PRIMARY 1 NIGERIAN HISTORY LESSON NOTES

FIRST TERM

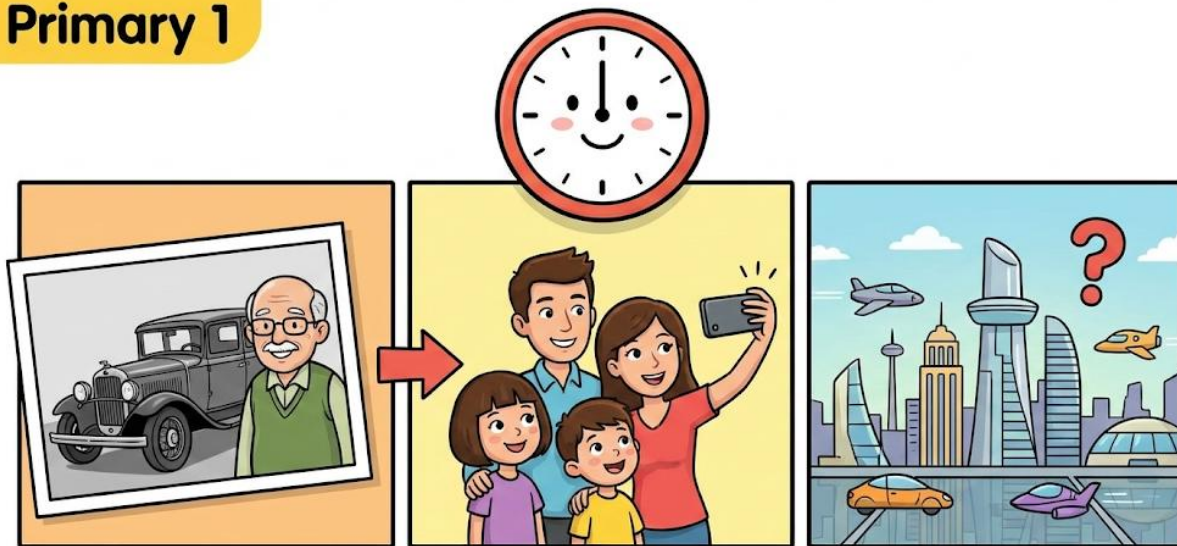

WEEK 1: MEANING AND IMPORTANCE OF HISTORY - PART 1.

OBJECTIVES By the end of the lesson, pupils should be able to:

- Define History as the story of the past.
- Mention three time words related to history (yesterday, last week, last year).
- State one reason why we study history.
- Identify that history helps us know about our family.

CONTENT

Primary 1

1. What is History?

History is the story of things that happened in the past. The past means time that has already gone. It is not what is happening now (present) or what will happen tomorrow (future). Just like you have a story of when you were a baby—what you did, when you first walked—that is your *personal history*.

2. Simple Examples of History

We use special words to talk about the past:

- **Yesterday:** What you ate for dinner or the game you played yesterday is now part of your history.
- **Last Week:** When you visited your grandma or went to the park last week, it is now history.
- **Last Year:** When you were in Nursery class last year, it is history because that time has passed.

Think of time like a line: Past (History) ----- Now (Present) ----- Future
Yesterday Today
Tomorrow

3. Why We Study History

- We study history to know *what happened before we were born*.
- It answers the question: "What happened long ago?"
- It helps us *remember important and happy things* so we don't forget them.
- It helps us understand how things became the way they are today.

4. History and Our Families

History tells us about our *family story*. It tells us the names of our grandfathers and grandmothers, and even their parents. It helps us know *where our family came from*, which is our hometown or village. Knowing your family history makes you feel proud and connected.

EVALUATION

- What is History? (The story of the past).
- Is "tomorrow" part of history? (No, it is the future).
- Mention one thing you did yesterday. (That is now your history).
- Why do we study history? (To know what happened before).
- What does history tell us about our family? (Names of grandparents, where we come from).

