes to others who are not as good.

- **Forgiveness ('Afw):** Letting go of anger and the desire for revenge when someone hurts you. It is a power, not a weakness.

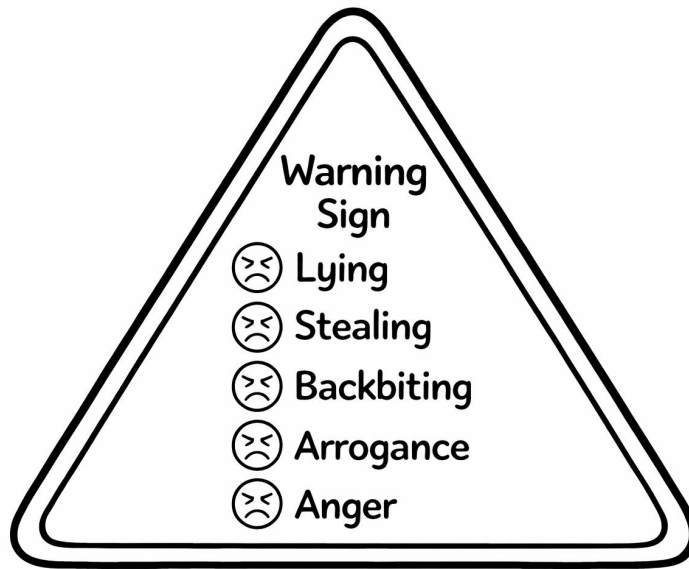

- **Example:** If your friend pushes you by mistake and says sorry, you smile and say "It's okay," instead of pushing them back.

- **Generosity (Karam):** Loving to give and share what you have with others, willingly and happily.

- **Example:** Sharing your snacks with a classmate who forgot theirs.

- **Moral Vices (Bad Habits to Avoid):**

- These are diseases of the heart that Islam warns us against. We must try to cure ourselves of them.

a. **Lying (Kidhb):** Saying what is not true. It is the opposite of Sidq. It destroys trust. **The Prophet (SAW) said a liar is not a believer.**

b. **Stealing (Sariqah):** Taking something that belongs to someone else without their permission. It is a major sin and a crime. It hurts the owner and makes the thief untrustworthy.

c. **Backbiting (Ghibah):** Talking about someone in their absence, saying something they would dislike if they heard it.

- The Qur'an gives a shocking example: **"...Would one of you like to eat the flesh of his dead brother? You would hate it!"** (Qur'an 49:12). Backbiting is like eating the flesh of your brother! It is disgusting and spreads hatred.

- **What is Ghibah?** Mentioning a real fault of someone who is not present (e.g., "He is short," "She talks too much," "His clothes are old").

- **What is NOT Ghibah?** Warning someone about a dishonest person to protect them.

d. **Arrogance (Kibr):** Thinking you are better than others because of your wealth, looks, knowledge, or family. This was the sin of **Iblis (Satan)**, who refused to bow to Adam out of arrogance. Allah does not like the arrogant.

e. **Excessive Anger (Ghadab):** Losing control of your temper, shouting, hitting, or saying bad words. A strong person is not the one who can wrestle; **"The strong is the one who controls himself when angry."** (Hadith)

- **How to Fight Vices:**

- Always remember Allah is watching.
- Make **Du'a** (supplication) to Allah to help you have good character.
- Think before you act or speak.
- Keep good company---friends who remind you to be good.

EVALUATION

1. What is the opposite of **Humility (Tawadu')**? _____
2. Mention **three** of the bad habits (vices) discussed in the lesson.
3. Why did the Qur'an compare **backbiting (Ghibah)** to eating the flesh of a dead brother?
4. If someone steps on your foot and says sorry, what virtue should you show? _____
5. What does "**Sariqah**" mean? _____

ASSIGNMENT

1. **Written/Table:** Draw a table with two columns: "**Good Habits (Virtues)**" and "**Bad Habits (Vices)**". List 3 items in each column from today's lesson.
2. **Reflection/Written:** Write a short apology note (you don't have to give it) to someone you might have hurt or made angry recently, even if it was small. Practice asking for forgiveness.
3. **Explanation/Written:** Explain in your own words why **stealing** is a bad and harmful action for everyone.
