PRIMARY 1 CHRISTIAN RELIGIOUS STUDIES LESSON NOTES

FIRST TERM

WEEK 1: GOD THE CREATOR (PART 1).

OBJECTIVES By the end of the lesson, pupils should be able to:

- Identify God as the Almighty and Supreme Being.
- State that God created the whole world.
- Mention what God created on the first day (Light).
- Mention what God created on the second day (Sky/Firmament).

CONTENT

1. Who is God?

- **God** is the **Supreme Being**. This means He is the greatest and highest of all.
- There is no one like Him.

- He is the **Almighty Father** who lives in Heaven. He is called **Almighty** because He can do anything.
- Nothing is too hard for God.
- God is powerful and knows everything. He made you and me, and He knows our names, our thoughts, and everything about us.

2. God Created the World

- In the beginning, there was nothing—no trees, no people, no sun, no houses. Everything was empty and dark.
- God decided to make the beautiful world we see today. He did not need any tools or help from anyone.
- He created everything by speaking His word. For example, He said "Let there be light," and light appeared immediately.

3. Creation Story: Day 1

- On the first day, the world was completely dark, like being in a room with no light at all.
- God said, "**Let there be light.**"
- Immediately, light appeared. It was the first thing ever created.
- God called the light "**Day**" and the darkness "**Night**." This was the first morning and evening.

Before: [DARKNESS] God said: "Let there be light." After: [LIGHT] --> Called "DAY"
[DARK] --> Called "NIGHT"

4. Creation Story: Day 2

- On the second day, God created the **Sky** (also called the **Firmament** or **Heavens**).
- Think of the sky like a big, blue blanket or dome above us.
- It separates the water on the earth (like seas and rivers) from the water above (like clouds and rain).
- When we look up, we see the beautiful blue sky God made.
- Sometimes it has white clouds, and at night it has stars.

Water Above (Clouds) | SKY / FIRMAMENT | Water Below (Seas, Rivers)

5. Appreciating God's Creation

- We must thank God for the light that helps us see during the day, so we can play, read, and work.
- We must thank God for the night that brings darkness, which helps us sleep and rest our bodies.

- What did God create on the first day?
- What did God create on the second day?

- The dry ground appeared, which He called **Land** or **Earth**.
- Then God commanded the land: "Grow plants and trees!" Immediately, different kinds of plants appeared: grass, flowers (like roses), trees (like mango and coconut trees), and fruits (like oranges and bananas).

Land: [Soil, Rocks, Hills] |---> Grass |---> Flowers |---> Trees with fruits Water: [Seas, Oceans]

2. Creation Story: Day 4

Day Sky: [SUN] - Big, bright, warm. Night Sky: [MOON] - Soft, white light. [STARS] - Twinkle like tiny diamonds.

3. Creation Story: Day 5

- He created all kinds of **birds** to fly in the sky—like eagles, pigeons, and chickens.

Sky: [BIRDS] - Eagles, Parrots, Doves Sea: [FISH] - Whales, Sharks, Tilapia

4. Identifying God's Creatures

- **Sin** is when we **disobey God** and do the wrong things He has told us not to do.

WEEK 10: JESUS WANTS US TO OBEY AND KEEP GOD'S COMMANDMENTS.

- Define Commandments as God's rules.
- List three simple rules from the Ten Commandments (e.g., Don't steal, Love God, Don't lie).
- Explain why we should obey God (Because He loves us).
- State the benefit of obeying God (It makes us happy).

CONTENT

1. What are Commandments?

- **Commandments** are important **rules given by God** for us to live by.
- Just like we have **school rules** (e.g., raise your hand to talk) and **home rules** (e.g., brush your teeth), God has rules for living a good, safe, and happy life.

2. The Ten Commandments (Simplified for Children)

- God gave Moses **Ten Commandments** on Mount Sinai. Here are some simplified:
- **Love and worship only God.**
- **Respect** your father and mother.
- **Do not steal** (take what is not yours).
- **Do not tell lies** (always tell the truth).
- **Do not be jealous** of what others have.

3. Why We Should Obey

- God gives us rules **because He loves us** and wants to **protect us** from harm and sadness.
- Rules keep us **safe** (e.g., "Don't steal" keeps you out of trouble) and help us **live peacefully** with others.
- **Jesus obeyed God perfectly**, and He wants us to follow His example.

4. The Joy of Obedience

- When we obey God, we **make Him happy** and it strengthens our friendship with Him.
- When we obey, we also feel **happy and peaceful inside** our hearts, because we know we are doing what is right.
- We can ask **Jesus to help us obey** every day, especially when it is hard.