ASSIGNMENT

- Ask your parents: "What did I do on my last birthday?" That is your history.
 - Draw a picture of something you did yesterday (e.g., eating, playing).
 - Complete the sentence: History is the story of the _____. (past).
-

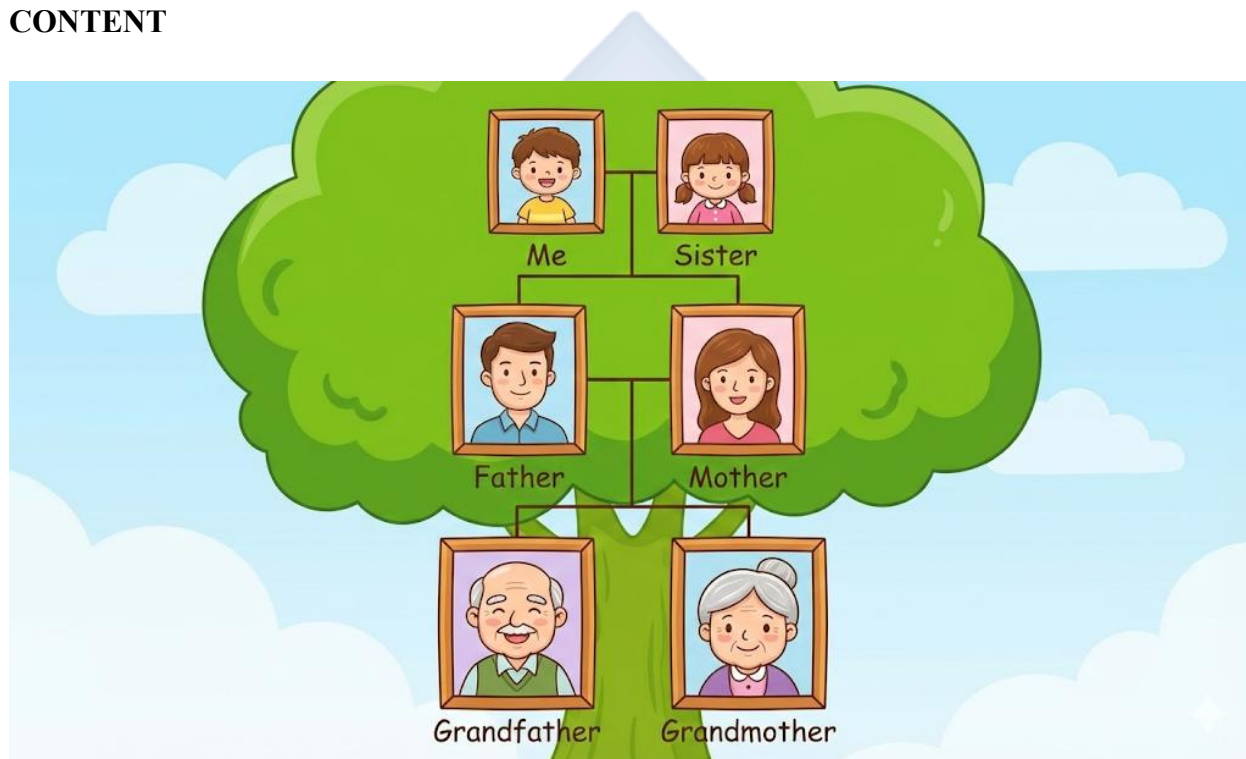

WEEK 2: MEANING AND IMPORTANCE OF HISTORY - PART 2.

OBJECTIVES By the end of the lesson, pupils should be able to:

- Explain simply how history helps us know where we come from.
- Draw a simple family tree (Me, Father, Mother).
- Mention one way history helps us make good decisions.
- State that we can learn from the past.

CONTENT

1. Knowing Where We Come From

History tells us about our *origin*. This means our village, our town, and our state. It tells us who our *ancestors* were. Ancestors are people in our family from a long, long time ago, like our great-grandparents. This knowledge gives us our "*Identity*" — it helps us answer the question "Who am I?" by knowing our roots.

2. Learning From the Past

History is like a teacher. It teaches us lessons from things that already happened.

- **Simple Example:** If you touched a hot pot yesterday and it burned your finger, you learn *not to touch hot pots today*. That is learning from your past.
- **Big Example:** If people fought a war long ago and it caused sadness, we learn that peace is better.

3. Making Good Decisions

By knowing what happened before, we can choose to do better things today. Good stories from history (about heroes who were kind and brave) inspire us to be good children. Knowing our family history can make us want to make our family proud.

4. Family Tree Activity

A *family tree* is a chart that shows our family members, like a tree with branches. It starts with the oldest people at the top and goes down to the youngest. A very simple tree for you:

Grandfather --- Grandmother | Father --- Mother | YOU

You are at the bottom, connected to your parents, who are connected to their parents.

EVALUATION

- Does history help us know the name of our village? (Yes).
- What do we call the chart that shows our family members? (Family Tree).
- Why should we learn from the past? (To avoid mistakes, to do better).
- Who are ancestors? (Our family members from long ago).
- Draw a circle and write "Me" inside it. This is you on the family tree.

ASSIGNMENT

- Ask your parents: "What is the name of our village or hometown?"
- Draw a simple family tree with three levels: You, your Mummy and Daddy.
- Write the names of your grandfathers and grandmothers if you know them. If not, ask.

WEEK 3: PEOPLES AND PLACES IN THE COMMUNITY - PART 1.

CONTENT

1. What is a Community?

A *community* is a group of people living together in the same area, helping each other and sharing things. Your street, your school area, and your village are all examples of communities. In a community, people work together to make life good for everyone.

There are many different people in a community, and they belong to different groups:

- **Children:** Like you and your friends who go to school and play.
- **Adults/Parents:** Like your mummy, daddy, uncles, and aunties who go to work.

- **Elders:** Like your grandpas and grandmas who are wise and tell stories.

3. Neighbors and Friends

- **Neighbors:** These are people who live very close to you, in the next house or on the same street. We should be friendly and say "Good morning" to them.
- **Friends:** These are people we like to play with, share toys with, and talk to. They can be from your street or your school.

4. People Who Help Us (Community Helpers)

Many people have special jobs to help everyone in the community:

- **Teachers:** Teach us how to read, write, and be smart in school.
- **Doctors/Nurses:** Care for us when we are sick and give us medicine to get well.
- **Police Officers:** Keep us safe from bad people and help us when we are lost.
- **Cleaners/Sanitation Workers:** Keep our roads and environment tidy so we don't get sick.

- What is a community? (People living together in an area).
- Who is a neighbor? (Someone who lives very close to your house).
- Who keeps us safe in the community? (Police Officers).
- Who teaches us in school? (Teachers).
- Mention the name of one friend in your community.

- **Oba** (in Yoruba land)
- **Emir** (in Hausa land)
- **Obi** or **Eze** (in Igbo land) The palace is a very important historical place.

2. Community Halls

A *Community Hall* is a big building where people in the community gather for meetings. They meet here to *discuss problems, plan festivals, weddings, or town celebrations*. It is like a big sitting room for the whole community.

3. Historical Monuments

Monuments are old statues, buildings, or objects that have been there for a very, very long time. They tell us stories about *what happened in the past* and the people who lived long ago.

Examples: Ancient walls, old towers, statues of heroes. We must *protect and respect them*; we don't draw on them or break them.

- **Example:** If your friend eats a different food (maybe he eats Tuwo and you eat Rice), you should not laugh. You can even ask to taste it!
- **Example:** If your friend prays in a different way or wears a different type of clothes, you should still be their friend.

2. Playing and Learning Together

In school and in our community, we meet children from different families and tribes. We should *play together*—football, hide-and-seek, skipping rope. Playing together is fun! We should *learn together* in class. When we help each other with schoolwork, everyone becomes smarter. This makes us happy and helps us make *many friends*.

3. Sharing and Caring

Sharing means giving some of what you have to others.

- **Example:** Sharing your biscuit with a friend who has none. When we share, we show *love and care*. It makes the other person happy and makes us feel good too. *Fighting, hitting, or saying mean words* makes everyone sad and can cause injuries.

4. Stronger Together

There is a saying: "*Unity is Strength*." This means when we are together and peaceful, we are very strong. When we hold hands and work as a team, we can build great things and solve big problems. Peace makes our families, our community, and our country *Nigeria strong and happy*.

The *Nigerian Flag* is the symbol of our country. It represents all of us. It has *two colours* in a special pattern: **GREEN - WHITE - GREEN**

What the colours mean:

- **Green:** Stands for our *rich land and forests* (Agriculture). It also stands for hope.

PRIMARY 1 NIGERIAN HISTORY LESSON NOTES

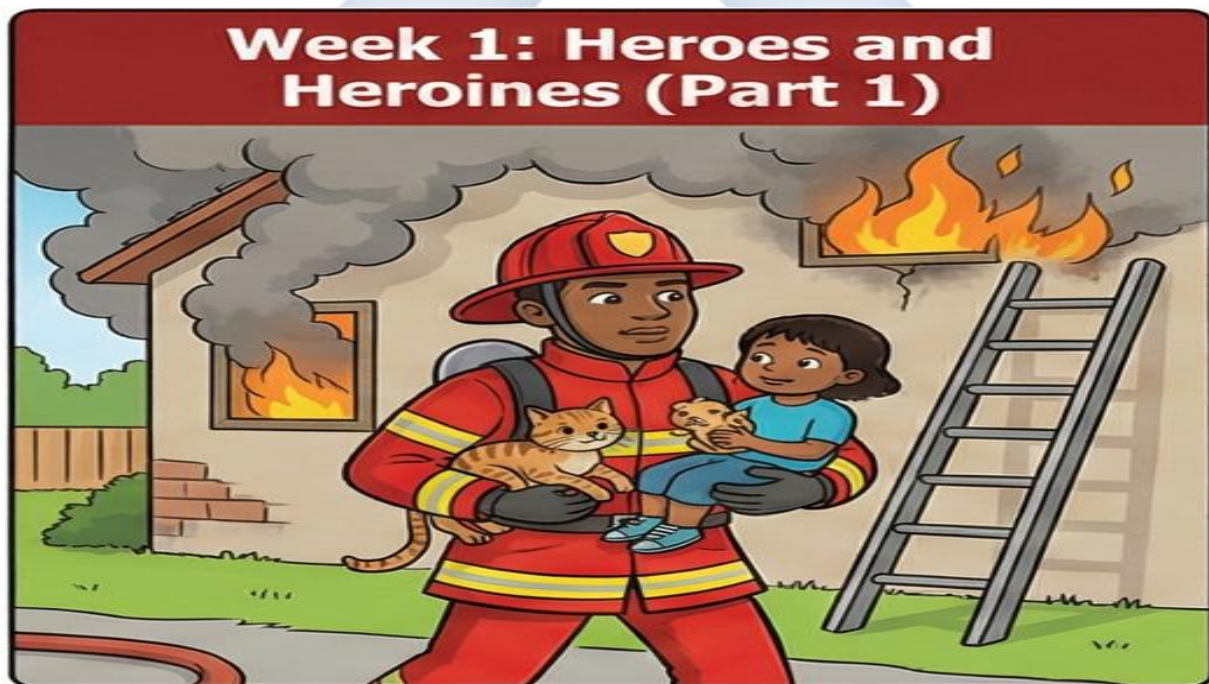

SECOND TERM

WEEK 1: HEROES AND HEROINES IN THE COMMUNITY - PART 1

OBJECTIVES By the end of the lesson, pupils should be able to:

1. Define a hero and a heroine in simple terms.
2. List three qualities of a hero or heroine.
3. Describe how heroes help other people.
4. Mention one person they think is a hero.

CONTENT

1. Meaning of a Hero and a Heroine

A **hero** is a boy or man who does brave and good things to help other people. A **heroine** is a girl or woman who does brave and good things to help other people. They are special people who

choose to do what is right, even when it is hard or scary. Think of them as helpful friends for the whole community.

Example:

- If a big rain is falling and a man uses his umbrella to cover a stranger, he is being a hero.
- If a girl finds a lost baby and helps find the baby's mother, she is being a heroine.

2. Qualities of Heroes and Heroines

To be a hero or heroine, a person must have special good behaviors called **qualities**. The important qualities are:

- **Bravery:** This means not being afraid to help when there is danger or a problem. It is like being strong in your heart. *Example:* A brave person can tell a big dog to go away from a small child.
- **Kindness:** This means being nice, friendly, and caring to everyone. *Example:* A kind person smiles and says "Good morning" to others.
- **Selfless Service:** This means helping others without thinking "What will I get?" You help because it makes others happy. *Example:* Helping your teacher clean the blackboard without being asked.
- **Honesty:** This means always telling the truth. People can trust a hero because he or she is honest. *Example:* If you break a plate, you say "I am sorry, I broke it," instead of hiding it.

3. How Heroes Help People

Heroes and heroines care about other people's happiness and safety. They look for problems and try to solve them. They make the community a better place for everyone.

Examples of help:

- Saving a cat stuck in a tree.
- Helping an old woman to cross a busy road.
- Teaching a friend how to tie their shoelaces.
- Sharing your water when a friend is thirsty.

our future, just like a builder builds a house. *Example:* Your teacher is a hero when she patiently shows you how to form the letter 'A' again and again.

- **Doctors and Nurses:** They are heroes because they are lifesavers. When we have fever, headache, or stomach ache, they take care of us. They give us medicine and make us feel better. *Example:* When you get an injection to stop you from getting sick, the nurse is being a heroine.

2. Police Officers and Firefighters

Police Officer's Job:

2. Herbert Macaulay

Herbert Macaulay is a very important Nigerian hero. He was born in Lagos a long time ago (in 1864). He was a very smart man who worked as a **surveyor** (a person who measures land) and also as a **politician** (a person who leads people).

3. Father of Nigerian Nationalism

Herbert Macaulay is called the "**Father of Nigerian Nationalism.**"

- **Nationalism** means loving your country and wanting it to be independent (to rule itself).
- At that time, Nigeria was ruled by British people called **colonial masters**.
- Herbert Macaulay was one of the first leaders to stand up and say, "Nigerians are wise and can rule their own country!" He brought different Nigerian groups together to speak with one strong voice.

4. Why We Remember Him

We remember Herbert Macaulay because he was brave and used his voice for truth. He was not afraid of the colonial masters. He started Nigeria's first political party to fight for the rights of Nigerians. To honor him, his picture was put on the old Nigerian One Naira coin and paper note.

2. Queen Amina of Zazzau

A long, long time ago (over 400 years ago), there was a powerful queen named **Amina**. She ruled a kingdom called **Zazzau** (which is in the place we now call **Zaria**, in Kaduna State). She became queen after her father and brother.

3. The Warrior Queen

Queen Amina was not an ordinary queen who only wore a crown. She was a **warrior**. This means she learned how to fight, ride horses, and lead her soldiers into battle. She fought to protect her people from enemies and to make her kingdom larger and safer. She showed everyone that a woman can be as strong and brave as any man.

4. The Walls of Zaria

Queen Amina's most famous work was building strong, high walls of clay and mud around her cities. These are called the "**Walls of Zaria**." The walls were like a big fence to keep enemies out and her people safe inside. This shows she was a clever leader who cared deeply for the safety of her people.

In the old days, women were sometimes treated unfairly. In Abeokuta where she lived, women sellers in the market were made to pay very high taxes to the local chief. This was unfair. Funmilayo Ransome-Kuti said "NO!" to this. She gathered thousands of market women together to **protest** (to say no together in a strong way). Because of her bravery, the unfair tax was stopped. She taught women to stand up for their rights.

WEEK 9: DEVELOPING THE ATTITUDE OF SELFLESS SERVICE - PART 1

OBJECTIVES By the end of the lesson, pupils should be able to:

1. Define selfless service in simple terms.
2. Mention two ways to show kindness to classmates.
3. Explain why sharing is good.

CONTENT

1. What is Selfless Service?

Selfless service means helping others because it is the right thing to do, not because you want a reward. The word **selfless** means you are not thinking about yourself first. You help without expecting sweets, money, or even a "thank you."

Example: If you see your friend's book on the floor, you pick it up and give it to them. You do it to help, not so they will give you a sweet.

2. Being Kind to Classmates

Our classroom is a small community. We can practice selfless service every day with small acts of kindness:

- **Help someone who is hurt:** If a classmate falls down, help them stand up and take them to the teacher.
- **Share your things:** If your friend forgets their pencil, lend them your extra one.
- **Help with learning:** If your friend does not understand an activity, explain it to them in a simple way (if the teacher says it is okay).
- **Include everyone:** Ask a classmate who is playing alone to join your game.

3. Sharing with Others

Sharing is a very important part of selfless service. When we share, we show love and care.

- **Why sharing is good:**
 - a. It makes the other person happy.
 - b. It makes you feel happy inside (a warm heart).
 - c. It builds friendship and trust.
 - d. It prevents fighting and quarrels.

Example: If you have two biscuits, you can give one to your friend. Now, two people are happy instead of just one.

EVALUATION

1. What is selfless service?
2. If you help someone, should you ask for money?
3. Mention one way to be kind in class.
4. Is it good to share your pencil?
5. How do you feel when you help someone?

ASSIGNMENT

1. Share your snack or toy with someone today.
2. Help your brother or sister with something at home.
3. Write one sentence: "I love to share."

WEEK 10: DEVELOPING THE ATTITUDE OF SELFLESS SERVICE - PART 2

1. Identify ways to help in the community.
2. Explain how to care for the environment.
3. Demonstrate how to respect elderly people.

CONTENT

1. Helping in the Community

You can be a little hero in your neighborhood by doing selfless service. This means doing things that help everyone, not just you and your family.

- **Community Help Examples:**
 - Helping a neighbor sweep their compound.
 - Returning a ball that rolled into your yard to the owner.
 - Telling an adult if you see a dangerous hole in the road.

2. Keeping the Environment Clean

A clean environment is a healthy environment. Dirty surroundings can cause sickness. We can serve our community by being clean:

- **What to do:**

- a. **Use the dustbin:** Always put pieces of paper, nylons, and orange peels in the waste bin.
- b. **Do not litter:** Never throw rubbish on the floor, road, or drainage.
- c. **Participate in cleaning:** Help to sweep your classroom, your house compound, or a shared space.

Good Citizen Action:

See trash on floor --> Pick it up --> Put in Bin --> Clean Environment!

3. Helping Elderly People

Elderly people (like our grandparents, old uncles, and aunties) have taken care of others for many years. Now, they sometimes need our help. Showing them respect and help is a wonderful selfless service.

- **How to help the elderly:**

- **Greet them politely:** Always say "Good morning, Sir/Ma" with a smile.
- **Offer your seat:** If an old person is standing and you are sitting, offer them your chair.
- **Help with loads:** If you see them carrying something heavy (like a bag of food), ask if you can help carry it for them.
- **Run errands:** If they ask you to buy something from a nearby shop, help them gladly.

EVALUATION

1. Where should we put dirt?
2. Is it good to throw nylons on the floor?
3. How can we help old people?
4. What should you do if you see an old woman carrying a heavy bag?

5. Mention one way to keep the school clean.

ASSIGNMENT

1. Pick up any litter (paper or nylon) you see around your house and put it in the bin.
 2. Greet an elderly person politely today.

1. Who is a Leader?

A *leader* is someone who *guides, directs, or shows the way* to others. A leader takes care of a group and helps them achieve a goal. Examples of leaders around you: Your teacher (leads the class), your father/mother (leads the family), the class monitor (leads the pupils).

2. Qualities of a Good Leader

- **Honesty:** A good leader must *tell the truth always*. They do not tell lies, cheat, or steal. People must be able to trust them.

- **Kindness:** A good leader must be *nice, caring, and helpful*. They help people who are weak, sad, or in need.
- **Fairness:** A good leader treats *everyone equally*. They do not have favorites or punish people for no reason. They give everyone a fair chance.

3. Listening

A good leader does not just talk and give orders; they also *listen carefully*. They listen to the people they are leading to hear their problems, ideas, and feelings. By listening, they can make better decisions that help everyone.

1. Leadership in Our Daily Lives

You do not have to be an adult to be a leader. *Children can be leaders too!* In school, a pupil can be chosen as the *Class Monitor* or *Class Prefect*. What a Class Monitor does:

- Helps the teacher keep the class quiet and orderly.
- Distributes books or materials.
- Leads the line when the class is going to assembly or the playground.
- Reports problems to the teacher.

2. Leading by Example "*Leading by example*" is the most important rule for a leader. It means *you must do what you want others to do*. Examples:

- If you are the class monitor and you tell others "Don't make noise," you must *not make noise yourself*.
- If you tell others "Keep the class clean," you must *pick up litter and put trash in the bin*. People will follow and respect a leader who practices what they preach.

3. Developing Skills

To be a great leader tomorrow, you must *learn and practice good habits today*.

- Learn to *obey rules* (at home and school).
- Learn to *share* your toys and books.
- Learn to say "*I am sorry*" when you are wrong and "*Thank you*" when helped.
- Learn to *encourage and help* your classmates.

4. Respecting Others

A good leader *respects everyone*—teachers, parents, classmates, and even younger children.

Respect means treating others the way you want to be treated: politely, kindly, and fairly. When you respect others, they will respect you back.
